Silver in the Blood Aug 23 2021 Two girls struggle with their dark family heritage in this lush historical fantasy perfect for fans of Cassandra Clare and Kendare Blake. As debutantes in 1890s New York City, cousins Dacia and Lou knew little about their mysterious Romanian relatives, the Florescus. Now, upon turning seventeen, the girls must journey to Romania--a journey that seems to be both reward and punishment--to meet their cousins and their tyrant of a grandmother and to learn the secrets of their family. Secrets spoken of in whispers. Dangerous secrets known as the Claw, the Wing, and the Smoke. But as dangerous as those family secrets might be, even more dangerous is the centuries-old bond between the Florescus and the royal Dracula family, and it seems that it's time for Dacia and Lou to give up their life in New York society and take their place among the servants of the Draculas. When the devilish heir, Mihai Dracula, sets his sights on Dacia as part of his evil, power-hungry plan, the girls must accept or fight against this cruel inheritance. Do they have the courage to break the shackles of their upbringing and set the course of their own destiny?

Parker Looks Up Jun 08 2020 A New York Times bestseller! A visit to Washington, DC's National Portrait Gallery forever alters Parker Curry's young life when she views First Lady Michelle Obama's portrait. When Parker Curry came face-to-face with Amy Sherald's transcendent portrait of First Lady Michelle Obama at the National Portrait Gallery, she didn't just see the First Lady of the United States. She saw a queen—one with dynamic self-assurance, regality, beauty, and truth who captured this young girl's imagination. When a nearby museum-goer snapped a photo of a mesmerized Parker, it became an internet sensation. Inspired by this visit, Parker, and her mother, Jessica Curry, tell the story of a young girl and her family, whose trip to a museum becomes an extraordinary moment, in a moving picture book. *Parker Looks Up* follows Parker, along with her baby sister and her mother, and her best friend Gia and Gia's mother, as they walk the halls of a museum, seeing paintings of everyone and everything from George Washington Carver to Frida Kahlo, exotic flowers to graceful ballerinas. Then, Parker walks by Sherald's portrait of Michelle Obama...and almost passes it. But she stops...and looks up! Parker saw the possibility and promise, the hopes and dreams of herself in this powerful painting of Michelle Obama. An everyday moment became an extraordinary one...that continues to resonate its power, inspiration, and indelible impact. Because, as Jessica Curry said, "anything is possible regardless of race, class, or gender."

Manna for Moms Feb 03 2020 Many moms struggle with finding time to spend with God - is it even possible, between diaper changes, carpoos, meals and messes? It is possible, if only moms could connect with their Creator and vacuum cereal out of the carseat at the same time. Megan Breedlove, a stay-at-home mom of four energetic little ones, is convinced it can be done . . . and Manna for Moms is a daily devotional that shows moms how. One of the main ways God speaks to His children is through His calling on their lives. That means that moms - who have a high and holy calling, indeed - can hear God's voice and respond to Him even as they carry out the daily tasks of mothering their children. Each devotion included in Manna for Moms is encouragement and inspiration to face every hectic day with an open heart, expecting God to reveal Himself in the midst of whatever chaos arises! There are also tips and

suggestions for readers to stay alert for God's teaching in their interactions with their children. Instead of struggling to find time with God, moms can invite Him into every precious moment.

Detective Sergeant Jessica Daniel works for the Greater Manchester Police force. Apart from fighting the daily battle against the northern weather, she also has to deal with exasperating colleagues, a hopeless best friend and managing her ever-growing floodrobe. And that's before she even gets started on some of Manchester's more challenging crimes . . . **Locked In:** When a body is found in a locked house Jessica has little in the way of leads. With a lengthy missing persons list and frantic families wondering if the body part could belong to their absent loved ones, Jessica has plenty to deal with - and that's before more sinister evidence starts to emerge. Open Book Sep 11 2020 The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, *Open Book* is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn't want to lie. Jessica couldn't be authentic with her readers if she wasn't fully honest with herself first. Now America's Sweetheart, preacher's daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. *Open Book* is Jessica Simpson using her voice, heart, soul, and humor to share things she's never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion,

her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she's learned and shows the real woman behind all the pop-culture cliché's — "chicken or fish," "Daisy Duke," "football jinx," "mom jeans," "sexual napalm..." and more. *Open Book* is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is finally living hers.

Cold Enough for Snow Nov 01 2019 Winner of the inaugural Nobel Prize, an elegant and subtle exploration of the mysteries of our relationships to others A mother and daughter travel from abroad to meet in Tokyo: they walk along the canals through the autumn evenings, escape the typhoon rains, share meals in small cafes and restaurants, and visit galleries to see some of the city's most radical modern art. All the while, they talk: about the weather, horoscopes, clothes, and objects, about family, distance, and memory. But uncertainties abound. Who is really speaking here—is it only the daughter? And what is the real reason behind this elliptical, perhaps even spectral journey? At once a careful reckoning and an elegy, *Cold Enough for Snow* questions whether any of us speak a common language, which dimensions can contain love, and what claim we have to truly know another's inner world. Selected from more than 1,500 entries, *Cold Enough for Snow* won the Nobel Prize, a new, biennial award offered by New Directions, Fitzcarraldo Editions (UK), and Giramondo (Australia), for any novel written in English that explores and expands the possibilities of the form.
