[https://www.otakada.org/secret-of-hearing-listening-and-journaling/ ...](https://www.otakada.org/secret-of-hearing-listening-and-journaling/) Enjoy and take action where necessary. Imagine what you could do if you knew the future! No doubt each of you has plans for the future, plans for what you will do when you get on the outside. What does the future hold? We go to considerable lengths to find out what the future holds. For instance, we pay people to be meteorologists, so that we can know what the weather will be like in the future. They have limited success - they might get tomorrow's weather right but things get very inaccurate past 2 or 3 days. What they do is look at the past conditions, track the trend and extrapolate it into the future. But it only works if things continue on as they are doing - no one predicted an earthquake was going to hit. It was a one off, an unexpected event. Things don't always continue on the way they always have. Sudden, unexpected, out of the ordinary things take place. It is a fallacy to think that the past is the key to the future. The Bible speaks of those who mock the predictions of the Bible of a coming day of judgement: [2 Peter 3:3-4 First of all, you must understand that in these last days some people will appear whose lives are controlled by their own lusts. They will mock you and will ask, "He promised to come, didn't He? Where is He? Our ancestors have already died, but everything is still the same as it was since the creation of the world!"] Everything carries on the same as it always does - but this is not case. It is impossible to plan unless you know the future. The one who knows the future is at a distinct advantage - in the past rulers and leaders spent considerable resources trying to gain the advantage of knowing the future - they employed astrologers, men who could read omens, examine livers etc. Even today you find the government spends considerable sums getting people to provide fiscal and economic forecasts - they want to know the future. But predicting the future is an inexact science - no one knows! Well not quite. God claims to know the future! [Isaiah 46:9-10 Remember what happened long ago; acknowledge that I alone am God and that there is no one else like Me. From the beginning, I predicted the outcome; long ago I foretold what would happen. I said that my plans would never fail, that I would do everything I intended to do.] Isaiah 45:21 Who predicted long ago what would happen? Was it not I, the Lord, the God who saves his people? There is no other god.] In fact, the Bible has 100% accuracy record in its predictions of the

future. That is pretty impressive! It predicted that the Messiah would come, and minute details of Jesus' life were written about hundreds of years before hand - they were fulfilled exactly. [Joshua 21:45 Not one of the good promises which the Lord had made to the house of Israel failed; all came to pass.] Everything God promised would happen, took place. [Joshua 23:14 "Now behold, today I am going the way of all the earth, and you know in all your hearts and in all your souls that not one word of all the good words which the Lord your God spoke concerning you has failed; all have been fulfilled for you, not one of them has failed.] What does the Bible say about the future? Not only did it predict the coming of Jesus, it speaks far more frequently about His coming again, His return. One of the big things we know for certain about the future that Jesus is coming again! [John 14:3 And if I go and prepare a place for you, I will come again and receive you to myself, so that where I am, you may be also.] The Bible describes Jesus going back to heaven: [Acts 1:9-11 After saying this, He was taken up to heaven as they watched Him, and a cloud hid Him from their sight. They still had their eyes fixed on the sky as He went away, when two men dressed in white suddenly stood beside them and said, "Galileans, why are you standing there looking up at the sky? This Jesus, who was taken from you into heaven, will come back in the same way that you saw Him go to heaven."] We don't need to be in the dark about the future, the Bible gives us insight. God has given the body of Christ gifts for equipping and edifying of the body for work of ministry as written in scripture - And He Himself gave some to be apostles, some prophets, some evangelists, and some pastors and teachers, for the equipping of the saints for the work of ministry, for the edifying of the body of Christ. — EPHESIANS 4:11-12 2 Chronicles 20:20 The Message (MSG) 20 They were up early in the morning, ready to march into the wilderness of Tekoa. As they were leaving, Jehoshaphat stood up and said, "Listen Judah and Jerusalem! Listen to what I have to say! Believe firmly in God, your God, and your lives will be firm! Believe in your prophets and you'll come out on top!" Yes., believe His prophets and you shall prosper. In 2020 prophetic Breaking News, we have pulled together for you prophecies from 65 prophetic gifts in the body of Christ to equip you and edify you for the work of ministry for 2020 and beyond. The prediction will also help you in economic decisions,

political decision, on how to pray for your nation and also where to work on in the spiritual life. We cannot determine if all prophetic messages are accurate as some can serve as warning which we can pray to avert while others are determined already and cannot be averted. We will encourage you to test the spirit before you take action based on prophecies provided here. We will continue to update you with new prophesies throughout the year and their fulfilment so stay tuned, stay blessed and stay connected to Him through His body in Jesus name..

