**The Power of Now** Sep 01 2020 To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question

and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

**Drumfax 3** Dec 04 2020 Drumfax 3 - the last part of the Drumfax series of books that chronicles the era of the Drum Machine being used in the modern music industry. Drumfax 3 provides information on drum computers, Grooveboxes and drum programming enhancement devices released between 1990-2018. The 1990s saw a noticeable decline in drum machines, as keyboard workstations and samplers negated the need for stand-alone drum machines, and the drum machine market was aimed more as a play along device for guitarists. By 2000,

the high online auction values of the classic 80s units had seen the emergence of several new companies like Acidlab and Jomox offering clones of vintage units like the Roland TR-606/808/909. This would eventually prompt Roland to release a sonically compatible re-design of their original drum boxes for the modern age. Drumfax 3 contains information on over 80 drum machines (from Acidlab to Zoom) packed into 170 information-packed black and white pages.

*That's So '90s!* Sep 25 2022 This tongue-in-cheek book is a pop culture time capsule, celebrating and reliving the 1990s in all its tacky glory. A flashback to the iconic pop cultural moments of the decade--this is history at its most irreverent and engaging. Any '90s kid will find themselves reminiscing over Nickelodeon classics, the Spice Girls, Furbies, Robin Williams in Flubber, Pokémon cards, Titanic's haunting tin whistle soundtrack, Jelly shoes, and Leonardo DiCaprio's floppiest hairdo on record. Any millennial will tell you that the 1990s was the best decade to grow up in, even though many were still in diapers by the turn of the century. So much of '90s culture dictates ours today.

Without Friends or Seinfeld, would our world still turn? If Nirvana hadn't made it big could grunge have ever reached the masses? Can anyone even pass a driving test without training in Mario Kart?? For the staying power of '90s pop culture, we have the Internet to thank. Kids of the '90s found themselves on the forefront of an online revolution, being the first to discover the distracting capabilities of the Internet. So, it's little surprise that meme culture is heavily steeped in references of the '90s. It's precisely these pop fanatics who will totally delight in this hell-a-illustrated throwback.

**The Global Economy in the 90s** Mar 19 2022 "Bill Orr has produced a handy compendium of statistics, with cogent explanations, on the world economy in the 1990s. National incomes, output, trade, asset markets, debt, foreign aid and population are presented by nation, region and level of development. As a tool, it belongs in the office, study, or newsroom next to the dictionary, and the atlas."  
—Charles P. Kindleberger, Professor of Economics, Emeritus Massachusetts Institute of Technology

The Global Economy in the 90s provides a broad statistical guide for all of us in an era of increasing international interdependence: a much-needed contribution. —Alfred J. Malabre, Jr., author of Within Our Means

"Talk about timely! Like a light in the dark swamp of geo- political-governmental charts, graphs, and tables. [Orr] is there standing over your shoulder, showing you how he interprets each and every graph, and before you know it, you've got your calculator out, and you start to see things that you never saw before. It's addictive. No boring textbook, this book is a masterfully navigated experience through a very confusing jungle. Orr has taken the statistics from dozens of sources and recast them into graphs that are so easy to read. Try it yourself, open the book anywhere. This is a real gem." &#Richard Barnaby, C.P.A., C.D.P. President, Business Support Services, Inc. Software for the Petroleum Trading Industry

The Global Economy in the 1990s presents, in one comprehensive volume, essential facts and analyses of all aspects of an increasingly integrated global economy.
