A Guide to the Photography of Church Furnishings Mar 18

2022 Churchwardens are required by law to compile and maintain an inventory of church furnishing, and good photographs must be kept with the inventory. This book covers the special problems of taking pictures of the furnishings, from stained glass to furniture and communion plate.

Photography: The Underdog: Reconsidering Pentax Jul 22 2022

Photographer and writer Shawn M. Tomlinson reconsiders the camera brand that got him started long before digital single-lens reflex cameras existed. In this 12th volume of Shawn M. Tomlinson's *Guide to Photography*, the author outlines the history of the camera maker, its film and digital cameras, and explains why Pentax still is a viable choice for the serious amateur, enthusiast, semi-pro and professional photographer. From the book: "I was a Pentax Loyalist for years, then a Pentax Apologist, then I rather switched that fight it anymore, then I began to re-appreciate Pentax. ... The point was/is that I write these guide books to help the less-than-wealthy budding photographer get the best equipment possible for the lowest prices possible. ... I write this stuff because I know what it's like to yearn for the newest, shiniest cameras and lenses, yet at the same time know that I cannot possibly afford them. I know there are a lot of other people out there who have the same problem."

Letter to a Stranger Nov 21 2019 "Beautiful. The human

condition is on full display in these glimpses of our essential connectedness. Perfect for our times.” —Dani Shapiro, author of *Inheritance* Sixty-five extraordinary writers grapple with this mystery: How can an ephemeral encounter with a stranger leave such an eternal mark? When Colleen Kinder put out a call for authors to write a letter to a stranger about an unforgettable encounter, she opened the floodgates. The responses—intimate and addictive, all written in the second person—began pouring in. These short, insightful essays by a remarkable cast of writers, including Elizabeth Kolbert, Pico Iyer, Lauren Groff, Gregory Pardlo, Faith Adiele, Maggie Shipstead, Lia Purpura, Kiki Petrosino, and Jamil Jan Kochai, are organized around such themes as Gratitude, Wonder, and Farewell and guide us both across the globe and through the mysteries of human connection. Addressed to a first responder after a storm, a gambler encountered on jury duty, a waiter in Istanbul, a taxi driver in Paris, a roomful of travelers watching reality TV in La Paz, and dozens of others, the pieces are replete with observations about how to live and what we seek, and how a stranger’s loaded glance, shared smile, or question posed can alter the course of our lives. Moving and unforgettable, *Letter to a Stranger* is an irresistible read for the literary traveler and the perfect gift for anyone who is haunted by a person they met once and will remember forever.
