The Breckinridges of Kentucky Aug 22 2019 Across more than six generations -- beginning before the Revolutionary War -- the Breckinridge family has produced a series of notable leaders. These often controversial men and women included a presidential candidate, a U.S. vice president, cabinet members, generals, women's rights advocates, congressmen, editors, reformers, authors, and church leaders. Along with success, the Breckinridges, like other Americans, faced hardship and war, contended with race, lived through difficult family situations -- including a sex scandal -- and encountered personal and political failure. An articulate, opinionated, and frank family, the Breckinridges have left a detailed record that allows us a vivid recreation of the range of American history and society.

New York Magazine May 31 2020 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Ethics in Real Estate Jan 27 2020 ethics." Certainly our industry is bound by the formal constraints of law in national, state, and local jurisdictions. What this volume reminds us, however, is that those laws are only as good as the personal "sea of ethics" in which each of us operates. THE ETHICS OF PROPERTY INVOLVEMENTS Stephen E. Roulac The Roulac Group San Rafael, California and Visiting Professor University of Ulster Ethical considerations are a dominant theme in the management literature. As "Ethics and ethical issues surround our lives, ... ethics has become one of the most rapidly growing areas of management research, with over 800 articles and 1,400 books appearing since 1990" (Schminke, Ambrose, and Miles, 1998). Compared to business and business management, however, the research and writing on real estate in an ethics context is in the very early stages of development. The lack of a developed literature on ethics in real estate is reflected in the response by one highly placed executive to my solicitation for funding to support the publication of this volume: "I didn't know there were any ethics in real estate!" Fortunately, the Summa Corporation and the American Real Estate Society believe in the importance of ethics in real estate, for their cosponsorship has made possible this special monograph on the subject of Ethics in Real Estate. The support of the Summa Corporation and the American Real Estate Society of this pioneering volume is warmly and appreciatively acknowledged.

Stop Yellin' - Ben Pivar and the Horror, Mystery, and Action-Adventure Films of His Universal B Unit Jun 24 2022 HORROR, ACTION-ADVENTURE, MYSTERIES, COMEDIES, FILM NOIR: Hollywood producer Ben Pivar's output encompassed most film genres, with even a musical, some serials, and Japan's first full-color anime thrown into the mix! Never heard of him? Not surprising, as Ben Pivar was one of the faceless craftsmen who inhabited the sizeable world of Hollywood's cinematic underbelly, the B film. But while often disparaged and mocked for their low-budget look, breakneck storytelling, and low wattage casts, B films occupied the second half of most theaters' bill during the thirties and forties--something most patrons expected to fill out their evening's entertainment. And Ben Pivar was responsible for a staggering number of them. STOP YELLIN' chronicles Pivar's life, both the highs and lows, concentrating on his most productive years while at Universal Studios. From his late-1920s start as a film cutter at Universal, Pivar advanced into film production in the 1930s at Columbia, Grand National, and Republic, before settling in at Universal as associate producer in 1938. For the next eight years, Pivar would master his craft and churn out a lot of slick, thoroughly enjoyable films; his eventual promotion to one of the studio's coveted executive producer positions placed him at the top of the B unit hierarchy. It's his horror films that have stood the test of time, the films that Pivar is remembered for today: THE MUMMY'S HAND and its three sequels; the INNER SANCTUM series featuring Lon Chaney, Jr.; THE MAD GHOUL; HORROR ISLAND; and SHE-WOLF OF LONDON. There were Pivar's own personal creations as well: CAPTIVE WILD WOMAN and its two sequels; and the Rondo Hatton "Creepers" series, HOUSE OF HORRORS (the source of the oft-quoted "Stop Yellin'" line) and THE BRUTE MAN. Anyone with an interest in Hollywood and the behind-the-scenes stories of the making of these minor films will find STOP YELLIN' a very readable, informative, entertaining look at this under-documented segment of the industry, and a fond look back at one of the many long-forgotten individuals who thrived in it.