A Journey from Death to Life Dec 12 2020 Fame, wealth, power and fleeting pleasures are transient and have no eternal value. Doing the will of God is enduring and is what really count forever. We are all presently on a journey through life that will end in death. But we can make it a journey from death to life abundant by living it with Yahweh God and in Him. Jesus Christ, the only perfect man, has made this possible in reconciling us to God by dying in our place and cleansing us. This makes it possible for God to dwell in us by His Spirit to help us to overcome sin and live life pleasing to Him. Jesus always does the things that are pleasing to the Father (Jn 8: 29). He loves the Father and does exactly what the Father has commanded him (Jn 14: 31). Jesus' secret is not to seek to do his own will but the will of God (Jn 5: 30). God wants us to be like Jesus and be conformed to his likeness (Rom 8: 29) and to live with God's self-giving love. This is a way of life or mentality that "does nothing from selfish ambition or conceit, but in humility counts others more important than ourselves" (Phil 2: 3) through God's enabling. It is in this way that there will be real peace and righteousness. This is what this book is about. We are on probation on earth to point others to God by our words and our life.

The Social World of Jesus and the Gospels May 29 2022 In order to interpret historical writings, the reader must not employ their modern understanding of the world, but must strive to grasp the mindset of the original audience. To assist the twentieth-century New Testament reader in understanding the literal meaning of the New Testament is the goal of this collection of essays. The Social World of Jesus and the Gospels provides the reader with a set of possible scenarios for reading the New Testament: How did first-century persons think about themselves and others? Did they think Jesus was a charismatic leader?

Why did they call God 'father'? Were they concerned with their gender roles? The eight essays in this collection were previously published in books and journals generally not available to many readers. Carefully selected and edited, this collection will be both an introduction and an invaluable source of reference to Bruce Malina's thought.

**History of Computing and Education 2 (HCE2)** Apr 03 2020 These proceedings derive from an international conference on the history of computing and education. This conference is the second of hopefully a series of conferences that will take place within the International Federation for Information Processing (IFIP) and hence, we describe it as the "Second IFIP Conference on the History of Computing and Education" or simply "History of Computing and Education 2" (HCE2). This volume consists of a collection of articles presented at the HCE2 conference held in association with the IFIP 2006 World Computer Congress in Santiago, Chile. Articles range from a wide variety of educational and computing perspectives and represent activities from five continents. The HCE2 conference represents a joint effort of the IFIP Working Group 9.7 on the History of Computing and the IFIP Technical Committee 3 on Education. The HCE2 conference brings to light a broad spectrum of issues. It illustrates topics in computing as they occurred in the "early days" of computing whose ramifications or overtones remain with us today. Indeed, many of the early challenges remain part of our educational tapestry; most likely, many will evolve into future challenges. Therefore, these proceedings provide additional value to the reader as it will reflect in part the future development of computing and education to stimulate new ideas and models in educational development. These proceedings provide a spectrum of interesting articles spanning many topics of historical interest.

Sunderland Squadrons of World War 2 Jul 27 2019 The elegant Sunderland was the RAF's staple maritime patrol aircraft throughout World War II (1939-1945). Crucial in the Battle of the Atlantic, the Sunderland was instrumental in defeating the U-Boat menace which threatened to starve the UK into submission. Nicknamed the Flying Porcupine due to its heavy armoury of 14 guns, the Sunderland proved an immediate success in battle. Aside from its worldwide use with the RAF, it saw action with the RAAF, RNZAF and RCAF. This is the first book devoted to the Sunderland's WW2 service to be published in over a decade.

Approaching the World's Religions, Volume 2 Mar 27 2022 Evangelical theology strives to be evangelical, conservative, and contemporary. In a world in which everyone is "Christian," evangelical theology provides

a balanced position between fundamentalism and liberalism. While theological debates within the family will occur, to be evangelical is a breath of fresh air for many. However, we do not live in such a world. We do find ourselves living in a secular, global society. It is secular because no religious organization dictates how we live our lives. It is global for at least two reasons. First, our technology brings us

immediately in contact with those faraway places. Second, and of more importance, we can simply step outside our front doors and encounter our neighborhoods that reflect a global pluralism. This raises the question, how shall we then live? The intent of An Evangelical Theology of Religions is to suggest a direction for evangelicals to think

about the secular, global society in which they live in a way that is not only conservative but also evangelical and contemporary. The final essay strives to address the evangelical aspect of our tradition that places an emphasis on the Great Commission and the law of love.
