The Missing Father Oct 09 2020 "Mystery, suspense, kidnappings, trauma...fantastic read...my favorite story in this series." Judith T. -"This is not at all what I expected. There's a surprising twist to this powerful tale that is somewhat unsettling. You will definitely find this one hard to put down, and when you do, it will leave you feeling a little disconcerted. It's one that makes an impression that lingers. It's a definite must read in the ongoing O'Connell Clan saga!" Catlou The O'Connell family collides with danger in this shocking new story from New York Times and USA Today bestselling author Lorhainne Eckhart. Eighteen years ago, Luke O'Connell's father was there one day, gone the next. His mother sat him and his siblings down and told them their father was gone, it was just them now, and they wouldn't be seeing him again. But Luke never believed his father could just walk away from a family he'd said he loved. Now, from his role within a secretive military organization, he uses the intelligence he can access to follow leads on his father, but each is a dead end. Luke finds himself endlessly embroiled in deadly missions from secret bases, posing as a civilian for front companies, and tracking national enemies to capture or kill. But now, his questions have brought trouble back with him onto US soil, all the way to his hometown-and ultimately, his quest might put his family in the line of fire.

A GraveYard for Spies: Book 5 in the MIKE4 Series Jan 12 2021 A murder in East Aurora begins another tale of the espionage adventures of the O'Connell family. As retired CIA officer Barbara O'Connell follows the trail of an Irish assassin, her daughter, SOF operator Sue O'Connell (AKA MIKE4), tracks a terrorist smuggling ring in Afghanistan. The two threads of the story end with a final, explosive climax on the Dalmatian Coast of the Adriatic Sea.

O'Connell Street Aug 07 2020 O'Connell Street is at the heart of Dublin. It has been through name changes and revolutions, destruction and rebuilding and remained at the heart of the story of Ireland for centuries. Nicola Pierce explores the people, the history, the buildings and the stories behind the main street in our capital city. Packed with stories of the people connected to the streets, from the subjects of the statues, to the sculptors that created them, from those who owned and developed the street since the days of St Mary's Abbey in 1147, to those who worked and lived there through the centuries and all the drama and scandals that went on both on the street and behind closed doors. O'Connell Street will also feature more personal, anecdotal stories of the cinemas, meeting under Clery's clock, buying engagement rings at The Happy Ring House, witnessing motorcades such as the Apollo XIII coming down the street, the heyday of film stars staying at the Gresham, and scandals and murders on the street.

Being Emily May 28 2022 "Things are never dull for the O'Connell family. Squeezed between her quiet older brother and the mischievous line-dancing twins, Fiona finds her escape in the books of Emily Brontë. But tragedy is not confined to Victorian novels, and life for Fiona is about to change forever. Moving, funny and ultimately heartwarming, Being Emily is a wonderful novel about one young girl trying to find her place in the world amid the turmoil that only your own family can create."

The Iron Dagger Jun 24 2019 Cary Wainwright is just the typical private investigator, solving cases that are laid across his desk when a woman walks in, asking him to clear her brother's name of patricide. The secrets this family has are numerous, and Cary is thrust into a whole new world he didn't even know existed. As the riddles get more and more twisted, the PI's life becomes more and more endangered. When the twists and turns reach their climax, things are going to become a whole lot more interesting. When Maebh O'Connell walked into Cary Wainwright's private investigation office, Cary thought it was just going to be an open and shut case of clearing a young man of patricide. But the deeper he delves into the O'Connell family secrets, he is thrust into a world he never knew existed. As the twists and turns of this riddle of a case become more convoluted, the PI's life becomes more endangered. Someone does not want him to solve the case. As the puzzle reaches its climax, the only direction he can go is into the path of danger.

Eaten Bread: One Gift, One Family, One Hundred Years Aug 19 2021 Based on True Events. For Fans of A Keeper by Graham Norton and Brooklyn by Colm Toibin 1946 A stranger in the uniform of the US army comes to a farmhouse in rural Ireland. He tells them his name is Rivers and he is of the Choctaw tribe of Native Americans. He seems to know the house, knows the symbols carved into the old wooden mantelpiece a hundred years before. Symbols that the owners of Abbeyfield farm can't explain. The O'Connell family have their own problems. Summer storms have lashed the crops and the harvest is in jeopardy. Rosie O'Connell is drawn to the stranger, but she has her own secrets to keep. Why has Rivers come? Why now? Is he here to help the O'Connell family or has he come to take back what should not have been given?

