***Hard Target Sep 22 2021 The first book in the Chris Ryan Extreme series. Former SAS Warrant Officer Joe Gardner has fought the Regiment's deadliest enemies, in some of the most desolate places on earth. And he's always won. Now he's about to face his toughest challenge yet. After losing his hand whilst on a covert operation in Afghanistan, Gardner is forced to stand down from active duty. Now he lives off the grid. But trouble finds him in the shape of a phone call from an old friend. Ex-Regiment legend John Bald is trapped in a bullet-ridden favela in Rio de Janeiro and a violent gang is out to kill him. Unless Gardner helps, Bald is a dead man. What begins as a simple rescue mission soon descends into a desperate struggle for survival as Gardner finds himself caught up in a conceit that stretches from the slums of Brazil to the frozen steppes of Siberia. Stalked by elusive MI6 agents and ruthless ex-Blades, Gardner must draw on all his training and instincts to hunt down the hardest target of all - before disaster strikes... The Chris Ryan Extreme books take you even further into the heart of the mission with more extreme action, more extreme language and more extreme pace. Like Call of Duty***

**Civilized to Death Oct 12 2020 The New York Times bestselling coauthor of Sex at Dawn explores the ways in which “progress” has perverted the way we live—how we eat, learn, feel, mate, parent, communicate, work, and die—in this “engaging, extensively documented, well-organized, and thought-provoking” (Booklist) book. Most of us have instinctive evidence the world is ending—balmy December days, face-to-face conversation replaced with heads-to-screens zomboidism, a world at constant war, a political system in disarray. We hear some myths and lies so frequently that they feel like truths: Civilization is humankind’s greatest accomplishment. Progress is undeniable. Count your blessings. You’re lucky to be alive here and now. Well, maybe we are and maybe we aren’t. Civilized to Death counters the idea that progress is inherently good, arguing that the “progress” defining our age is analogous to an advancing disease. Prehistoric life, of course, was not without serious dangers and disadvantages. Many babies died in infancy. A broken bone, infected wound, snakebite, or difficult pregnancy could be life-threatening. But ultimately, Christopher Ryan questions, were these pre-civilized dangers more murderous than modern scourges, such as car accidents, cancers, cardiovascular disease, and a technologically prolonged dying process? Civilized to Death “will make you see our so-called progress in a whole new light” (Book Riot) and adds to the timely conversation that “the way we have been living is no longer sustainable, at least as long as we want to the earth to outlive us” (Psychology Today). Ryan makes the claim that we should start looking backwards to find our way into a better future.**

**Greed Sep 03 2022 Five Men. One Robbery. A deadly game of greed, revenge and betrayal is about to begin. Fresh out of the SAS, Matt Browning is down on his luck. He owes -500,000. If he doesn't get the money soon, he dies. From nowhere, he is offered a lifeline. A hit on al-Qaeda, sanctioned and helped by MI5. Matt gathers a small team of former SAS men to steal \$10 million in gold and diamonds from the world's most deadly terrorist organisation. MI5 will give them all the equipment and information they need. No charges will ever be pressed.**

**Matt thinks it's the perfect crime. Safe, quick, and patriotic. But after the money is stolen, the killing starts. Someone is taking down the members of the team one by one. A silent, expert assassin is stalking the team, gruesomely murdering both them and their families. And Matt knows that he's next. Greed is an explosive story of what happens when terrorism, money, love and jealousy combust. Praise for Greed: '...lean prose delivers all the action with the usual trenchant force...The plot moves like the proverbial express train' The Good Books Guide Praise for Chris Ryan: 'chock full of military fat to chew on... will keep you awak till dawn' FHM 'Hard as nails' Mirror**

**Zero 22 Oct 31 2019 'Having been shot at definitely helps you write great thrillers... I've been a huge fan of Chris Ryan since I read The One That Got Away - he just gets better and better' - STEPHEN LEATHER 'An intelligent and enthralling read' - FINANCIAL TIMES The SAS is operating covertly in the wartorn badlands of northern Syria. They know it will be gritty, bloody and dangerous. But when Regiment legend Danny Black's unit, codenamed Zero 22, is tasked with a more routine operation, they don't expect it to end the way it does: in compromise and massacre, orchestrated by the shadowy Wagner Group, a paramilitary organisation in thrall to the Russian president. Back in the UK, Danny learns that his unit was betrayed by a mole feeding high-level military intelligence to the Russians. Like any SAS man worthy of the name, his first thought is to avenge the men who lost their lives on the Zero 22 op. He has no hesitation in accepting the mission to assassinate the man responsible for the death of his mates. But the headshed have more complicated plans and Danny finds himself operating with a face from his past whom he never thought he would see again. Together they embark on a high-risk, deniable mission that will require all Danny's Regiment skills if they are to have any hope of success. As the mission unfolds, however, Danny learns that darker forces are at play. And when everything he thinks he knows gets turned on its head, he realises that what started out as an act of revenge is just a single play in a conspiracy that will take him across the continents and pit him not only against the highly trained militants of the Wagner Group, but against the Kremlin, the White House and the insidious machinations of the most powerful men in the world.**

**Firefight Jan 15 2021 Suspense fiction. Former SAS Captain Will Jackson is a man with nothing to lose. A veteran of the most dangerous missions the Regiment could throw at him, his life was torn apart the day a terrorist attack killed his family. Now he leads a life of grief-stricken obscurity, the world of warfare nothing but a distant memory. People higher up the chain of command have other plans, however. They're in a mess of their own making, and unless they sort it out, thousands of innocent people will pay the price. And so they make Jackson an offer he can't refuse. An offer that will take him straight back into a brutal theatre of war. Only one person can help prevent the disaster that is waiting to happen, and that person is being held by the Taliban insurgency in the**

**depths of a harsh Afghanistan winter. As Will reluctantly prepares to undertake this final mission, he does so in the knowledge that it will stop a devastating terrorist attack - as well as achieve an ulterior motive of his own. Both men believe they can save her. But only one of them can reach her. Their paths last crossed seventeen years earlier. Now, they are about to face each other again. And the strike back is about to begin.**

**Sex at Dawn May 07 2020 Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science — as well as religious and cultural institutions — has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. In this groundbreaking book, however, Christopher Ryan and Cacilda Jethá argue that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. With intelligence and humour, Ryan and Jethá explain how our promiscuous past haunts our contemporary struggles. They explore why many people find long-term fidelity so difficult; why sexual passion tends to fade even as love deepens; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. Shocking, enlightening, and ultimately inspiring, Sex at Dawn offers a revolutionary understanding of why we live and love as we do.**

**The One that Got Away Oct 04 2022 The British Army's SAS--the Special**

***Air Service--is recognized as one of the world's premier special operations units. During the Gulf War, deep behind Iraqi lines, an SAS team was compromised. A fierce firefight ensued, and the eight men were forced to run for their lives. Only one, Chris Ryan, escaped capture--by walking nearly 180 miles through the desert for a week. The One That Got Away is his breathtaking story of extraordinary courage under fire, of narrow escapes, of highly trained soldiers struggling against the most adverse of conditions, and, above all, of one man's courageous refusal to lie down and die.***
