[The Lady Agnes Mystery](#) Jun 01 2020 1304 The Church and the French Crown are locked in a power struggle. In the Normandy countryside, monks on a secret mission are brutally murdered and a poisoner is at large at Claires Abbey. Young noblewoman Agn's de Souarcy fights to retain her independence but must face the Inquisition, unaware that she is the focus of an ancient quest.

[The Psychosocial Implications of Disney Movies](#) Feb 09 2021 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

[Unconventional Warfare \(Special Forces, Book 1\)](#) Jan 28 2020 Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

[Personal Injuries](#) Jul 22 2019 The classic legal thriller from the master of the genre Robbie Feaver is a successful personal injury lawyer, with a burgeoning practice, a way with the ladies and a beautiful wife he loves - who is dying of an incurable illness. He also has a secret bank account where he occasionally deposits funds which make their way into the pockets of judges who decide Robbie's cases. Robbie is apprehended and, in exchange for leniency, agrees to 'wear a wire' as he continues to try to fix decisions. The FBI agent assigned to supervise him goes by the alias of Evon Miller. She is stocky, lonely, uncomfortable in her skin, and impervious to Robbie's charms. And she carries secrets of her own . . . As the law tightens its net, Robbie's and Evon's stories will converge thrillingly and ultimately tragically . . .

[Mutual Aid](#) Jun 13 2021 Mutual aid is the radical act of caring for each other while working to change the world. Around the globe, people are faced with a spiralling succession of crises, from the Covid-19 pandemic and climate change-induced fires, floods, and storms to the ongoing horrors of mass incarceration, racist policing, brutal immigration enforcement, endemic gender violence, and severe wealth inequality. As governments fail to respond to—or actively engineer—each crisis, ordinary people are finding bold and innovative ways to share resources and support the vulnerable. Survival work, when done alongside social movement demands for transformative change, is called mutual aid. This book is about mutual aid: why it is so important, what it looks like, and how to do it. It provides a grassroots theory of mutual aid, describes how mutual aid is a crucial part of powerful movements for social justice, and offers concrete tools for organizing, such as how to work in groups, how to foster a collective decision-making process, how to prevent and address conflict, and how to deal with burnout. Writing for those new to activism as well as those who have been in social movements for a long time, Dean Spade draws on years of organizing to offer a radical vision of community mobilization, social transformation, compassionate activism, and solidarity.

[The Girl in Dangerous Waters](#) Sep 23 2019 She was terrorized, afraid, and desperate for help. But her hopeless pleas would never be answered. No one would come to her rescue. Now her body lays lifeless, floating in the water. The girl could not escape the deadly and sinister secrets that Windsor Island holds. It's been a year since the body of FBI agent Emma Griffin's ex-boyfriend was found on the beach. His death remains as mysterious as ever, the truth has yet to be revealed. Emma still cannot escape the feeling of guilt, regret, and grief that follows her daily. Until a girl's night with her best friend brought an unexpected surprise. A week-long-all-expense paid vacation to an exclusive island resort. Being in paradise should be the perfect way to clear her mind. . . . But, when a body turns up and girls start to go missing. Disturbing secrets about the resort are coming to the surface. Turns out paradise is just an illusion, and the truths behind the dangers on this island are far more disturbing than Emma and her friends could ever imagine. Emma isn't content to let any secrets lie hidden. She's going to find the culprit behind the murder and the disappearance. Even if it means she gets taken too. Will Emma be able to survive "paradise" and get off the island alive? [The Girl in Dangerous Waters](#) is the eighth book in the Emma Griffin Mystery series, it can be read as a standalone.

[Shelter Island](#) Jul 14 2021 A thrilling suspense from New York Times bestselling author Carla Neggers, available on its own for the first time. Dr. Antonia Winter has a feeling she's being stalked. Thinking that someone sees her as a means of derailing the senatorial hopes of her boyfriend, Hank Callahan, Antonia leaves Boston for a secluded wildlife sanctuary off the Cape. What better place to hide from threatening emails and mysterious whispers than a ramshackle cottage on a desolate coastal island? But she has unwittingly placed herself in more danger: she's been followed. With a powerful hurricane looming, Hank decides to go after Antonia to bring her back. With no power and no way to return to the mainland, either the hurricane will get them—or an obsessed madman will.