The O'Connell Family Christmas Nov 02 2022 As Christmas approaches, the O'Connell family's loyalty is tested once again. Owen O'Connell wants only one thing: to put a ring on the finger of his long-time girlfriend, Tessa Brooks. But when her past fears become an obstacle between them, Owen may not get the new beginning and the happily ever after he truly wants. Meanwhile, Suzanne O'Connell finds herself in a year-long slump, being the live-in girlfriend of Deputy Harold Waters. Jobless and searching for something to give her life meaning, she finds herself on the wrong side of the law when she stands up for the rights of a stranger who is targeted by the community. Suzanne, who is known for her stubbornness and her obstinate sense of right and wrong, ends up taking on a woman no one else will, and in doing so, she tests her relationship not only with Harold but with every one of the O'Connells. As the O'Connells work together to keep their sister out of jail, can big brother Owen, who has been a father figure to all his siblings, achieve the future he dreams of with the only woman he's ever truly loved?

Celtic Circle Forever Jan 30 2020 Antagonistic members of an American/Irish blended family seek pathways to reconciliation following tragedy. After the tragic death of favorite son Michael O'Connell, his young widow Kiri dedicates her life to fulfilling the pledges she made to him as he lay dying in the Syrian desert--to nurture their neighborhood in Dublin; to provide safety, love and joy for his nieces and nephews; to fold friends into their family; and to bear and raise his children as the two of them dreamed they would do together. Irish Catholic patriarch Thomas opposes his daughter-in-law's controversial actions until he realizes that any boy child she may produce will be his only grandson to carry on the O'Connell family name. The births of cerebral MT and firecracker Katie fill his life with new joy but not enough time left to revel in it. Desperate to assure his legacy but faced with his mortality, Thomas surprises the O'Connell family with his plans for their futures.

Kiri struggles against the yoke that Thomas places on her and clings to the fairy whispers and Blackbird feathers that she believes Michael sends her way. Her mother Paula, best friend Henry Callaghan, shirttail cousin Bitsy the harpist, Clayton Moriarty's granny and New Zealand sheep baron Jack MacKenzie unveil pieces of the puzzle that lead Kiri to discover the secrets held within the Celtic Circle and the answer to the question that haunts her for six decades--Does one's vow of unconditional commitment last forever?

The O'Connells Books 16 - 18 May 04 2020 A pulse-pounding collection of three O'Connell Favorites "Deeply emotion & stirring." Catlou "A story telling the whole ugly and corrupt goings on within the justice system." C. Logue, Reviewer Broken Promises: What do you do when a woman shows up on your doorstep, suddenly wanting her daughter back? The Gatekeeper: Seven years ago, she lost her husband. Three years ago, her daughter was taken from her. Today, she's taking back her life. 'My Darling Danny' Jun 28 2022 Dazzled by the personality and achievements of Daniel O'Connell ('The Liberator'), historians and biographers have paid little attention to the life and thought of his wife and children. As this collection of over fifty unpublished letters reveals, Mary O'Connell was a lively and intelligent observer of politics, as well as an affectionate but directive mother. In 1830, the year in which his father became the first Catholic in the House of Commons since the Reformation, fourteen-year-old Daniel jun. became a boarder in the Jesuit college at Clongowes Wood, Co. Kildare. Mary's letters provide a fascinating chronicle of the Repeal movement from the inside. They also illustrate the precepts of motherhood characteristic of educated middle-class Catholics, and indeed Protestants, of the early nineteenth century.

Family Time #1 Sep 19 2021 The O'Connell family (Lily - age 13; Tyler - age 11; and their parents) are vacationing in Ireland when they encounter an old man with a mysterious crystal that seemingly teleports them 1,000 years back in time. Unsure whether they have stumbled into a historical re-enactment, the family must befriend Rory, a timid local, battle a medieval tyrant named Ciaran and his henchmen, and figure out how to get back to the present, while Lily learns to use her newfound superpowers. From the writer/creator of Seven Sons, Robert Windom, and his eleven-year-old daughter, Lily, comes a fun, fantasy adventure. Featuring covers by Jae Lee, as well as Art Direction and cover art by Sanford Greene (Bitter Root)--both Eisner-Award winning artists--and anime-inspired interior art by new talent and Greene-protege Asiah Fulmore (DC's Amethyst: Princess of Gemworld).

