The Life and Times of Mexico Jan 15 2021 A San Francisco Chronicle Best Book of the Year. "A work of scope and profound insight into the divided soul of Mexico." –History Today The Life and Times of Mexico is a grand narrative driven by 3,000 years of history: the Indian world, the Spanish invasion, Independence, the 1910 Revolution, the tragic lives of workers in assembly plants along the border, and the experiences of millions of Mexicans who live in the United States. Mexico is seen here as if it were a person, but in the Aztec way; the mind, the heart, the winds of life; and on every page there are portraits and stories: artists, shamans, teachers, a young Maya political leader; the rich few and the many poor. Earl Shorris is ingenious at finding ways to tell this story: prostitutes in the Plaza Loreto launch the discussion of economics; we are taken inside two crucial elections as Mexico struggles toward democracy; we watch the creation of a popular "telenovela" and meet the country's

greatest living intellectual. The result is a work of magnificent scope and profound insight into the divided soul of Mexico.

My Life and Times Feb 02 2020 Autobiography of a trade-unionist and politician from Sri Lanka.

Life and Times of Evita Sep 30 2019

Preachin' the Blues Feb 25 2022 Follow House's journey from rural pulpits and labor farms to smoky juke joints. In the 1930s, he became the decade's leading bluesman in Mississippi, and an important influence on Robert Johnson and Muddy Waters. This account of his life offers a fresh perspective on how the blues influenced American culture and spread throughout the world.

The Life and Times of Bertrand Du Guesclin Apr 17 2021 Reprint of the original, first published in 1864. A history of the Fourteenth Century. In two volumes.

The Life and Times of Charles James Fox Mar 17 2021 Reprint of the original, first published in 1859.

The Life and Times of Salvator Rosa Jun 19 2021

Archbishop Patrick John Ryan His Life and Times Feb 13 2021 Patrick John Ryan was a Roman Catholic priest, bishop and archbishop in America in very turbulent and challenging times. He experienced the mass influx of European immigrants, anti-foreigner and anti-Catholic prejudice, the American Civil War and efforts to serve the needs of the African Americans and Native Americans. Ireland prepared him for the life he chose to lead. He encountered religious discrimination and the penal-law mentality and he witnessed the Great Famine. Influenced by the accomplishments of Daniel O'Connell, he began to develop his skills as an orator for which he was to gain a world-wide reputation.

Weizmann, His Life and Times Jul 29 2019 A biography of Haim Weizmann.

My Life and Times: 1900-1907 Apr 05 2020

Life and Times of Gen. Sam. Dale, the Mississippi Partisan Dec 14 2020 Reprint of the original, first published in 1860.

THE LIFE AND TIMES OF DEXTER Sep 22 2021 Self-acceptance is a

critical element of self-esteem, particularly in today's culture where we are more valued by what we do and what we have as opposed to who we are. So, we chase after some notion of what is going to make us happy with ourselves never finding a truly satisfying answer. *The Life and Times of Dexter: A Tale of Spider Webs and Self-Discovery*, speaks to everyone – children, teens and adults. No matter what stage of life we are in, we need to love and value ourselves just because... and that can only happen if we challenge ourselves to reach our highest potential as human beings. Through his struggles to be more self-accepting, Dexter serves to help readers examine their own self-worth. He travels far and wide to quell his inner dissatisfaction. Along the way he meets other characters who challenge him to take a deeper look inside himself. These relationships teach him humility, trust, perseverance and self-sacrifice. They help him realize that by caring for others, he is able to feel the kind of peace and joy that only true self-acceptance can bring.