[Serve and Protect](#) Jun 25 2022 Mike Daley and Rosie Fernandez defend a young police officer accused of murder.

[Final Out](#) Aug 27 2022

[The Night](#) Aug 03 2020 For readers who love Bolaño, a new voice of Latin American fiction, winner of the Mario Vargas Llosa Prize. Recurring blackouts envelop Caracas in an inescapable darkness that makes nightmares come true. Real and fictional characters, most of them are writers, exchange the role of narrator in this polyphonic novel. They recount contradictory versions of the plot, a series of femicides that began with the energy crisis. The central narrator is a psychiatrist who manipulates the accounts of his friend, an author writing a book titled *The Night*; and his patient, an advertising executive obsessed with understanding the world through word puzzles. The author shifts between crime fiction and metafiction, cautioning readers that the events retold are both true and manipulated. This is a political novel about the financial crisis and socio-political division in Venezuela from 2008 to 2010. The title of the book, originally also in English, is a gesture towards Chavism's failure to resist US influence. Yet, the form is unapologetically literary, a reflection on the depiction and distortion of reality through storytelling. Blanco Calderón said about the potential of language, "I am convinced that all the evil in the world begins in them: in words" (Caracas, 2010).

[Death under the Perseids](#) Sep 04 2020 There's no such thing as a free cruise in Cuban American author Teresa Dovalpage's addictively clever new Havana mystery. Cuban-born Mercedes Spivey and her American husband, Nolan, win a five-day cruise to Cuba. Although the circumstances surrounding the prize seem a little suspicious to Mercedes, Nolan's current unemployment and their need to spice up their marriage make the decision a no-brainer. Once aboard, Mercedes is surprised to see two people she met through her ex-boyfriend Lorenzo: former University of Havana professor Selfa Segarra and down-on-his-luck Spanish writer Javier Jurado. Even stranger: they also received a free cruise. When Selfa disappears on their first day at sea, Mercedes and Javier begin to wonder if their presence on the cruise is more than coincidence. Mercedes confides her worries to her husband, but he convinces her that it's all in her head. However, when Javier dies under mysterious circumstances after disembarking in Havana, and Nolan is nowhere to be found, Mercedes scrambles through the city looking for him, fearing her suspicions were correct all along.

[Shelter](#) Nov 25 2019 The first in an exciting series of YA thrillers from the master of the hook-and-twist. When tragic events tear him away from his parents, 15-year-old Mickey Bolitar is sent to live with his estranged uncle, Myron. For a while, it seems his train wreck of a life is finally improving - until his girlfriend, Ashley, goes missing without a trace. Unwilling to let another person he cares about walk out of his life, Mickey follows Ashley's trail into a seedy underworld, revealing a conspiracy so shocking it will leave him questioning everything about the life he thought he knew.

[It's Her Story: Rosa Parks: A Graphic Novel](#) Apr 30 2020 A graphic novel for children ages 6 to 9. Rosa Parks was the courageous thinker and leader known as the Mother of the Civil Rights Movement. Long before the Montgomery Bus Boycott made her famous, she was a social justice activist and organizer. In honor of her work, she received a Congressional Gold Medal and the Presidential Medal of Freedom. This is her story.

[The Terrorist Next Door](#) Dec 19 2021 When an unknown terrorist group demands the release of a University of Chicago graduate student whose plan to set off a bomb at the Art Institute was thwarted at the last minute, Detectives Gold and Battle must race against time to stop them from shutting down a major U.S. city. (mystery & detective). [Simultaneous.](#)

[Blood Secret](#) Nov 06 2020 The minute she had opened the trunk, she knew there wasn't anything like hope in it. Just awful musty things, but each one with a kind of terrible dark halo around it. She picked up that piece of old lace. She saw that stain -- pale, brownish in color. She knew it was blood. Somebody's blood. There was violence in that trunk, and dark secrets, and she did not want to know them. Curious about the old homestead where she now lives, Jerry finds an ancient trunk in the basement that contains, among other things, an old piece of bloodstained lace, some letters, and a battered doll. The objects in the trunk have stories to tell -- stories about the Spanish Inquisition spanning nearly five hundred years and stories of secrets locked deep in the bloodlines of Jerry's ancestors. Kathryn Lasky's powerhouse novel is a dramatic historical saga that brings the reader face-to-face with some of the worst atrocities ever committed against humankind in the name of God. But above all, it is an unforgettable coming-of-age story about a girl who, in connecting with her own past and faith, is at last able to face her own demons and liberate not only herself but also future generations of her family from the long chain of suffering and silence.

