City of Thorns Aug 19 2021 I never thought I'd be singing happy birthday to myself in a dungeon. And yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, he's mistaken me for my succubus doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem--he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me. "I flew through this book... Hot demon lord-check. Action-check. Romance-check. And there's spice! If you love my books, you definitely want to read this one." -Laura Thalassa

Pins, Needles and Thorns Apr 14 2021 PINS, TICKLES AND THORNS is a real story written by a troubled man in great mental pain. The mental pain becomes physical pain when he tries to put on paper what that pain is...what caused that pain and, most of all, why. The book reveals stories about cheating wives and stupid husbands and what they have to do with the writer's pain. The locations are worldwide showing that these problems are not assigned to any one location but are universal. The writing style changes, sometimes abruptly, depending on the mental anguish of the writer at the time. Telling a nice love story of his first real love is written tenderly and softly. As he begins to recognize possible causes of this pain the writing may be bitter, angry, sad and sometimes apologetic. This book was not intended to be a "book", it was intended to solve the writer's problem. Make that, "problems". How many affairs does it take to turn a seemingly sexually satisfied man into a "porcupine turned inside out"? Occasionally some comments are in italics. The writer recognizes that some of his comments are not going to be believed by some readers, especially older women. The comments in italics are an attempt to let readers know that his comments are not intended to make the reader think what he does and says is "normal", they were normal for this writer. The writer's pain is revealed in the changes in writing style. A lot of dots, double spacing on some pages, and abrupt endings of some chapters are only expressions of his pain, his words show him trying to find the answers to his painful questions. Of course all names and places have been changed to protect the guilty.
