Help Your Kids with Computer Science (Key Stages 1-5) Mar 29 2022 Perfect for home learning, this visual guide to computers, the Internet, and social media uses step-by-step diagrams and graphics to explore how kids can get the most from computers while staying safe. Covering everything from data to digital life, from computer coding to cyber attacks, this unique guide gives parents and kids the most up-to-date and comprehensive facts and information in a visually appealing way. It examines the technical aspects of computers, such as how they function, the latest digital devices and software, and how the Internet works. It also builds the confidence of parents and kids when facing challenges such as staying safe online, digital etiquette, and how to navigate the potential pitfalls of social media. Jargon-free language helps to explain difficult and

potentially dread-inducing concepts such as hacking, Bitcoin, and malware, while colorful graphics help make learning about the world of computer science exciting. For those who want to make the most out of the digital world, Help Your Kids with Computer Science is the perfect platform to discover more. Series Overview: DK's bestselling Help Your Kids With series contains crystal-clear visual breakdowns of important subjects. Simple graphics and jargon-free text are key to making this series a user-friendly resource for frustrated parents who want to help their children get the most out of school.

Fractions, Ages 7-11 May 07 2020 Boost your child's understanding of fractions with this fun homework helper that supports curriculum teaching. Each maths game or test takes 10 minutes and covers adding, subtracting, multiplying and dividing fractions, helping your child with schoolwork and day-to-day problem solving. Plus, the 'parents' notes' section gives the answers, explains common pitfalls and gives guidance on how to avoid them.

National Curriculum English Practice Book for Year 1 Mar 17 2021 This book can help your child by providing a whole year of ready to go activities and support on key English topics which will be being taught in school from 2014. Did you know that your child in Year 1 will now need to; to add prefixes and suffixes to words (for example 's', 'es', 'ing', 'er', 'est' and 'un'); join words and sentences using 'and'; use a question mark and exclamation mark as well as a full stop. * Workbooks for home learning * Linked directly to what your children will be learning in school * A linked website provides additional activities, answers and support for parents * Developed by teachers to ensure the best possible support for the new 2014 National Curriculum.

Year 4 Maths Targeted Practice Workbook Nov 12 2020 Level: KS2 Subject: Maths When it comes to getting the best results, practice really does make perfect! Matched to the National Curriculum, this Collins Maths Year 4 workbook is designed to target every Maths Year 4 topic in depth. Using a repeated practice method that is proven to work, this book improves performance in tests and assessments. Questions for each topic are organised into three levels of increasing difficulty while progress tests throughout check pupil's understanding along the way. Children can record their own results too, supporting awareness and boosting confidence. A handy pull-out answer section is also included to ensure every pupil is prepared ahead of their 2019 Maths Year 4 curriculum tests. For the Year 5 Maths SATs, we've got another Collins KS2 Targeted Practice Workbook (9780008201715) available as well.
