Ruby's Letters Aug 31 2022 You never know what you'll discover behind the wall of a bricked-up fireplace. Emma Hopkins is a recently divorced chimney sweep trying to make it in a man's world. When she wins a big job in Brooklyn Heights, she finds more than she bargains for—a sexy general contractor who makes her blood heat up and an evil spirit bent on revenge. Horrors in Ryan Atkinson's past have made him a shell of the man he once was and he struggles to keep his once-successful general contracting business alive. Now a haunted house and a beautiful woman are adding to the challenge. Against all common sense, both Emma and Ryan join forces to uncover the old brownstone's secrets. But can love and sanity survive in the face of evil?

(Amaranthus spp.), quinoa (Chenopodium quinoa), kañiwa (Chenopodium pallidicaule), chia (Salvia hispanica L.), Andean maize (Zea mays L.), moringa (Moringa oleifera), yvapurú (Plinia peruviana), kurugua (Sicana odorifera), sacha inchi (Plukenetia huayllabambana), camu camu (Myrciaria dubia), mango (Mangifera indica), tarwi (Lupinus mutabilis), peanut (Arachis hypogaea L.) and taro (Colocasia esculenta), all of them still underutilized. Their cultivation is low; nevertheless, in recent years, the worldwide demand for some of them has increased immensely, resulting in an increase in their production. The ancient Iberoamerican crops have been widely recognized for their nutritional value by food scientists and food producers because they contain high-quality proteins and large quantities of micronutrients such as minerals, vitamins and bioactive compounds. In addition, they are gluten-free, which makes them suitable for people suffering from various gluten intolerances. This book

School Food, Equity and Social Justice Mar 14 2021 School Food, Equity and Social Justice provides contemporary, critical examinations of policies and practices relating to food in schools across 25 countries from an equity and social justice perspective. The book is divided into three sections: Food politics and policies; Sustainability and development; and, Teaching and learning about food. Bringing together an interdisciplinary group of academics with practitioner backgrounds, the chapters in this collection broaden discussions on school food to consider its educational and environmental implications, the ideals of food in schools, the emotional and ideological components of schooling food, and the relationships with home

and everyday life. Our aim is to provide enhanced insight into matters of social justice in diverse contexts, and visions of how greater equality and equity may be achieved through school food policy and in school food programs. We expect this book to become essential reading for students, researchers and policy makers in health education, health promotion, educational practice and policy, public health, nutrition and social justice education.

Creating Healthy Workplaces Aug 26 2019

Creating Healthy Workplaces includes interventions that relate the efforts undertaken by researchers and organizations to reduce stress and improve the mental and physical health of employees through positive change initiatives. Those working in the field of occupational stress have received criticism that too much emphasis has been placed on negative issues and that positive initiatives have been largely ignored. This book delves into both the positive and the stress fields and compares the types of interventions each entail. Some of the interventions described target individuals and their attitudes and behaviours, others target workplace relationships, work units and the wider organization. Outcomes such as reduced occurrences of smoking, obesity, depression, elevated blood pressure, accidents and

workplace injuries, absence and staff turnover are reported. The factors associated with the success of these interventions are identified and advice is given as to how you might proceed to develop worksite interventions of your own.

The Riding School Jun 16 2021 Meet Jenny. She's rich, spoiled, rude and obnoxious. She's also just been signed up for the BDSM ride of her life - without her consent. An intensive training course at the Albrecht Stables is not what it appears to be and training to become a human pony was not on Jenny's to-do list. The trouble is, how do you escape when you're tied up, gagged and constantly sexually aroused? Which Master or Mistress do you turn to for rescue? And what do you do if you suspect you might actually be enjoying yourself? This is Jenny's adventure into the world of BDSM and pony play. She's about to find out just how much effort it takes to become a pony girl and that she has no choice but to excel in every aspect of her training or she may never stand a chance of

The Mark Nov 02 2022 History is revised in this erotic tale of choice removed as the duty to submit wars with the desire to resist. Abigail Prescott, a 17th Century woman accused of witchcraft, seeks to prove herself unmarked by Satan. She willingly submits to her governor's thorough examination but is ill-prepared for his shameful grueling probe, as it permits him to see and test her every inch and every hollow. From

the Author: THE MARK, Book 1 in the Immoral Virtue Trilogy is a highly erotic, non-romantic tale of sexual awakening and abandon, of the duty to submit vs. the desire to resist. Due to its explicit sexual nature, with elements of BDSM and dubious consent, THE MARK is intended for audiences 18 and over. Be this a witch? In 1600's New England, it was decreed thus: "Whoever lies with the beast will bear a mark that is insensible and in their most secret parts, and may be located only through diligent and careful search." Accused of witchcraft, Abigail Prescott must strip for the masses and submit to the Governor's inspection. She is ill-prepared for this shameful, grueling probe as it permits him to see and test her every inch and every hollow. Governor Jameson Foster has examined many before, but Abigail enchants him like no other. Before he succumbs to her sweet charms, he must uncover the dark truth of this bewitching. Should she feel his prodding and respond to his touch, her innocence will be proven. And this

night he will claim her. Should she resist, fail to cry out in pain or in pleasure, then all will know she is a witch who bears The Mark.

Alpha Magic May 16 2021 Download and enjoy this steamy paranormal reverse harem romance. Witches. Wolf shifters. Alphas and more! It's just one little love spell. Who knew it would return so many men...and problems. With a fear of relationships and a history of avoiding guys, I decide to take matters into my own hands...with disastrous results. On Halloween night, I cast the perfect spell to call my soul mate, not expecting there's actually more than one. And each with his own set of problems. Now I have three wolf shifters all wanting to claim me: Jackson, the Alpha with a gorgeous face, muscular body, and a jealous streak a mile long; Billy, Jackson's broody, bad boy cousin; and Darren part warlock, mostly wolf shifter, and all sweetheart. Sounds great...until you know the whole story. See, wolf shifters aren't exactly best friends with witches. I'm not sure why they hate

With the growing influence of the positive movement, this book explores the implications of using a positive approach as opposed to a stress management one and compares the types of interventions they each require. From a positive perspective, there is a need to understand the characteristics of healthy, thriving, and flourishing people and organizations. This book explores the implications of using a positive approach as opposed to a stress management one. Some of the interventions described in *Creating Healthy Workplaces* target individuals and their attitudes and behaviours, others target workplace relationships, work units and the wider organization. Outcomes such as reduced occurrences of smoking, obesity, depression, elevated blood pressure, accidents and

workplace injuries, presenteeism, absence and staff turnover are reported. The factors associated with the success of these interventions are identified and advice is given as to how interested individuals and organizations might proceed to develop worksite interventions on their own.