Public Works Appropriations for 1962 Jul 21 2019

Teaching Moral Sex Jan 19 2022 "Teaching Moral Sex is the first comprehensive study to focus on the role of religion in the history of public sex education in the United States. It examines religious contributions to national sex education organizations from the late nineteenth century to the early twenty-first century, highlighting issues of public health, public education, family, and the role of the state. It details how public sex education was created through the collaboration of religious sex educators--primarily liberal Protestants, along with some Catholics and Reform Jews--with "men of science," namely physicians, biology professors, and social scientists. Slominski argues that the work of early religious sex educators laid foundations for both sides of contemporary controversies regarding comprehensive sexuality education and abstinence-only education. In other words, instead of casting religion as merely an opponent of sex education, this research shows how deeply embedded religion has been in sex education history and how this legacy has shaped terms of current debates. By focusing on religion, this book introduces a new cast of characters into sex education history, including Quaker and Unitarian social purity reformers, the Young Men's Christian Association, military chaplains, the Federal Council of Churches, and the National Council of Churches. These religious sex educators made sex education more acceptable to the public and created the groundwork for recent debates through their strategic combination of progressive and restrictive approaches to sexuality. Their contributions helped to spread sex education and influenced major shifts within the movement, including the mid-century embrace of family life education"--

California Real Estate Law Jun 12 2021 This definitive text provides a balanced, detailed, and extremely practical statement of California real estate law. Revised and updated, the seventh edition includes current information on the many changes in real estate law including broker liability, landlord-tenant rights, hazardous waste along with added coverage of key topics such as seller disclosure laws and rent controls making this an essential reference. End-of-chapter questions have been expanded and two new comprehensive sample tests with answers and rationales have been added. Numerous case study examples and coverage of commonly encountered areas of law further add to the value of Gordon's user-friendly approach you'll appreciate as a real estate professional. CALIFORNIA REAL ESTATE LAW, 7e. is a handy reference and a powerful learning tool.

Fourth Uncle in the Mountain Nov 17 2021 Set during the French and American wars, Fourth Uncle in the Mountain is a true story about an orphan, Quang Van Nguyen, who is adopted by a sixty-four year old monk, Thau, who carries great responsibility for his people as a barefoot doctor. Thau manages, against all odds to raise his son to follow in his footsteps and in doing so, saves his son, as well as a part of Vietnam's esoteric knowledge from the Vietnam holocaust. Thau is wanted by the French regime, and occasionally must flee into the jungle, where he is perfectly at home living among the animals. Thau is not the average monk; he practices an ancient lineage of Chinese medicine and uses magic to protect animals and help people. As wise and resourceful as Thau is, he meets his match in his mischievous son. Quang is more interested in learning Cambodian sorcery and martial arts than in developing his skills and wisdom according to his father's plan. Fourth Uncle in the Mountain is an odyssey of a single-father folk hero and his foundling son in a land ravaged by the atrocities of war. It is a classic story, complete with humor, tragedy, and insight from a country where ghosts and magic are real.

Adaptive Disclosure Mar 29 2020 A complete guide to an innovative, research-based brief treatment specifically developed for service members and veterans, this book combines clinical wisdom and in-depth knowledge of military culture. Adaptive disclosure is designed to help those struggling in the aftermath of traumatic war-zone experiences, including life threat, traumatic loss, and moral injury, the violation of closely held beliefs or codes. Detailed guidelines are provided for assessing clients and delivering individualized interventions that integrate emotion-focused experiential strategies with elements of cognitive-behavioral therapy (CBT). Reproducible handouts can be downloaded and printed in a convenient 8 1/2" x 11" size.