[Be the Calm Or Be the Storm](#) Feb 27 2020 Everyone experiences a moment in life when they need to lead. Sometimes it's a team, sometimes it's a company, a classroom, a

patient ward, a family, or simply your own individual self. Based on the leadership lessons she's gathered from her resourceful and resilient life, Captain Sandy, a superyacht captain and star of *Below Deck Mediterranean*, shares the leadership skills and critical thinking inherent to being a captain that can empower anyone to navigate their way to a successful life. Among some of the stories/lessons she'll share- How she selects and sizes up her crew even before embarking on a charter, deciding who to invest in and how to bring out their best. Things happen at sea. No matter how much you plan and train, so much can go wrong so she'll discuss the level of persistence and faith that's required in solving an especially knotty problem. Authority and discipline are required to lead, but they must be leavened with compassion, understanding, and used with a desire to see your crew succeed. She describes the seamless flow that happens in great teamwork and how she loves seeing the way her deckhands pitch in with the stews when needed. For Captain Sandy, this represents leading with empathy, figuring out who your teammates are and what motivates them, then communicating in a way that motivates and makes them feel understood. As a captain, Sandy is constantly upgrading her knowledge and skill set, which is as much a part of her job as steering a vessel. Sustaining excellence requires constant effort, whether you find yourself at the end of a journey, halfway through or at the start of a new one. And the learning never stops. Woven throughout her stories are Captain Sandy's optimism and abiding faith that, given the right tools and opportunities, individuals are capable of so much more than they realize, especially when they can find someone to believe in them.

Final Verdict Jul 26 2022 Fate throws a curveball at the San Francisco ex-husband-and-wife legal team of Mike Daley and Rosie Fernandez, when Mike picks up the phone and hears the voice of Leon Walker. This is not good news-because Walker was the one who ruined their marriage. Years ago, he and his brother participated in a stickup that left a man dead. Through a series of (some said) questionable maneuvers, Mike got the charges dropped, but he and Rosie fought about it all the time and it finally drove a wedge between them. Now, a Silicon Valley venture capitalist has been found dead in a dumpster on San Francisco's skid row. The new murder has been pinned on Walker, but he not only tells Mike he is innocent, he says he is a dying man and doesn't want to go to his grave proclaimed a murderer. Dogged investigation, courtroom nimbleness, and a healthy dose of luck usually have helped Mike before, but it looks like it'll take more than that to prevail this time, and his time is running out-both on his client and, just maybe, on his partnership. Filled with wonderful characters and suspense and more than a touch of humor, *Reasonable Doubt*, like the author's first three books, a page-turner.

The Last Trial Aug 23 2019 Former law professor Tom McMurtrie has brought killers to justice, and taken on some of the most infamous cases in Alabama's history. Now he's tackling his greatest challenge. McMurtrie's old nemesis, Jack Willistone, is found dead on the banks of the Black Warrior River. Willistone had his share of enemies, but all evidence points to a forgotten, broken woman as the killer. At the urging of the suspect's desperate fourteen-year-old daughter, McMurtrie agrees to take the case. But as seasoned as McMurtrie is, even he isn't prepared for how personal and dangerous this case is going to get. With the trial drawing near and his sharp young partner, Rick Drake, dealing with a family tragedy, he recruits his best friend, Bocephus Haynes, to help investigate. As key witnesses disappear and old demons return, time becomes McMurtrie's most fearsome opponent. Soon loyalties will be tested and the boundaries of law will be broken as McMurtrie fights to save his legacy--and his client's life--before the truth is buried forever in the muddy waters of the Black Warrior.

Criminal Intent Oct 05 2020 Follows the adventures of an ex-priest, an ex-corporate lawyer, and an ex-wife who open their own criminal defense firm.

