**Management of Human Resources** Jun 17 2021 Note: You are purchasing a standalone product; MyLab Management does not come packaged with this content. Students, if interested in purchasing this title with MyLab Management, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. Management of Human Resources: The Essentials, Fifth Canadian Edition, recognizes that human resources are now among the most important organizational assets, and thus brings both human resources and non-human resources readers into a current and comprehensive discussion about human resources today. The term human resources refers to the employee--employer relationship in the workplace. The knowledge, skills, assets, and competencies employees bring to their work help the organization achieve its objectives; these resources provide a source of competitive advantage for organizations in a hyper-competitive, global environment. If you would like to purchase both the physical text and MyLab Management, search for: 0134860810 / 9780134860817 Management of Human Resources: The Essentials, Fifth Canadian Edition Plus MyManagementLab with Pearson eText -- Access Card Package, 5/e Package consists of: 013430506X / 9780134305066 Management of Human Resources: The Essentials, Fifth Canadian Edition, 5/e 0134882962 / 9780134882963 MyManagementLab with Pearson eText -- Standalone Access Card -- for Management of Human Resources: The Essentials, Fifth Canadian Edition, 5/e

**Psychology** Dec 24 2021 In PSYCHOLOGY: THEMES AND VARIATIONS, BRIEFER VERSION, Wayne Weiten continues his proven combination of a scientifically rigorous text with selective pedagogy that makes learning easy for students. Weiten's approach is backed by a straightforward writing style, unparalleled in-text visuals and didactic art program, and in-book review to help users prioritize and retain the core concepts. Weiten surveys psychology's broad range of content with three aims: to illuminate the process of research and its intrinsic relationship to application (themes); to show both the unity and diversity of the subject (variations), and to invite users to the study of psychology by respecting their ability to master its fundamental concepts. Weiten's themes (including empiricism, theoretical diversity, sociohistorical contexts, multifactorial causation, cultural heritage, heredity and environment, and subjectivity of experience) and variations provide unifying threads across chapters that help users see the connections among different research areas in psychology.

*Macroeconomics* Jun 25 2019

*Fundamentals of Organizational Behaviour, Updated Fifth Canadian Edition* Mar 15 2021 OB is for Everyone Langton/Robbins/Judge, Fundamentals of Organizational Behaviour, 5/e is the most student-engaging book in the market. It makes Organizational Behaviour relevant to students, no matter what their background or work experience (or lack of) or their career goals. As a pared-down version of the highly successful Langton franchise, this text is targeted at the college and university-transfer market for those who need a lighter, more accessible text.

*The Canadian Legal System* Jul 19 2021 The 5th edition has been completely updated, including significant additions to the sections on military law, changes to the provincial court structure (i.e., simplified procedures, case management, and court reform), incorporation of formal and informal ADR, and key charter and constitutional jurisprudence that continues to shape the law in Canada."--Pub. desc.

**Messages** May 17 2021 Messages: Building Interpersonal Communication Skills, Fourth Canadian Edition, is a practical, task-oriented introduction to the field of interpersonal communication that will help you integrate critical thinking into all aspects of interpersonal communication. The new Fourth Canadian Edition has been updated to include new sections on multicultural communication, workplace communication, computer-mediated-communication, ageism and heterosexism, nonverbal communication, anger, dating violence, and conflict management. The combination of text and exercises will help you to develop interpersonal skills, discover the influence of culture and gender on interpersonal communication, and understand the importance of listening in interpersonal communication. Featuring a new full-colour design, numerous activity boxes, a study guide, and critical thinking questions, Messages is designed to enhance your engagement with this exciting subject.

**Psychology, Canadian Edition** Aug 27 2019 This bestselling textbook portrays the latest developments in psychology in a charismatic style that will inspire a lifelong love of science. As top researchers, committed educators, and writers who hit the bestsellers lists, this extraordinary author team keeps students captivated page after page, story after story, with Ingrid Johnsrude bringing in Canadian research and examples. The new edition takes a closer look at the role psychology plays in our society, with new material in Chapter 2 that looks at the truth about psychological science, the rate of replication in published studies, and how critical thinking is foundational in science and life. Chapter 1 presents a new look at the history of the science with unexpected stories and new insights into its surprising origins. Each chapter has been fully updated with Canadian-based research and examples to portray a field that is constantly evolving and illuminating the world today. Combined with LaunchPad, including the LearningCurve adaptive quizzing system, the new Fifth Edition is a powerful way to introduce students to the science of psychology.

