six million social media fans can't be wrong: *Miranda Sings* is one of the funniest faces on YouTube. As a bumbling, ironically talentless, self-absorbed personality (a young Gilda Radner, if you will), she offers up a vlog of helpful advice every week on her widely popular YouTube channel. For the first time ever, Miranda is putting her advice to paper in this easy-to-follow guide, illustrated by Miranda herself. In it, you'll find instructions on everything: how to get a boyfriend (wear all black and carry a fishing net), to dressing for a date (sequins and an orange tutu), to performing magic ("Magic is Lying"), and much, much more! Miranda-isms abound in these self-declared lifesaving pages, and if you don't like it...well, as Miranda would say... "Haters, back off!"

I Am Ozzy Dec 22 2021 The final word in sex, drugs, and rock-and-roll, heavy metal legend Ozzy Osbourne shares his unbelievable story for the first time in this tell-all memoir. "They've said some crazy things about me over the years. I mean, okay: 'He bit the head off a bat.' Yes. 'He bit the head off a dove.' Yes. But then you hear things like, 'Ozzy went to the show last night, but he wouldn't perform until he'd killed fifteen puppies . . .' Now me, kill fifteen puppies? I love puppies. I've got eighteen of the f**king things at home. I've killed a few cows in my time, mind you. And the chickens. I shot the chickens in my house that night. It haunts me, all this crazy stuff. Every day of my life has been an event. I took lethal combinations of booze and drugs for thirty f**king years. I survived a direct hit by a plane, suicidal overdoses, STDs. I've been accused of attempted murder. Then I almost died while riding over a bump on a quad bike at f**king two miles per hour. People ask me how come I'm still alive, and I don't know what to say. When I was growing up, if you'd have put me up against a wall with the other kids from my street and asked me which one of us was gonna make it to the age of sixty, which one of us would end up with five kids and four grandkids and houses in Buckinghamshire and Beverly Hills, I wouldn't have put money on me, no f**king way. But here I am: ready to tell my story, in my own words, for the first time. A lot of it ain't gonna be pretty. I've done some bad things in my time. I've always been drawn to the dark side, me. But I ain't the devil. I'm just John Osbourne: a working-class kid from Aston, who quit his job in the factory and went looking for a good time."

The Only Pirate at the Party Aug 06 2020 Dancing electronic violinist Lindsey Stirling shares her unconventional journey in an inspiring New York Times bestselling memoir filled with the energy, persistence, and humor that have helped her successfully pursue a passion outside the box. A classically trained musician gone rogue, Lindsey Stirling is the epitome of independent, millennial-defined success: after being voted off the set of America's Got Talent, she went on to amass more than ten million social media fans, record two full-length albums, release multiple hits with billions of YouTube views, and to tour sold-out venues across the world. Lindsey is not afraid to be herself. In fact, it's her confidence and individuality that have propelled her into the spotlight. But the road hasn't been easy. After being rejected by talent scouts, music reps, and eventually on national television, Lindsey forged her own path, step by step. Detailing every trial and triumph she has experienced until now, Lindsey shares stories of her humble yet charmed childhood, humorous adolescence, life as a struggling musician, personal struggles with anorexia, and finally, success as a world-class entertainer. Dirty Daddy Mar 13 2021 Millions of viewers know and love Bob Saget from his role as the sweetly neurotic father on the smash hit Full House, and as the charming wisecracking host of America's Funniest Home Videos.