Last Call May 24 2022 A bar. A body. A bloody knife. Mike wasn't expecting the early-morning call from his 86-year-old uncle. Big John Dunleavy arrived at his namesake bar to find the body of San Francisco police officer Eddie Corcoran in the alley, a bloody knife at his side. Corcoran was a tough cop whose life went off the rails after his partner was killed two years earlier. Infidelity and alcohol abuse led his wife to file for divorce. Excessive force and harassment while arresting drug dealers and the homeless resulted in his recent suspension from the force. Corcoran was on the verge of permanently losing his job, custody of his children and everything. He didn't think he'd lose his life. All signs point to Big John's grandson Joey as the killer. Witnesses reported that Joey and the cop argued at the bar shortly before last call. The alleged murder weapon is Joey's Boy Scout knife. The only fingerprints are his. Big John begs Mike to represent Joey. Mike and his team of ex-wife/boss (Rosie) and brother/P.I. (Pete) embark on a desperate search for the truth that takes them around San Francisco -- from the foggy streets of the Sunset to the colorful corners of the Mission to the homeless encampments in Golden Gate Park to the drug-infested hotels in the Tenderloin. Can they find justice for Joey before the bars close? **LAST CALL** is the thirteenth installment of Sheldon Siegel's New York Times bestselling series featuring San Francisco attorneys Mike Daley and Rosie Fernandez. An intricate plot, engaging characters, powerful suspense, and a touch of humor are Siegel's hallmarks. In **LAST CALL**, readers will discover once again why Mike and Rosie are two of the most compelling characters in contemporary crime fiction.

Piranesi Dec 27 2019 Piranesi lives in the House. Perhaps he always has. In his notebooks, day after day, he makes a clear and careful record of its wonders: the labyrinth of halls, the thousands upon thousands of statues, the tides that thunder up staircases, the clouds that move in slow procession through the upper halls. On Tuesdays and Fridays Piranesi sees his friend, the Other. At other times he brings tributes of food and waterlilies to the Dead. But mostly, he is alone. Messages begin to appear, scratched out in chalk on the pavements. There is someone new in the House. But who are they and what do they want? Are they a friend or do they bring destruction and madness as the Other claims? Lost texts must be found; secrets must be uncovered. The world that Piranesi thought he knew is becoming strange and dangerous.

Law of Return Oct 17 2021 This murder mystery set in Fascist Spain is "a colorful, thrilling story about loyalty and love" (The Detroit Free Press). Spain, 1940: Lt. Carlos Tejada has been transferred to Salamanca, where he studied law before the Spanish Civil War. His new duties include monitoring parolees--former professors who were fired for protesting against Franco. The policeman's old love, Elena Fernandez, has also lost her job because of her political leanings, and has returned home to Salamanca from Madrid. Her father, once a distinguished classics professor, is now one of the parolees--and has just received a letter from a Jewish friend, begging for help to cross into Spain from France to avoid being forcibly repatriated to Nazi Germany. Professor Fernandez cannot violate his parole by traveling--so Elena goes in his stead, and not longer after does her path cross with the lieutenant's, and soon they will find themselves involved in a murder case with far-reaching implications. From an Edgar Award-winning author, this is a "strongly atmospheric" novel filled with history and intrigue (The Baltimore Sun).

The Confession Sep 28 2022 Confessions abound--some of them quite unexpected--in Sheldon Siegel's new legal thriller. Mike Daley doesn't go to confession much since he left the priesthood twenty years ago and became a lawyer, but that doesn't stop his old friend, Father Ramon Aguirre, from trying to get him there. "It wouldn't kill you to go to church once in a while," he tells Mike. But it does kill someone. For several months, a ruinous sexual harassment suit has been building against the San Francisco Catholic Archdiocese, and when the plaintiff's lawyer is found dead, an apparent suicide, an almost audible sigh of relief is heard in certain quarters. But that is before the police find evidence of murder. Even worse--the evidence points to Father Aguirre. Mike and his ex-wife law partner, Rosie, jump in to take the priest's case, but what started out as difficult soon appears impossible as forensics, witnesses, and secrets from Father Aguirre's past all incriminate their client. Soon, their wits are the only things keeping the priest from a life sentence or worse, and wits simply may not be enough--unless they can conjure up a miracle of their own.