Gorbachev Dec 02 2019 SHORTLISTED FOR THE PUSHKIN HOUSE BOOK PRIZE 2018 From the Pulitzer Prize-winning author of *Khrushchev: The Man and his Era* 'A phenomenally researched life of the man who did more than any other to change Europe and the world in the last half of the 20th century'. Jonathan Steele, *The Guardian* 'An engaging, poignant portrayal of one of the most significant of Russian leaders' Kirkus review '... deeply penetrating history and engrossing psychological study.' Robert Legvold, *Foreign Affairs Magazine* 'Impressive... full of fascinating detail' Peter Conradi, *Sunday Times* 'Comprehensive and immensely readable' *The Economist* 'Superb...an extraordinary story of one man and history in a tense wrestling match' *The Washington Post* This is the definitive biography on one of the most important and controversial figures of the 20th century. Drawing on interviews with Gorbachev himself, transcripts and documents from the Russian archives, and interviews with Kremlin aides and adversaries, as well as foreign leaders, Taubman's intensely personal portrait extends to Gorbachev's remarkable marriage to a woman he deeply loved, and to the family that they raised together. Nuanced and poignant, yet unsparing and honest, this sweeping account has all the amplitude of a great Russian novel. When Mikhail Gorbachev became its leader in March 1985, the USSR was still one of the world's two superpowers. By the end of his tenure six years later, the Communist system was dismantled, the cold war was over and, on 25th December 1991, the Soviet Union itself ceased to exist. While not solely responsible for this remarkable upheaval, he set decisive changes in motion. Assessments of Gorbachev could not be more polarised. In the West, he is regarded as a hero. In Russia, he is widely hated by those who blame him for the collapse of the USSR. Admirers marvel at this vision and courage. Detractors, including many of his Kremlin

comrades, have accused him of everything from naivete to treason.

The Life and Times of the Right Honourable Sir James R. G. Graham, Bart., G.C.B., M.P. Jul 09 2020

Marlborough Sep 03 2022

Life and Times of Professor Ennui Pidawee Oct 24 2021 A short memoir in three parts. HISTORY is about the author and some characters he has known (a transvestite, an entrepreneur, a rocket scientist, a beatnik, a martial artist, a movie star, and a fool, to name a few). These stories, taking place from 1945 to 1961, are generally true. PRE-HISTORY is about the author's parents and grandparents. Occurring before 1945, these stories are generally not true, or are at least imagined. It is through these tales that the author tries to figure out what made his folks the way they were (and explain how he got to be such a pidawee). DEATH is about the passing of the author's mother in 1955 in Shelby, North Carolina (at the Center of the Known Universe - where all explanations come together). Although not explicitly about the South, it is a Southern Book. It's got crazy white people, Magical Negroes, muscadine grapes, livermush, dynamite, undertones of violence, and guns - lots of guns.

The Life and Times of Richard the First, Surnamed Coeur-de-Lion, King of England Jun 07 2020

Descartes May 07 2020 An in-depth biography of one of the giants of philosophy and science examines the life of Ren Descartes, the seminal scientist, mathematician, traveler, soldier, and spy who transformed seventeenth-century Europe and who became the father of modern philosophy.

The Life and Times of the Thunderbolt Kid Apr 29 2022 Bill Bryson's first travel book opened with the immortal line, "I come from Des Moines. Somebody had to." In this deeply funny and personal memoir, he travels back in time to explore the ordinary kid he once was, in the curious world of 1950s Middle America. It was a happy time, when almost everything was good for you, including DDT, cigarettes and nuclear fallout. This is a book about one boy's growing up. But in Bryson's hands, it becomes everyone's story, one that will speak volumes especially to anyone who has ever been young.

Life and Times of a Civil Engineer Jan 27 2022

Life and times of General Sir Edward Cecil ... May 19 2021

A Memoir of the Life and Times of the Rev. Isaac Backus, A.M. Nov 12 2020

The Life and Times of the Shah Oct 04 2022 This epic biography, a gripping insider's account, is a long-overdue chronicle of the life and times of Mohammad Reza Shah, who ruled from 1941 to 1979 as the last Iranian monarch. Gholam Reza Afkhami uses his unparalleled access to a large number of individuals—including high-ranking figures in the shah's regime, members of his family, and members of

the opposition—to depict the unfolding of the shah's life against the forces and events that shaped the development of modern Iran. The first major biography of the Shah in twenty-five years, this richly detailed account provides a radically new perspective on key events in Iranian history, including the 1979 revolution, U.S.-Iran relations, and Iran's nuclear program. It also sheds new light on what now drives political and cultural currents in a country at the heart of today's most perplexing geopolitical dilemmas.

