Gods and Mortals Sep 30 2019 More than perhaps any other folkloric tradition, whether oral or written, the myths of classical Greece and Rome have survived and pervaded the consciousness of lands far-flung from their source. The mythic world of the ancients, peopled by glamorous gods and unstoppable heroes, in which the mortal and immortal commingled, is even now a living presence in 21st century culture, rather than a literary relic. Whether we know them by their Roman or their Greek names - Artemis or Minerva, Poseidon or Neptune - the figures of these ancient myths captured the imagination of culture after culture across the globe, inspiring writers, artists, musicians and those of us who comprise the audience for their works. Can it be a coincidence that the greatest poets of the western world have each at one point tried their hand at retellings? Kossman's anthology assembles some of the best of these poems inspired by ancient

myths, organizing them by theme, and allowing the reader to compare one against the other - for example, one section assembles poems telling the stories of mythic lovers (Cupid and Psyche, Orpheus and Eurydice); another the many tales of miraculous transformations (Pygmalion and Galatea, Echo and Narcissus). With such a wide variety of the world's best poets to choose from - from all over the world and from any era since classical times - Kossman has had no difficulty creating a literary pantheon; included are D. H. Lawrence, Derek Walcott, Rita Dove, Denise Levertov, Rilke, Pound, and Yeats. The collection should be a treasure for the innumerable devotees of both myth and poetry.

**The Niobe Poems** Jul 21 2021 Kate Daniels's central myth is that of Niobe, the mother in Greek mythology whose children were killed by the gods because of her great pride in them. She taps the lasting power of the ancient story in poems about personal loss and political insanity. Though the subjects are frequently grim, the final effect of the book is not, since Daniels's central theme is endurance, the discovery of what we need to survive.

**The Color of A Dog Running Away** Jan 15 2021 When I opened the door of the flat there was a picture postcard lying in the hallway. It showed a reproduction of a painting by Joan Miró. I turned the card over. Neatly written, in green ink, was what appeared to be a date and time: 20 May 11:00. There was no explanatory message, no indication of who had written the card. The printed details told me that the reproduction was entitled "Woman of the Night." The painting could be found at the Miró Foundation. May 20 was the next day. Lucas, a musician and translator living in Barcelona's Gothic Quarter, comes home one day to find this cryptic invitation. When he appears at the appointed time, he sets in motion a series of bizarre, seemingly interconnected events that disrupt his previously passive existence. He meets the alluring Nuria and they begin an intense love affair. He is approached by a band of Barcelona's mythic roof dwellers and has a run-in with a fire-eating prophet. But when he and Nuria are kidnapped by a religious cult with roots stretching back to the thirteenth-century, Lucas realizes that his life is spinning out of control. The cult's megalomaniac leader, Pontneuf, maintains that Nuria and Lucas are essential to his plan to revive the religion. While Nuria is surprisingly open to Pontneuf and his theories, Lucas is outraged and makes his escape. Back in Barcelona, Lucas wanders the streets in a drug-and-alcohol induced haze, pining for Nuria and struggling to make sense of what happened to him. He recounts his improbable adventures to his friends, who are wholly entertained by the story and deeply dubious of its truth, an understandable skepticism as Lucas fast becomes the quintessential unreliable narrator. With the alluring and enchanting Barcelona as a vibrant backdrop, *The Color of a Dog Running Away* is a love story, tale of adventure and historical thriller all rolled into one unforgettable and mesmerizing package; a novel that will beguile and disturb in equal measure.