Perfect Alibi Mar 22 2022 Another super novel from Sheldon Siegel in the Mike Daley mystery series. For Mike Daley and Rosie Fernandez--former spouses and current law partners--the stakes have never been higher. In the seventh installment of this bestselling, critically acclaimed series, the duo learn that their sixteen-year-old daughter's boyfriend has been arrested on suspicion of murdering his father, a Superior Court judge. Bobby Fairchild, however, claims to have found his father's body upon returning home from a date with Grace. The police, who found Bobby at the scene of the crime holding the murder weapon, contend that his parents' acrimonious divorce sent the boy over the edge. With their daughter as Bobby's only (Perfect) Alibi, Mike and Rosie take the case that takes them down San Francisco's darkest alleys and into the homes of some of the city's most prominent citizens.

Criminal Intent Oct 29 2022

Chasing Secrets Jun 20 2019 Newbery Honor-winning author Gennifer Choldenko deftly combines humor, tragedy, fascinating historical detail, and a medical mystery in this exuberant new novel. San Francisco, 1900. The Gilded Age. A fantastic time to be alive for lots of people . . . but not thirteen-year-old Lizzie Kennedy, stuck at Missy Barstow's snobby school for girls. Lizzie's secret passion is science, an unsuitable subject for finishing-school girls. Lizzie lives to go on house calls with her physician father. On those visits to his patients, she discovers a hidden dark side of the city--a side that's full of secrets, rats, and rumors of the plague. The newspapers, her powerful uncle, and her beloved papa all deny that the plague has reached San Francisco. So why is the heart of the city under quarantine? Why are angry mobs trying to burn Chinatown to the ground? Why is Noah, the Chinese cook's son, suddenly making Lizzie question everything she has known to be true? Ignoring the rules of race and class, Lizzie and Noah must put the pieces together in a heart-stopping race to save the people they love. Winner of a Los Angeles Public Library FOCAL (Friends of Children and Literature) Award Nominated for: Pennsylvania Young Reader's Choice Awards Tennessee Volunteer State Book Award (Middle School division) Missouri Association of School Librarians (MASL) Readers Award California Library Association's Beatty Award, Eureka List

The Confession Dec 07 2020 Thriller. When Travis Boyette is paroled because of inoperable brain tumor, for the first time in his life, he decides to do the right thing and tell police about a crime he committed and another man is about to be executed for

Hot Shot Jan 20 2022 Mike Daley and Rosie Fernandez defend a young woman accused of murdering a Silicon Valley billionaire.

The Casebooks of Captain Holloway: The Disappearance of Tom Pile Jan 08 2021 On a bitterly cold winter's night in 1900, a young boy disappears without trace from the forest near his home in the quiet village of Litton Cheney. He is never found, but the man he was with claims he was snatched by angels. Forty years later, Corporal Jack Carmody is sent to investigate strange reports of mysterious lights above Litton Cheney. The villagers suspect German bombers overhead, but Carmody knows there's something far more intriguing going on. And when a terrified boy appears in the graveyard, convinced it's the year 1900, it's up to Carmody and his boss - the charismatic Captain Holloway - to uncover the truth.

Criminal Mischief Oct 25 2019 In this exhilarating new thriller from #1 New York Times bestselling author Stuart Woods, Stone Barrington goes up against an enemy on the run. After a dangerous adventure has him traveling up and down the coast, Stone Barrington is looking forward to some down time at his Manhattan abode. But when an acquaintance alerts him to a hinky plot being hatched across the city, he finds himself eager to pursue justice. After the mastermind behind it all proves more evasive than anyone was expecting, Stone sets out on an international chase to places he's never gone before. With the help of old friends--and alluring new ones--Stone is determined to see the pursuit through to the end, even if it means going up against a foe more unpredictable than he has ever faced...

