**Pandemics** Dec 15 2020  
Though the word "pandemic" often conjures up an immediate vision of an appalling, acutely lethal and visually terrifying disease, in actuality, these really aren't the infections that we have to worry about when it comes to rapid, global spread. In *Pandemics: What Everyone Needs to Know*, Peter Doherty demystifies the Hollywood version of global infections and considers instead what pandemics really are, what situations encourage their spread, and which pathogens pose the greatest threat today. He also explains the various responses available to combat outbreaks and mitigate their effects, from the use of vaccines and drugs to quarantine.

provide information covering  
general repair for 2F Gasoline  
engine as fitted to the TOYOTA  
LAND CRUISER. Per Toyota  
Motor Sales Co., LTD. The  
Toyota 2F engine was one of  
the "F" series of OHV inline-6  
cylinder engines produced by  
Toyota between 1955-1992. "F"  
Series engines are known for  
their high amount of torque at  
low RPM, massive cast iron  
blocks and heads and also their  
high reliability. The 2F Engine  
had one of the longest  
production runs of any Toyota  
engine. The "F" Series engines  
all incorporate overhead valves  
actuated by pushrods from a  
gear driven camshaft in the  
lower portion of the engine.  
The engine was first introduced  
in the Toyota FJ40 Land  
Cruiser, and in many countries,  
was the only gasoline engine  
offered in the Landcruiser until  
1993. Although it's commonly  
badged as the Land Cruiser  
engine, it was used in a variety  
of other large truck  
applications as well, such as in  
fire trucks and the Toyota  
FQ15 trucks. It was also used  
in the Crown based Japanese  
Police Patrol Cars FH26 and  
FS20-FS50.

**Kitabu** May 08 2020 Kitabu:  
The Drum Still Cries is not only

the story of a young missionary  
living in a remote area with an  
indigenous group of people, but  
also a story of the struggle and  
the victory, as the missionary  
learns to share the Gospel in  
culturally appropriate ways, so  
that the men of the African  
tribe can pass on the truths of  
the Gospel, and transform their  
own lives. This unique story is  
told by an imaginary  
troubadour, who observes the  
youthful missionary, who seeks  
to find redemptive analogies  
and culturally appropriate ways  
to present the Gospel to a  
civilization far removed from  
his own educational  
background. The African men  
must take up the challenge of  
reaching their own people for  
Christ. Kitabu: The Drum Still  
Cries will make you laugh and  
cry, as you walk through the  
foothills of the mountains, with  
the men who face challenges of  
planting a truly original church  
among their own people, for  
themselves, and for God.

**Eagle's Claw Lake** Jul 30 2019  
Doctor Reid Tucker's intention to spend the summer at a remote cabin at Eagle's Claw Lake in northeast Washington State with only his dog, Cinders, never eventuates. On the trip there, pilot Kate Meltz flies the amphibian to a commune at the other end of the lake. While waiting on board, Reid pulls a desperate and distressed teenage girl, Lorie Somerville, from the water. This begins a frightening chain of events as fanatical commune leader, Peter Littlejohn, tries to find Lorie and prevent her from leaving. Though Littlejohn doesn't find Lorie on the aircraft, he sabotages it so the trio are left stranded at Reid's cabin. It soon becomes obvious that the place is more than just a remote religious commune. The girl is terrified of being caught and begs Reid to look for Jennifer and Sassy, two of her friends who have also escaped. But why has Erika Somerville, Lorie's elder sister, returned to Eagle's Claw Lake and found savagely beaten in the commune's cabin cruiser?

Be vigilant when driving through Africa: camels are careless when crossing the road, and women carrying waterpots are little more watchful. So warn the authors of this fifth edition of Africa Overland. They also give updated information on each country's political and security situation (Angola, Sierra Leone and Liberia are on the up; since this guide's last edition, security in Western Sudan and Eastern Chad has turned sour); provide an expanded Route Outlines section including information on border crossings; and offer revised recommendations on vehicles including practical coverage on buying a vehicle, maintenance and driving. This is the ultimate roadies' guide to traversing the wilderness of Africa. An indispensable guide to negotiating the uncharted perils of Africa's vast plains.' Daily Express (UK)

**Torn Trousers: A True Story of Courage and Adventure: How A Couple Sacrificed Everything To Escape to Paradise** Sep 23 2021 What could possibly go wrong in paradise? Tired of mortgage payments, thirty-something Andrew and Gwynn sold nearly everything they owned but their Siamese cat and escaped their humdrum nine-to-five existence for life in paradise—a tiny island in one of the remotest spots on Earth: the Okavango Delta in Botswana. Woefully inexperienced, they took control of a luxury game lodge that catered to the likes of French aristocrats, Hollywood directors, Mafia lawyers, and the captain of the

England cricket team. Not forgetting the hippos who liked to crash cocktail hour. Trouble soon followed as the reality of running a hotel on an island accessible only by boat or plane burst upon them. Andrew and Gwynn learned it's one thing for guests to wake up with gentle giraffes outside their windows, but it's quite another to keep them safe from poisonous snakes, temperamental elephants, and

a hyena with a taste for plastic. All that was child's play compared to figuring out how to feed their guests when a 'quick run' to the grocery store required a plane, a bush pilot, and moderate risk to life, limb, and property. By turns funny, touching, and suspenseful, Torn Trousers is a real modern fairytale about getting exactly what you wished for...and then having to live with it. Scroll up