With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Dr. John Harvey Kellogg and the Religion of Biologic Living Apr 29 2020 A biography of the physician and health guru, examining his views on science and medicine as he evolved religiously. Purveyors of spiritualized medicine have been legion in American religious history, but few have achieved the superstar status of Dr. John Harvey Kellogg and his Battle Creek Sanitarium. In its heyday, the “San” was a combination spa and Mayo Clinic. Founded in 1866 under the auspices of the Seventh-day Adventist Church and presided over by the charismatic Dr. Kellogg, it catered to many well-heeled health seekers including Henry Ford, John D. Rockefeller, and Presidents Taft and Harding. It also supported a hospital, research facilities, a medical school, a nursing school, several health food companies, and a publishing house dedicated to producing materials on health and wellness. Rather than focusing on Kellogg as the eccentric creator of corn flakes or a megalomaniacal quack, Brian C. Wilson takes his role as a physician and a theological innovator seriously and places his religion of “Biologic Living” in an on-going tradition of sacred health and wellness. With the fascinating and unlikely story of the “San” as a backdrop, Wilson traces the development of this theology of physiology from its roots in antebellum health reform and Seventh-day Adventism to its ultimate accommodation of genetics and eugenics in the Progressive Era. “A well-researched biography that seeks to restore the reputation of the doctor satirized in T. C. Boyle's novel *The Road to Wellville* and in the film of the same name. Wilson has done much more than provide a sympathetic biography of the man who headed the once-famous Battle Creek Sanitarium. . . . There's much here to interest both adherents to and skeptics of today's alternative and holistic medicines, as well as fans of American history, especially the history of religions.” —Kirkus Reviews “While he may look like a certain Kentucky Fried Colonel, Kellogg was an early advocate of a vegan diet and the intriguing figure behind the famous Battle Creek Sanitarium that paved the way for many contemporary ideas of holistic health and wellness. . . . Wilson's lively and accessible writing introduces readers to spiritualism, millennialism, the temperance and social purity movements, Swedenborgians, and Mormons. . . . [A] thought-provoking portrait of a charismatic, intelligent medical doctor who never stopped absorbing new information and honing his theories, even when he was faced with disfellowship from his church and ostracism by friends and colleagues.” —ForeWord Reviews “Wilson does an admirable job of portraying how the doctor's beliefs shifted and adapted over time. . . . Readers with a keen interest in religious history, particularly as it relates to health care, will enjoy this biography the most.” —Library Journal

Library Journal Nov 05 2020 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior Libraries, 1954-May 1961). Also issued separately.

The Edward G. Robinson Encyclopedia Nov 24 2019 Edward G. Robinson, a 1930s cinema icon, had an acting career that spanned more than 60 years. After a brush with silent films, he rose to true celebrity status in sound feature films and went on to take part in radio and television performances, then back to Broadway and on the road in live theatre. This work documents Robinson's every known public performance or appearance, listing co-workers, source material, background and critical commentary. The entries include feature films, documentaries, short subjects, cartoons, television and radio productions, live theatre presentations, narrations, pageants, and recordings. Also included are entries relating to his life and career, ranging from his wives to his art collection.

Phantom Ladies Jun 19 2019 Defying industry logic and gender expectations, women started flocking to see horror films in the early 1940s. The departure of the young male audience and the surprise success of the film *Cat People* convinced studios that there was an untapped female audience for horror movies, and they adjusted their production and marketing strategies accordingly. *Phantom Ladies* reveals the untold story of how the Hollywood horror film changed dramatically in the early 1940s, including both female heroines and female monsters while incorporating elements of “women's genres” like the gothic mystery. Drawing from a wealth of newly unearthed archival material, from production records to audience surveys, Tim Snelson challenges long-held assumptions about gender and horror film viewership. Examining a wide range of classic horror movies, Snelson offers us a new appreciation of how dynamic this genre could be, as it underwent seismic shifts in a matter of months. *Phantom Ladies*, therefore, not only includes horror films made in the early 1940s, but also those produced immediately after the war ended, films in which the female monster was replaced by neurotic, psychotic, or hysterical women who could be cured and domesticated. *Phantom Ladies* is a spine-tingling, eye-opening read about gender and horror, and the complex relationship between industry and audiences in the Classical Hollywood era.

The Problem of Slavery in Western Culture Dec 26 2019 This classic Pulitzer Prize-winning book depicts the various ways the Old and the New Worlds responded to the intrinsic contradictions of slavery from antiquity to the early 1770s, and considers the religious, literary, and philosophical justifications and condemnations current in the abolition controversy.

California Real Estate Law Jul 25 2022 This book provides not only the theories of basic law, but also the topics and techniques that readers need to apply the law in actual situations. It offers in-depth coverage of the four areas faced most often in practice -- leases, deposit receipts, listing agreements and deeds of trust -- featuring an up-to-date list of actual, relevant case profiles that bring the law to life. Reflected throughout the book are many recent changes in law -- such as the elimination of justice courts, dollar amount changes of

many statutes, etc. -- as well as topics of interest to today's legal professional -- such as alternate dispute resolution (including arbitration and mediation), toxic waste, environmental control and more.