*And then there are the legions of fans who can't get enough of his scatological, out-of-his-mind stand-up routines, comedy specials, and outrageously profane performances in such shows as HBO's *Entourage* and the hit documentary *The Aristocrats*. In his bold and wildly entertaining publishing debut, he continues to embrace his dark side and gives readers the book they have long been waiting for—hilarious and often dirty. Bob believes there's a time and a place for filth. From his never-before-heard stories of what really went on behind the scenes of two of the most successful family shows of all times, with co-stars like John Stamos and Mary-Kate and Ashley Olsen, to his tales of legendary friends and colleagues like Rodney Dangerfield, Richard Pryor, Don Rickles, and other show business legends, Saget opens up about some of his personal experiences with life and death, his career, and his reputation for sick humor—all with his highly original blend of silliness, vulgarity, humor and heart, and all framed by a man who loves being funny above all else.*

*Trust Me, I'm Dr Ozzy Jan 23 2022 Let's face it: your GP has never swallowed a bumble bee at 70mph; been declared clinically dead (twice); presided over *The Most Dysfunctional Family in Western Civilisation*; endured weeks of rabies injections (thanks to a misunderstanding with a bat); received a mistaken diagnosis of Parkinson's Disease; broken his neck in a quad bike accident; survived a (near) direct hit by a plane; or personally tested every drug known to modern science. Ozzy Osbourne has. So why not join the growing ranks of patients who come to the Prince of Darkness for advice on everything from the pitfalls of sleeping with your mothers' younger boyfriend, to men who burst inexplicably into tears during urination? Actually . . .there are lots of very good reasons not to do this. Please don't let them stop you. Based on his runaway hit columns in the *Sunday Times* and *Rolling Stone*, *Trust Me, I'm Dr Ozzy* is outrageously hilarious, oddly informative, and the most entertaining consultation you'll ever have.*

*Girl from the North Country Oct 08 2020 "The idea is inspired and the treatment piercingly beautiful . . . Two formidable artists have shown respect for the integrity of each other's work here and the result is magnificent." —Independent "Bob Dylan's back catalogue is used to glorious effect in Conor McPherson's astonishing cross-section of hope and stoic suffering . . . It is the constant dialogue between the drama and the songs that makes this show exceptional." —Guardian "Beguiling and soulful and quietly, exquisitely, heartbreaking. A very special piece of theatre." —Evening Standard "A populous, otherworldly play that combines the hard grit of the Great Depression with something numinous and mysterious." —Telegraph Duluth, Minnesota. 1934. A community living on a knife-edge. Lost and lonely people huddle together in the local guesthouse. The owner, Nick, owes more money than he can ever repay, his wife Elizabeth is losing her mind, and their daughter Marianne is carrying a child no one will account for. So when a preacher selling bibles and a boxer looking for a comeback turn up in the middle of the night, things spiral beyond the point of no return . . . It premiered at the Old Vic, London, in July 2017, in a production directed by the author. Conor McPherson is an award-winning Irish playwright. *Fangasm Mar 25 2022 Once upon a time not long ago, two responsible college professors, Lynn the psychologist and Kathy the literary scholar, fell in love with the television show *Supernatural* and turned their oh-so-practical lives upside down. Plunging headlong into the hidden realms of fandom, they scoured the Internet for pictures of stars Jensen Ackles and Jared Padalecki and secretly penned racy fan fiction. And then they hit the road—crisscrossing the country, racking up frequent flyer miles with alarming ease, standing in convention lines at 4 A.M. They had white-knuckled encounters with overly zealous security guards one year and smiling invitations to the *Supernatural* set the next. Actors stripping in their trailers, fangirls sneaking onto film sets; drunken confessions, squeals of joy, tears of despair; wallets emptied and responsibilities left behind; intrigue and ecstasy and crushing disappointment—it's all here. And yet even as they reveled in their fandom, the authors were asking themselves whether it's okay to be a fan, especially for grown women with careers and kids.*

*"Crazystalkerchicks"—that's what they heard from *Supernatural* crew members, security guards, airport*

immigration officials, even sometimes their fellow fans. But what Kathy and Lynn found was that most fans were very much like themselves: smart, capable women looking for something of their own that engages their brains and their libidos. Fangasm pulls back the curtain on the secret worlds of fans and famous alike, revealing Supernatural behind the scenes and discovering just how much the cast and crew know about what the fans are up to. Anyone who's been tempted to throw off the constraints of respectability and indulge a secret passion—or hit the road with a best friend—will want to come along.