A History of Women in Ireland, 1500-1800 Jun 16 2021 The first general survey of the history of women in early modern Ireland. Based on an impressive range of source material, it presents the results of original research into women's lives and experiences in Ireland from 1500 to 1800. This was a time of considerable change in Ireland as English colonisation, religious reform and urbanisation transformed society on the island. Gaelic society based on dynastic lordships and Brehon Law gave way to an anglicised and centralised form of government and an English legal system.

The Clarke Gang: Outlawed, Outcast and Forgotten Jun 04 2020 Who were the Clarke Gang? Ten years or more before Ned Kelly became famous the Clarke brothers and their associates were terrorising an area stretching from present day Canberra to the coast from 1865 to 1867. They intimidated, assaulted, robbed and murdered police and civilians alike. They had no hesitation in killing any member of the gang suspected of being untrustworthy. They were able to escape what was then the rather short arm of the law by the vast network of relations and "harbourers". The author details their exploits and the terror they aroused in the population. His asks why The Clarke Gang are hardly known whereas Ned Kelly is regarded as an icon. His

conclusion is interesting.

The O'Connells Books 7 - 9 Dec 11 2020 *The O'Connells of Livingston, Montana, are not your typical family. Follow them on their journey to the dark and dangerous side of love in a series of romantic thrillers you won't want to miss. Raised by a single mother after their father's mysterious disappearance eighteen years ago, the six grown siblings live in a small town with all kinds of hidden secrets, lies, and deception. This boxed set collection in The O'Connells series includes The Hometown Hero, Justice & The Family Secret*
The Hometown Hero - Book 7 *In this shocking O'Connell family novel, a brother's secret is exposed, opening up old wounds and creating a scandal that could rock the community.*
Justice - Book 8 *What will happen when the secret Marcus has been holding on to begins to unravel, and someone uses it as leverage?*
The Family Secret - Book 9 *Raymond O'Connell was the love of Iris's life—from the day she met him, to the day a year later when she married him, to the tragic night before she never saw him again.*

The Return of the O'Connells Apr 26 2022 *Will life ever return to normal? That's the question everyone in the O'Connell family has asked since their lives were turned upside down by a murder charge. With their father now back from the dead, the O'Connells are coming to grips with the idea that justice isn't equal. But despite the pending arrival of a new grandchild, and the fact that the family is settling into a new identity, trouble seems to always be one step away. This time, it could come from within, as a shadowy new enemy has found its way into the close-knit family and could ultimately destroy the bond the siblings share, forcing them to finally cut their losses and walk away from one another.*

The Fallen O'Connell Mar 02 2020 *NY Times & USA Today bestselling author Lorhainne Eckhart brings you The Fallen O'Connell, "Now over eighteen years later, the truth about Raymond O'Connell has been revealed, and it has come at a cost. That cost is measured by the loss of life, the loss of innocence and the loss of what could have been." Thirty-five years ago, Raymond O'Connell didn't exist, at least not until the moment Iris walked into his life. His very existence had been a secret, a carefully cultivated lie, except for the fact that he loved Iris and the six children he'd never planned on having. He'd become careless, living a life that belonged to someone else. Becoming Raymond O'Connell had made him forget who he really was, and when he fell in love with a fantasy he knew he couldn't have, he put his family in danger. Ultimately, he found himself covering up a murder to protect the woman he loved, and that act forced him to walk away and return to the shadows of a secret life that he couldn't find his way out of. When he returns to Livingston with a son in tow, what he doesn't expect is to be dragged from the shadows to protect a family that suddenly has a target on their backs. Soon, Raymond finds himself becoming part of a bigger, deadlier plot—one that could leave someone in his family, someone he's sworn to stay away from, dead. The choice he'll have to make to protect the O'Connells could come at a heartbreaking cost. Can Raymond choose between the son he has now and the family he walked away from?*
