All Over Creation Sep 01 2020 A warm and witty saga about agribusiness, environmental activism, and community—from the celebrated author of *The Book of Form and Emptiness* and *A Tale for the Time Being* Yumi Fuller hasn't set foot in her hometown of Liberty Falls, Idaho—heart of the potato-farming industry—since she ran away at age fifteen. Twenty-five years later, the prodigal daughter returns to confront her dying parents, her best friend, and her conflicted past, and finds herself caught up in an altogether new drama. The post-millennial farming community has been invaded by Agribusiness forces at war with a posse of activists, the Seeds of Resistance, who travel the country in a camping car, "The Spudnick," biofueled by pilfered McDonald's french-fry oil. Following her widely hailed, award-winning debut novel, *My Year of Meats*, Ruth Ozeki returns here to deliver a quirky cast of characters and a wickedly humorous appreciation of the foibles of corporate life, globalization, political resistance, youth culture, and aging baby boomers. *All Over Creation* tells a celebratory tale of the beauty of seeds, roots, and growth—and the capacity for renewal that resides within us all.

Black & White & Weird All Over: The Lost Photographs of "weird Al" Yankovic '83 - '86 Jul 11 2021 "Weird Al" Yankovic is one of music's most beloved figures. A skilled accordion player and songwriter, the California native is known for his meticulous parodies of popular songs, hilarious originals, and, of course, for upbeat polkas! For much of Al's career, one man has been by his side, photographing and documenting the fun and weirdness: longtime drummer Jon "Bermuda" Schwartz. Since meeting Al in 1980, Jon has taken more than 20,000 images of Al in his element: on tour, in the studio, and on video sets. *Black & White & Weird All Over* presents hundreds of images of Al, culled from Jon's personal collection of black-and-white photography. These photos only existed on contact sheets - out of mind and out of sight - until now! From behind-the-scenes shots taken on the sets of Al's iconic videos for "Ricky," "I Love Rocky Road," "Eat It," and "Living With A Hernia," to studio sessions for Al's *Dare to Be Stupid* and *Polka Party!* LPs, *Black & White & Weird All Over* is the ultimate photographic essay of Weird Al's undisputed comedic genius.

Scattered All Over the Earth Nov 22 2019 *From the author of *The Last Children of Tokyo** A mind-expanding, cheerfully dystopian novel about friendship, difference and what it means to belong, by a National Book Award-winning novelist. Welcome to the not-too-distant future. Japan, having vanished into the sea, is now remembered as 'the land of sushi'. Hiruko, a former citizen and a climate refugee herself, has a job teaching immigrant children in Denmark with her invented language Panska (Pan-Scandinavian): 'homemade language. no country to stay in. three countries I experienced. no time to learn three different languages. might mix up. insufficient space in brain. so made new language. homemade language most Scandinavian people understand'. Hiruko soon makes new friends to join her in her travels searching for anyone who can still speak her mother tongue: Knut, a graduate student in linguistics, who is fascinated by her Panska; Akash, an Indian man who lives as a woman, wearing a red sari; Nanook, an Eskimo from Greenland, first mistaken as another refugee from the land of sushi; and Nora, who works at the Karl Marx House in Trier. All these characters take turns narrating chapters, which feature an umami cooking competition; a dead whale; an ultra-nationalist named Breivik; Kakuzo robots; uranium; and an Andalusian bull fight. Episodic, vividly imagined and mesmerising, *Scattered All Over the Earth* is another sui generis masterwork by Yoko Tawada.

All Over the Place Jan 05 2021 Some people are meant to travel the globe, to unwrap its secrets and share them with the world. And some people have no sense of direction, are terrified of pigeons, and get motion sickness from tying their shoes. These people are meant to stay home and eat nachos. Geraldine DeRuiter is the latter. But she won't let that stop her. Hilarious, irreverent, and heartfelt, *All Over the Place* chronicles the years Geraldine spent traveling the world after getting laid off from a job she loved. Those years taught her a great number of things, though the ability to read a map was not one of them. She has only a vague idea of where Russia is, but she now understands her Russian father better than ever before. She learned that what she thought was her mother's functional insanity was actually an equally incurable condition called "being Italian." She learned what it's like to travel the world with someone you already know and love -- how that person can help you make sense of things and make far-off places feel like home. She learned about unemployment and brain tumors, lost luggage and lost opportunities, and just getting lost in countless terminals and cabs and hotel lobbies across the globe. And she learned that sometimes you can find yourself exactly where you need to be -- even if you aren't quite sure where you are.