**Law and Society** Feb 11 2021 Law and Society provides a balanced and comprehensive analysis of the interplay between law and society using both Canadian and international examples. This clear and readable text is filled with interesting information, ideas and insights. All materials and supporting statistics have been carefully updated. This edition includes an expanded discussion of the law and First Nations people, recent developments impacting LGBTQ2S persons, and persons with disabilities and a new section on civil procedures. Each chapter is structured similarly, with an outline, learning objectives, key terms, chapter summaries, critical thinking questions, and an array of additional resources.

*Social Psychology, Fifth Canadian Edition*, Dec 12 2020 Making Social Psychology come to life. This renowned Canadian text utilizes a storytelling approach to make social psychology relevant and interesting for students. It presents the science of social psychology in a conversational manner that captures students' interest without compromising scientific rigour. Real-world examples, practical application questions, and mini-stories woven throughout each chapter help students relate to difficult topics and understand the concepts in terms of their own lives. The fifth Canadian edition has been updated with almost 350 new Canadian sources and expanded coverage of cross-cultural research, evolutionary psychology, and social neuroscience. Coupled with the franchise's perennial strengths, the enhancements to the new edition make this the most captivating Social Psychology text on the market. MyPsychLab is not included with the purchase of this product.

**Introduction to Information Systems** Oct 02 2022 WHATS IN IT FOR ME? Information technology lives all around us--in how we communicate, how we do business, how we shop, and how we learn. Smart phones, iPods, PDAs, and wireless devices dominate our lives, and yet it's all too easy for students to take information technology for granted. Rainer and Turban's Introduction to Information Systems, 2nd edition helps make Information Technology come alive in the classroom. This text takes students where IT lives--in today's businesses and in our daily lives while helping students understand how valuable information technology is to their future careers. The new edition provides concise and accessible coverage of core IT topics while connecting these topics to Accounting, Finance, Marketing, Management, Human resources, and Operations, so students can discover how critical IT is to each functional area and every business. Also available with this edition is WileyPLUS - a powerful online tool that provides instructors and students with an integrated suite of teaching and learning resources in one easy-to-use website. The WileyPLUS course for Introduction to Information Systems, 2nd edition includes animated tutorials in Microsoft Office 2007, with iPod content and podcasts of chapter summaries provided by author Kelly Rainer.

**The Power of Critical Thinking** Nov 10 2020 Provides the broadest range of tools, enabling students to think critically about their lives and the world around them. This comprehensive and engaging introduction to critical analysis delivers clear, step-by-step guidelines that provide students with the tools they need to systematically and rationally evaluate arguments, claims, and evidence. Fully up-to-date with examples from contemporary culture, politics, and media, this text helps students develop the skills they need to engage meaningfully with the world around them.

*Introduction to Corporate Finance* Sep 01 2022 The fifth edition of Introduction to Corporate Finance is a student friendly and engaging course that provides the most thorough, accessible, accurate, and current coverage of the theory and application of corporate finance within a uniquely Canadian context. Introduction to Corporate Finance will provide students with the skills they need to succeed not only in the course, but in their future careers.

[Children](#) Jan 01 2020 Children: A Chronological Approach with MyDevelopmentLab, 3rd Canadian edition is an effective textbook for college students studying child development from a chronological approach. Targeted towards students new to the discipline, the organization and structure help students easily understand the evolution of

child development without overwhelming them. Consistent in its presentation, it provides students with a book written in an accessible style that they more apt to read. The text is coupled with excellent and useful supplements further enhancing the learning experience. The terminology of the text is very appropriate for a college student. The third edition contains more Canadian content that is dispersed throughout the text. Also, a new chapter-opening mini vignette traces the development of a child, Sophie, as she grows up to highlight the major developmental stages and themes.

**Financial Accounting, Fifth Canadian Edition**, Apr 03 2020 Helping Students Build a Solid Financial Accounting Foundation This text is designed to provide students with the best tools and resources to understand accounting. Financial Accounting introduces the financial statements and the conceptual framework that underlies them in Chapter 1, and builds on this foundation throughout the remaining 12 chapters. The concepts and procedures that form the accounting cycle are also described and illustrated early in the text (chapters 2 and 3) and are then applied consistently in the chapters that follow. By introducing financial accounting's most critical concepts and procedures early in the book and then repeatedly applying them in the context of new material in later chapters, students will finish the textbook with a sound grasp of introductory financial accounting principles. Note: If you are purchasing an electronic version, MyAccountingLab does not come automatically packaged with it. To purchase MyAccountingLab, please visit [www.MyAccountingLab.com](http://www.MyAccountingLab.com) or you can purchase a package of the physical text and MyAccountingLab by searching for ISBN 10: 0133472264 / ISBN 13: 9780133472264.

**The Brigade** Aug 20 2021 Battalion- and company-level account of the vital contributions of Canadian soldiers to victory in Europe in World War II. Based on war diaries, casualty reports, and after-action interviews. The author is one of Canada's preeminent military historians.