Sustainable Urban Metabolism Nov 18 2021 A unified framework for analyzing urban sustainability in terms of cities' inflows and outflows of matter and energy. Urbanization and globalization have shaped the last hundred years. These two dominant trends are mutually reinforcing: globalization links countries through the networked communications of urban hubs. The urban population now generates more than eighty percent of global GDP. Cities account for enormous flows of energy and materials--inflows of goods and services and outflows of waste. Thus urban environmental management critically affects global sustainability. In this book, Paulo Ferrão and John Fernández offer a metabolic perspective on urban sustainability, viewing the city as a metabolism, in terms of its exchanges of matter and energy. Their book provides a roadmap to the strategies and tools needed for a scientifically based framework for analyzing and promoting the sustainability of urban systems. Using the concept of urban metabolism as a unifying framework, Ferrão and Fernández describe a systems-oriented approach that establishes useful linkages among environmental, economic, social, and technical infrastructure issues. These linkages lead to an integrated information-intensive platform that enables ecologically informed urban planning. After establishing the theoretical background and

describing the diversity of contributing disciplines, the authors sample sustainability approaches and tools, offer an extended study of the urban metabolism of Lisbon, and outline the challenges and opportunities in approaching urban sustainability in both developed and developing countries.

The OC May 12 2021 Thrill-a-minute crime fiction—infused with wry humor Restaurant owner and former professional baseball player Jake Longly is hoping for a few weeks of fun with Nicole Jamison in the warm Orange County, CA sun—The OC, baby. After that, they'll be on their way to LA for the filming of Nicole's sure-to-be-a-hit screenplay. On arrival, they discover that Nicole's friend Megan Weatherly, a local TV reporter, has picked up an anonymous stalker. Megan downplays any real danger, but her new intern Abby, as well as Jake and Nicole, don't agree. Bit by bit, as the harassment escalates and the shadowy man invades Megan's world, Jake calls in the big guns from back home in Alabama: Ray and Pancake. But will Ray's military black ops experience and Pancake's technical skills be enough to expose the predator in time? The stalker is no fool and likely has a predatory history. He makes no mistakes and manages to cover his trail completely. So, how do you identify and locate the untraceable? How do you protect Megan from a potentially lethal phantom? Suddenly the sunshine and safety of The OC seem more facade than reality. Jake and crew must punch through that facade and dig into the dark world of celebrity stalking. The clock is ticking. Perfect for fans of Carl Hiaasen and Janet Evanovich While all of the novels in the Jake Longly Thriller Series stand on their own and can be read in any order, the publication sequence is: Deep Six A-List Sunshine State Rigged The OC

The Leviathan Apr 11 2021 Norfolk, 1643. With civil war tearing England apart, reluctant soldier Thomas Treadwater is summoned home by his sister, who accuses a new servant of improper conduct with their widowed father. By the time Thomas returns, his father is insensible, felled by a stroke, and their new servant is in prison, facing charges of witchcraft. Thomas prides himself on being a rational, modern man, but as he unravels the mystery of what has happened, he uncovers not a tale of superstition but something dark and ancient, linked to a shipwreck years before. Something has awoken, and now it will not rest.

Judgment Day Feb 21 2022 Kingdom of Light; The Forces of Darkness Ira Breitling---Man of God; Manuel Crow---Lord of Darkness Even the universe is not big enough for the both of them . . . especially when Ira Breitling is handed a divine gift---an interstellar engine that can lift humanity into the heavens. Crow---awash in riches, commanding nations, supremely powerful---swears eternal vengeance on Breitling and his Fellowship of the Faithful . . . and on all humankind. The reign of Lucifer---prophesized as a thousand years of darkness---is about to begin. With the world falling fast under Crow's violent sway, Breitling's Fellowship---having only one choice---seizes their divine gift, their faster-than-light flight, and flees the earth. Their journey takes them beyond the distant stars to a perfect planet uncorrupted by Crow and his Kingdom of Darkness. But even as Manuel Crow razes and racks the Earth, Revelations' scourge is not yet sated. Crow's eyes the heavens, fixed on the Faithful. Ira Breitling and the Fellowship must defend not only themselves but the soul of all humanity: A Kingdom of Light against the Forces of Darkness. Will the Fellowship prevail . . . or fall under Revelations' reign? Let the battle begin.

The Dreamer Aug 15 2021 San Francisco criminal defense attorneys Mike Daley and Rosie Fernandez represent a young woman accused of murdering her boss.