Niagara Falls All Over Again May 09 2021 By turns graceful and knowing, funny and moving, *Niagara Falls All Over Again* is the latest masterwork by National Book Award finalist and author of *The Giant's House*, Elizabeth McCracken. Spanning the waning years of vaudeville and the golden age of Hollywood, *Niagara Falls All Over Again* chronicles a flawed, passionate friendship over thirty years, weaving a powerful story of family and love, grief and loss. In it, McCracken introduces her most singular and affecting hero: Mose Sharp—son, brother, husband, father, friend ... and straight man to the fat guy in baggy pants who utterly transforms his life. To the paying public, Mose Sharp was the arch, colorless half of the comedy team Carter and Sharp. To his partner, he was charmed and charming, a confirmed bachelor who never failed at love and romance. To his father and sisters, Mose was a prodigal son. And in his own heart and soul, he would always be a boy who once had a chance to save a girl's life—a girl who would be his first, and greatest, loss. Born into a Jewish family in small-town Iowa, the only boy among six sisters, Mose Sharp couldn't leave home soon enough. By sixteen Mose had already joined the vaudeville circuit. But he knew one thing from the start: "I needed a partner," he recalls. "I had always needed a partner." Then, an ebullient, self-destructive comedian named Rocky Carter came crashing into his life—and a thirty-year partnership was born. But as the comedy team of Carter and Sharp thrived from the vaudeville backwaters to Broadway to Hollywood, a funny thing happened amid the laughter: It was Mose who had all the best lines offstage. Rocky would go through money, women, and wives in his restless search for love; Mose would settle down to a family life marked by fragile joy and wrenching tragedy. And soon, cracks were appearing in their complex relationship ... until one unforgivable act leads to another and a partnership begins to unravel. In a novel as daring as it is compassionate, Elizabeth McCracken introduces an indelibly drawn cast of characters—from Mose's Iowa family to the vagabond friends, lovers, and competitors who share his dizzying journey—as she deftly explores the fragile structures that underlie love affairs and friendships, partnerships and families. An elegiac and uniquely American novel, *Niagara Falls All Over Again* is storytelling at its finest—and powerful proof that Elizabeth McCracken is one of the most dynamic and wholly original voices of her generation.

If I Could Do It All Over Again Jul 23 2022 Let the Lessons of the Past Pave the Way to a Better Future We've all thought about it at some point: What if I could go back in time and do it all over again? If there were a way, we each have decisions we would change, regrets we would erase, and mistakes we would undo. *If I Could Do It All Over Again* explores the concept of a "do-over" through insightful interviews with more than two dozen respected Christian leaders, including Tim Keller, Anne Graham Lotz, Michael W. Smith, Joni Eareckson Tada, and Ravi Zacharias. Like an intimate conversation over a cup of coffee, these leaders transparently share stories of their struggles, triumphs, and failures through the lens of God's grace and redemption. While none of us will get a do-over, you can find biblical encouragement through the stories of others. In this candid and contemplative book, author Jon Gauger asks the hard questions and reveals answers sure to leave you filled with hope, courage, and freedom.

Red, White, and Drunk All Over Mar 19 2022 Award-winning writer Natalie MacLean sweeps readers behind the scenes of the international wine world, visiting its most evocative places and meeting its most charismatic personalities. *Red, White, and Drunk All Over* showcases the engaging wit, investigative curiosity, and sharp eye for obsessive passion that has made her free e-newsletter *Nat Decants* one of the most popular in North America. Natalie tastes sensuous pinot noir in the ancient cellars of Burgundy while discovering the mysterious tenets of biodynamic viticulture from such colourful characters as the tiny, ferocious Lalou Bize-Leroy, part-owner of France's acclaimed *Domaine de la Romanée-Conti*. She pulls on sturdy boots to help with the grape harvest at California's *Bonny Doon Vineyards*—and gets to the root of the anti-establishment philosophy of owner Randall Grahm, notorious for his experimental wine techniques, love for unfashionable grapes, and fondness for naming his wines "Cardinal Zin," "Heart Has its Rieslings," and "Big House Red" (whose grapes are grown just down the road from one of California's state prisons). Natalie takes a job as undercover sommelier at a five-star French restaurant, spends a day helping customers in a high-end New York wine shop, wades into a famous feud between Robert Parker and Jancis Robinson, two of the world's best-known critics and, back home, invites friends over for a casual wine tasting. Along the way she teaches us—painlessly and often hilariously—how to face a telephone directory-sized wine list without fear, what questions to ask to get exactly the wine you are looking, what those scores out of 100 really mean, and how properly to expectorate (it's best to start out in the shower!) This wine-soaked blend of *Kitchen Confidential* and *Sideways* is a fascinating tour from the grape to the glass that will drive readers to drink. And think. And laugh.

When It's All Over...Celebrate My Life In Your Heart. Jun 22 2022 Considered a poor but blessed family, I remember living in a one bedroom house with no bathroom and no running water, in a small town called White Plains in Alabama; later we moved to Valley, Alabama. As a teenager I began lip syncing and participating in a number of skits at the skating rink and disco clubs. After being converted from worldliness to righteousness and transformed by the renewing of my mind, I no longer thought or saw things the same. I realized that writing songs, poems and performing arts were gifts from God. Once I gave the gifts that God had given me back to Him and allowed Him to use me for His glory and not mine, I saw how God began to give me more of His wisdom, knowledge, and understanding of how to minister to His people according to what I'd been through and the words of my testimony. My constant prayer every day is, "if you can use anything Lord, you can use me".

Dinosaur Jr.'s You're Living All Over Me Jul 31 2020 Dinosaur Jr, the stereotypical slackers. Mascis, Barlow, Murph (just Murph): three early-twentysomethings still overburdened by a torpid adolescence and a disastrous dress sense. With battered guitar, bass, and

kit, they carry around a catalogue of songs that betrays identities half-formed at best, schizoid at worst. But listen. 1987, a new album, a snapshot of a moment when a furious musical intensity swung upwards and pushed their lyrics and Mascis's vocal whine far into the margins. Searing riffs, mountainous solos, and the tightest of fills – underpinned by stream-of-consciousness structures and a palette of crazed effects – steal the show. These three build a one-off sound that stirred up the hardening alternative mainstream and drove it to distraction. *You're Living All Over Me*: supposedly Mascis's indictment of what it was like to tour in a van with these other two misfits, but also testimony to the obsession – an itch, a disease – that the band's disengagement from their world had produced. This record cares so little it cares a lot.
