Brown Silk Aug 19 2021
Seventeen year old, Tianna
Harper, never expected to
leave Georgia. But after her
mother lands a new job
overseas, she is forced to leave
her small rural town and move
up North with her crazy, no-
holds-barred, aunt in Brooklyn.
Fast paced. Full of life. New
York is nothing like back home.
And with the help of her
cousin, Lavina, Tianna learns to
adjust to the new way of life in
the busy city. However,
everything as she knows it
changes, when she meets
Damien, a smooth talking, baby
faced brother from around the
way, who manages to turn her
life completely upside down. A
coming of age story,
compellingly painted with the
rich essence of 1970's through

early 90's New York, Brown
Silk shares the gripping tale of
a young girl's journey to
womanhood, as she discovers
the poignant beauty of love,
pain, and self-acceptance.
Bdsm May 28 2022 A different,
and important, take on the
common "How to train your
Submissive" BDSM books. Are
you an unsatisfied Submissive?
Do you want more out of your
BDSM relationship? Is your
Dominant misbehaving? Do you
want to enter into the realm of
sexual Submission and do you
want to know how to get the
most out of it? You've come to
the right place!BDSM is a
common occurrence that is
practiced by millions of people
under different parameters.
Many people are first
introduced to the concept of
BDSM, kinks and fetishes
through films, television or
social media. This often leads
people to having a skewed
understanding of the lifestyle,
BDSM community and BDSM
practices. Many people believe
that BDSM is in some way
perverted or outside the realms
of 'normal' adult sexual
activity. This is not the case
however as BDSM can take
many different forms. The
media often portrays BDSM
practitioners as untrustworthy
and abusive - this could not be
further from the truth. The
media portrayal of BDSM often
leads people to feel ashamed
which leads them to not pursue
their BDSM desires. It is
perfectly normal and healthy to
want to be a Dominant or a
Submissive within a BDSM
relationship. It is commonly
believed that the relationship
between a Submissive and

their Dominant has elements of
nonconsensual action and that
the Submissive will be,
constantly or occasionally,
forced to act out sexual
scenarios and sexually behave
in ways they do not desire. It is
commonly believed that the
Submissive has no power in the
relationship and no say on how
they are treated. This false idea
will be challenged, explained
and explored within this book.
Within this book you will find a
brief overview of what BDSM
actually is and how you can
apply it into your relationships.
This book also aims to shine a
light on many of the common
misconceptions held about
BDSM, Submissives and
Dominants. "BDSM: How To
Train Your Dominant: A
Submissive's Guide To Training
Their Dom Without Ruining
The Power Dynamic Of Their
BDSM Relationship," by
Maxwell Diamond is an
essential gift for any
Submissive wanting to take
their BDSM relationship to the
next level. This book can also
give a Dominant a good
understanding of a Submissive.
This book includes sections on:
- Consent - Pain vs. Pleasure -
Submission -Domination - Who
holds the Power in a BDSM
relationship - Guidelines on
keeping a BDSM relationship
productive, safe and satisfying -
Much more A perfect
Christmas present for anyone
into BDSM, naughty sex, kinks,
fetishes and Submission.

Odes Mar 14 2021

'Interspersed with acts of breathtaking linguistic daring.' Charlotte Mendelson, Observer Book of the Year Opening with a powerful and tender 'Ode to the Hymen', Sharon Olds uses this age-old poetic form to address many aspects of herself, in a collection that is centred around the female body and female pleasures, and touches along the way on parts of her own story which will be familiar from earlier works, each episode and memory now burnished by the wisdom and grace of looking back. In such poems as 'Ode to My Sister', 'Ode of Broken Loyalty', 'Ode to My Whiteness', 'Blow Job Ode', 'Ode to the Last 38 Trees in New York City Visible from This Window', Olds treats us to an intimate self-examination that, like all her work, is universal and by turns searing

and charming in its honesty. From the early bodily joys and sorrows of her girlhood to the recent deaths of those dearest to her - the 'Sheffield Mountain Ode' for Galway Kinnell is one of the most stunning pieces here - Olds shapes her world in language that is startlingly fresh, profound in its conclusions, and life-giving for the reader.
