**Cracked** Mar 13 2021 Nightly, the beautiful silver-eyed woman haunts Quinn Morgan. Whenever she appears in his dreams, he fantasizes every detail of making passionate love with her, his mind swirling with the

sweet bouquet of her perfume, the velvet touch of her skin. The sensual perfection of this figment of his imagination has touched his heart. Calli Lemont suffers Raine's gentle hands as they caress her in perfect promise. Madness. After all, he's dead. But each time she strokes her piano's ivory keys he appears to her, easing the chilling vulnerability she's felt since his passing. Life without him has left her empty and lonely. Past secrets begin to collide, drawing Quinn and Calli together. She has found the one man she can't resist. And, miraculously, he's found his dream woman. But providence can be deadly. They soon find themselves plunged deeply into the underworld of a Colombian drug cartel. As they struggle to survive and set right the past, Quinn's and Calli's bond strengthens, but love and commitment might not be enough to put to rest the evil that surrounds them.

**Single Case Research Methodology** May 27 2022 In this anticipated new edition of *Single Case Research Methodology*, David L. Gast and Jennifer R. Ledford detail why and how to apply standard principles of single case research methodology to one's own research or professional project. Using numerous and varied examples, they demonstrate how single case research can be used for research in behavioral and school psychology, special education, speech and communication sciences, language and literacy, occupational therapy, and social work. This thoroughly updated new edition features two entirely new chapters on measurement systems and controversial issues in single subject research, in addition to sample data sheets, graphic displays, and detailed guidelines for conducting visual analysis of graphic data. This book will be an important resource to student researchers, practitioners, and university faculty who are interested in answering applied research questions and objectively evaluating educational and clinical practices.