Perfect Alibi Apr 23 2022 When Mike Daley and Rosie Fernandez take a case to clear their daughter's boyfriend of murdering his father they uncover a scandal that takes them to San Francisco's darkest alleys and into the homes of the city's most prominent citizens.

Served in Silence Sep 16 2021 Retired U.S. Air Force Captain Mark David Gibson makes his debut as an author with his memoir, Served in Silence. Join Mark as he takes you on his journey before, during, and after the military's Don't Ask, Don't Tell policy. Walk right alongside Mark as he shares his story of guilt, shame, and secrecy, and draw inspiration as you witness him create a new life grounded in love, authenticity, and purpose. Served in Silence speaks to the heart of anyone struggling to live authentically, and aims to inspire readers to be brave and live firmly in their truth.

Due Process Mar 30 2020 An Amazon Top 20 bestseller.***Each Joe Dillard novel can be read as a standalone.***A young exotic dancer claims she was sexually assaulted at a party thrown by a university football team. Three players stand accused. In the ninth installment of the best-selling Joe Dillard series, Dillard finds himself defending one of the players accused of assaulting the young woman. The case receives national attention, quickly escalating into a platform for deep-seeded division and hatred. It also ensnares Dillard, along with his son, Jack, and Charleston Story into a web of lies and deceit spun by a mysterious figure with a hidden agenda. Meanwhile, his wife, Caroline, continues her fight against metastatic breast cancer, and his sister, Sarah, comes back into the picture. Culminating in a courtroom scene worthy of Perry Mason, Dillard must take on one of the most difficult cases of his career. Will justice prevail? Or will the weight of the criminal justice system grind Joe and his client to dust? Pratt's richly developed characters are vivid and believable, especially the strong Southern women who fight their male-dominated culture from behind a facade of vulnerability." -Publishers Weekly

The Very Wolf Jul 02 2020 At the dawn of a brutal war with Rome, a Greek spy and a Persian aristocrat race to find a traitor in the capital of the Kingdom of Pontos. If they succeed, they will turn the war in Pontos' favour and restore their own tattered reputations. If they fail, the Kingdom will face ruin, and they will unleash violence beyond control.

The Confession Mar 10 2021 In August 2004, Governor James E. McGreevey of New Jersey made history when he stepped before microphones, declared "My truth is that I am a gay American," and announced his resignation. The story made international headlines—but what led to that moment was a human and political drama more complex and fascinating than anyone knew. Now, in this extraordinarily candid memoir, McGreevey shares his story of a life of ambition, moral compromise, and redemption. From childhood, McGreevey lived a kind of idealized American life. The son of working-class Irish Catholic parents, named for an uncle who died at Iwo Jima, he strove to exceed expectations in everything he did, meeting each new challenge as though his "future rode on every move." As a young man he was tempted by the priesthood, yet it was another calling—politics—that he found irresistible. Plunging early into the dangerous waters of New Jersey politics, he won three elections by the age of thirty-six, and soon thereafter nearly toppled the state's popular governor, Christie Todd Whitman, in a photo-finish election. Four years later, he won the governorship by a landslide. Throughout his adult life, however, Jim McGreevey had been forced to suppress a fundamental truth about himself: that he was gay. He knew at once that the only clear path to his dreams was to live a straight life, and so he split in two, accepting the traditional role of family man while denying his deepest emotions. And he discovered, to his surprise, that becoming a political player demanded ethical shortcuts that became as corrosive as living in the closet. In the cutthroat culture of political bosses, backroom deals, and the insidious practice known as "pay-to-play," he writes, "political compromises came easy to me because I'd learned how to keep a part of myself innocent of them." His policy triumphs as governor were tempered by scandal, as the transgressions of his staff came back to haunt him. Yet only when a former lover threatened to expose him did he finally confront his divided soul, and find the authentic self that had always eluded him. More than a coming-out memoir, The Confession is the story of one man's quest to repair the rift between his public and private selves, at a time in our culture when the personal and political have become tangled like frayed electric cables. Teeming with larger-than-life characters, written with honesty, grace, and rare insight into what it means to negotiate the minefields of American public life, it may be among the most honest political memoirs ever written.
