It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and

Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist,

Stoddard was concerned about the collapse of white supremacy and colonialism due to population growth among non-white people, rising nationalism in colonized

Stoddard advocated restricting non-white migration into white nations, restricting Asian migration only to Africa and Latin America and slowly giving Middle Eastern and Asian colonies independence. A noted eugenicist, Stoddard supports a separation of the "primary races" of the world and warns against miscegenation. Includes three maps illustrated color.
