Man Tiger Jul 01 2020 A wry, affecting tale set in a small town on the Indonesian coast, Man Tiger tells the story of two interlinked and tormented families and of Margio, a young man ordinary in all particulars except that he conceals within himself a supernatural female white tiger. The inequities and betrayals of family life coalesce around and torment this magical being. An explosive act of violence follows, and its mysterious cause is unraveled as events progress toward a heartbreaking revelation. Lyrical and bawdy, experimental and political, this extraordinary novel announces the arrival of a powerful new voice on the global literary stage.

Sitti Nurbaya Oct 16 2021 First published in 1922, the novel "Sitti Nurbaya: A Love Unrealized," by Marah Rusli, retains the poignancy that made it a modern Indonesian classic. In terms of its social impact in what was then the Dutch East Indies, "Sitti Nurbaya" may be compared to "Uncle Tom's Cabin" in the ante-bellum United States. Even to this day, the issues of injustice and indignities suffered by women that this novel raised continue to be debated throughout the country. Rich in description, dense with ironic foreboding and the inexorable workings of fate, Sitti Nurbaya is Samsu and "Sitti Nurbaya"'s ill-fated love story. But in their wishes, the reader might also discern young people's tantalizing dream of what the East Indies society might become, or could become, if only local genius, embodied in a modernizing youth emancipated from stifling traditions, could fuse with European genius in mutual respect and admiration. This too was, of course, a dream never to be realized, and one perhaps which never could have been realized.

It is Dialogue' not Clash Apr 29 2020 This book is an attempt to point out and account for the modern man's need to get into a constructive dialogue which will bring the peoples of the world together in the face of the powers of dissipation and segregation. So many writers, both Western and non-Western, realized the fact that the notion of 'the Clash of Civilizations' is in its essence, an attempt to create an enemy for economic and political reasons. To achieve their desired ends, defenders of this notion are ready to demolish cultures and to subdue nations. Throughout the book I made it clear that the strategy of promoting the clash of civilizations is against the principle of democracy. It is against the principle of dialogue which allows for the expression of the opposing point of view. To suppress this notion of dialogue, the other will have to be presented as an aggressor who needs to be checked.

Emily's Runaway Imagination May 31 2020 Newbery Medal-winning author Beverly Cleary brings her classic warm humor to this funny, sweet story of a girl with big dreams. Can imaginative Emily make her biggest dream come true? Spunky Emily Bartlett lives in an old farmhouse in Pitchfork, Oregon at a time when automobiles are brand-new inventions and libraries are a luxury few small towns can afford. Her runaway imagination leads her to bleach a horse, hold a very scary sleepover, and feed the hogs an unusual treat. But can she use her lively mind to help bring a library to Pitchfork? "Written with Cleary's customary warmth and humor. The time of the story, about 1920, is delightfully brought to life."—Booklist

The Werewolf of Paris Jun 19 2019 Endore's classic werewolf novel - now back in paperback for the first time in over forty years - helped define a genre and set a new standard in horror fiction The werewolf is one of the great iconic figures of horror in folklore, legend, film, and literature. And connoisseurs of horror fiction know that The Werewolf of Paris is a cornerstone work, a masterpiece of the genre that deservedly ranks with Mary Shelley's Frankenstein, Bram Stoker's Dracula, and Robert Louis Stevenson's The Strange Case of Dr. Jekyll and Mr. Hyde. Endore's classic novel has not only withstood the test of time since it was first published in 1933, but it boldly used and portrayed elements of sexual compulsion in ways that had never been seen before, at least not in horror literature. In this gripping work of historical fiction, Endore's werewolf, an outcast named Bertrand Caillet, travels across pre-Revolutionary France seeking to calm the beast within. Stunning in its sexual frankness and eerie, fog-enshrouded visions, this novel was decidedly influential for the generations of horror and science fiction authors who came afterward.

ALLAH TIDAK PERNAH JAUH Jan 19 2022 Buku ini lebih kepada mengajak kita untuk bermuhasabah atas setiap apa yang berlaku. Apabila berhadapan dengan sesuatu yang DIA hadirkan sebagai ujian, kadangkala kita menjadi lemah tidak berdaya lalu terasa tiada harapan lagi. Padahal sebenarnya, DIA tidak hadirkan sesuatu itu dengan sia-sia. ALLAH Tidak Pernah Jauh ini mengajak kita merenung diri dan menyeru kepada kebaikan dalam mengharungi kehidupan. Harapannya agar kita tidak mudah terjatuh apabila DIA datangkan ujian. Agar kita lebih redha dan teguh dalam keyakinan terhadap-NYA apabila jiwa terusik dengan lambaian jahilliah akhir

The Hikayat Muhammad Hanafiyyah Mar 21 2022 'If not now, when?' Hillel, Pirke Avot, I 14. The text edition which I hereby submit to the reader has been my constant companion for much of the last nine odd years. But the relative stability of my main preoccupation contrasted sharply with my wanderings during this same span of time. In fact, for most of it I was more or less constantly on the move, trekking from the Nether lands to Australia and back again, then to the United States, with three excursions; to Indonesia. On all these trips I carried my notes and kept working on this project, the conclusion of which continued to elude me. Even today I can hardly believe it is all over - and in fact it is not, as this volume will soon be followed by a companion containing a shortened English translation and dealing in much greater detail with the relationship between the Malay Hikayat Muhammad Hanafiyyah, its Persian source and Muslim literature in general. I sincerely regret that technical and financial considerations have combined to make inclusion of the apparatus criticus in this edition impossible. A limited number of copies of this apparatus are available on personal application either direct from the author (C/o the Indonesian Department, Monash University, Clayton, Victoria 3168, Australia), or from the Koninklijk Instituut voor Taal-, Land- en Volkenkunde, Stationsplein 10, Leiden, the Netherlands.