The Life and Times of Sir Thomas Malory Mar 29 2022 This volume constitutes a search for the identity of Malory, author of the *Morte Darthur*. Field considers all arguments and gives an account of the life of the man identified, setting him in his historical context.

Life and Times Aug 10 2020 This book concerns the life & times of Eliza Cox Carter, who settled on Kingston Peninsula near Saint John, New Brunswick in the early 1800s. She was simultaneously a sea captain's wife, a homemaker, and an unlicensed healer, and her house still stands today. The book includes her biography; her diaries of a trip from England to India & back in 1850-51 and of her activities in the Saint John area in autumn 1865; a study of her house at Carter's Point; photos of some of her prized possessions; and a transcription of her book of recipes & home remedies. Includes glossary.

The Life and Times of Selina Nov 24 2021

The Life and Times of Michael K Jul 01 2022 Coetzee here tells the story of a handicapped young man who has worked as a municipal gardener in Cape Town. His mother is dying, and she wishes to return to her birthplace out in the veldt. Without the required transit passes, mother and son set out on a journey that will end in death for her and in a new but temporary life on an abandoned farm for him. His respite in isolation and peace does not last long, however; grotesque reality soon returns to trouble this quiet new world. Against the solitude of this private drama, Coetzee paints an eloquent and pained picture of his homeland and of the bureaucrats, doctors, army deserters, and camp guards who reveal the stress and qualms of their existence and who uneasily sense that there is no conclusion to their troubles and no future for their lives.

Life and Times of Benjamin Franklin Dec 26 2021

The Life and Times of Jesus the Messiah Mar 05 2020 LBC Collection copy was presented to Lancaster Bible College in honor of Charlie Jones for the Charles & Gloria Jones Library, Richard and Laurine Shmelzle.

Prince: Life and Times Jul 21 2021 "The definitive chronological guide to the life and times of one of popular music's true mavericks ... *Prince: Life & times* is a large format, lavishly illustrated, authoritative chronicle of his career, covering every album, every movie, and every tour."--Back cover.

The Life and Times of a Very British Man Jan 03 2020 A revealing,

honest and often comic coming-of-age story about growing up in 1970s Britain on the boundaries of race 'Full of charm' GUARDIAN 'You can't fail to be moved' THE TIMES 'Sparky, accessible and stimulating' OBSERVER 'Brilliant' EVENING STANDARD Kamal Ahmed's childhood was very 'British' in every way - except for the fact that he was brown. Half English, half Sudanese, he was raised in 1970s London at a time when being mixed-race meant being told to go home, even when you were born just down the road. The Life and Times of a Very British Man makes the case for a new conversation about race in Britain through personal stories, political analysis and passionate belief in the ultimate good of this country - white, black and brown. Kamal recounts the extraordinary circumstances that led to his father, a proud Sudanese scientist, marrying his mother, a grammar-school educated woman from Yorkshire - and the first white person he had ever met. It was a time when wearing a miniskirt was an act of social rebellion, when 'niggers' and 'coloureds' still formed part of the national lexicon and when Enoch Powell's infamous 'Rivers of Blood' speech cast a shadow over the childhood of a schoolboy in Ealing. Witty and humane, this is a modern state-of-the-nation from a man who adopted the name Neil growing up (it was better than 'camel') and went on to occupy one of the most elite positions in the British establishment. It is also a call to recognise that this very British mix is the foundation for Britain as we know it - from Linford Christie taking Olympic gold to the era-defining music of Soul II Soul - and a study of why, when we consider the often fractious debate about our identity, there are still great grounds for optimism.

My Life and Times May 31 2022 This early work by Jerome K. Jerome was originally published in 1926 and we are now republishing it with a brand new introductory biography. 'My Life and Times' is the autobiography of this humorous author of fiction and essays. Jerome Klapka Jerome was born in Walsall, England in 1859. Both his parents died while he was in his early teens, and he was forced to quit school to support himself. In 1889, Jerome published his most successful and best-remembered work, 'Three Men in a Boat'. Featuring himself and two of his friends encountering humorous situations while floating down the Thames in a small boat, the book was an instant success, and has never been out of print. In fact, its popularity was such that the number of registered Thames boats went up fifty percent in the year following its publication.
