Hope and the Nearness of God Jan 01 2020 A reflection on the meaning and quality of Hope for the period of Lent and beyond
The Dear Remote *Nearness of You* Sep 20 2021 Poetry. African & African American Studies. "THE DEAR REMOTE NEARNESS OF YOU speaks poetry's origin in new and startling ways. This is the precise intelligence that knows it must step carefully across the light on the surface of the water... These poems form the contiguous dance of language choosing its own body at will, traveling across light and the dimensions of unarticulated history. This is the word rubbed onto the palimpsest of our being, the careful solo soprano in the space where music ends and poetry moves in to name what is eternal and what is only in the abbreviation of now. What a delightful book from Boston's Poet Laureate."—Afaa Michael Weaver

The Nearness of Others May 17 2021 "'Funny how a gay man's hand resting heavily on your shoulder used to say let's fuck but now means let's not. Funny how ostensible nearness really betrays distance sometimes.'"--*The Nearness of Others* In this radical, genre-bending narrative, David Caron tells the story of his 2006 HIV diagnosis and its aftermath. On one level, *The Nearness of Others* is a personal account of his struggle as a gay, HIV-positive man with the constant issue of if, how, and when to disclose his status. But searching for various forms of contact eventually leads to a profound reassessment of tact as a way to live and a way to think, with our bodies and with the bodies of others. In a series of brief, compulsively readable sections that are by turns moving and witty, Caron recounts his wary yet curious exploration of an unfamiliar medical universe at once hostile and protective as he embarks on a new life of treatment without end. He describes what it is like to live with a disease that is no longer a death sentence but continues to terrify many people as if it were. In particular, living with HIV provides an unexpected opportunity to reflect on an age of terror and war, when fear and suspicion have become the order of the day. Most of all, Caron reminds us that disclosing HIV-positive status is still far from easy, least of all in one of the many states--such as his own--that have criminalized nondisclosure and/or exposure. Going well beyond Caron's personal experience, *The Nearness of Others* examines popular culture and politics as well as literary memoirs and film to ask deeper philosophical questions about our relationships with others. Ultimately, Caron eloquently demonstrates a form of disclosure, sharing, and contact that stands against the forces working to separate us."--

Let Me Go There Jun 05 2020 Best selling author Paula Gooder continues her popular series on the seasons of the Christian year with this daily companion for the six weeks of Lent, leading readers deeper into the spirit of the season and opening up the scriptures that are read during this period.

Hebrews Jan 25 2022 *Hebrews* was a sermon for a specific people and culture in the midst of martyrdom and persecution, but is also so relevant for us today, reminding us to continue walking toward Jesus regardless of our culture or our circumstances.

The Nearness of the Kingdom Jul 07 2020 *The Nearness of the Kingdom* is a classic sermon by Meister Eckhart.

The Last Balladeer Nov 10 2020 Just after recording with John Coltrane in 1963, baritone singer Johnny Hartman (1923–1983) told a family member that “something special” occurred in the studio that day. He was right – the album, containing definitive readings of “Lush Life” and “My One and Only Love,” resides firmly in the realm of iconic; forever enveloping listeners in the sounds of romance. In *The Last Balladeer*, author Gregg Akkerman skillfully reveals not only the intimate details of that album but the life-long achievements and occasional missteps of Hartman as an African-American artist dedicated to his craft. This book carefully follows the journey of the Grammy-nominated vocalist from his big band origins with Earl Hines and Dizzy Gillespie to featured soloist in prestigious supper clubs throughout the world. Through exclusive interviews with Hartman’s family and fellow musicians (including Tony Bennett, Billy Taylor, Kurt Elling, Jon Hendricks, and others), accounts from friends and associates, newly discovered recordings and studio outtakes, and in-depth research on his career and personal life, Akkerman expertly recollects the Hartman character as a gentleman, romantic, family man, and constant contributor to the jazz scene. From his international concerts in Japan, Australia, and England to his steady presence as an American nightclub singer that spanned five decades, Hartman personifies the “last balladeer” of his kind, singing with a sentiment that captured the attention of Clint Eastwood, who brought Hartman’s songs to the masses in the film *The Bridges of Madison County*. In the first full-length biography and discography to chronicle the rhapsodic life and music of Johnny Hartman, the author completes a previously missing dimension of vocal-jazz history by documenting Hartman as the balladeer who crooned his way into so many hearts. Backed by impeccable research but conveyed in a conversational style, this book will interest not only musicians and scholars but any fan of the Great American Songbook and the singers who brought it to life.

Wonderstruck Jul 31 2022 Sometimes we do and say the right things, but our hearts are far from God. We lose our sense of holy awe. In

Hope and the Nearness of God Nov 03 2022 In these days of pandemic, war and political turbulence, hope can seem to be in short supply. But hope is one of the theological virtues and it is far more profound than mere optimism. Today, pessimism and despair seem all too prevalent. What can we do about the poor and starving, about those who seem to be locked in interminable conflict and families weighed down by the consequences of breakdown? Sister Teresa White's book is an antidote to all this and it is written with beautiful simplicity and directness. There is no hiding behind complicated or technical language. In one of the most forceful chapters in the book, the author shows how hope breeds courage and courage breeds hope. But hope is not a matter of wishful thinking. Drawing on St Augustine, the author shows moreover that hope has two essential components. Not just courage but anger as well. The expression of our anger can lead to greater clarity with our discernment and spiritual perception. Hope too can lead us to understand God's solidarity with us in times of sorrow and struggle. Teresa White in this Lent Book draws on inspiration from writers as diverse as Julian of Norwich and Karl Rahner, Elizabeth Barrett-Browning and Henri Nouwen, but throughout the book there is strong scriptural underpinning which the author uses to great effect.

Embracing Justice Mar 27 2022 Embracing Justice, the Archbishop of Canterbury's Lent Book for 2022 asks: What might a spirituality shaped by biblical portrayals of justice look like for the church of the 21st century?

The Road to Damascus Jun 25 2019 Swedish writer August Strinberg played a major role in introducing a more modernist sensibility into his native country's literature, producing several major novels and plays that are still regarded as some of the most significant works of twentieth-century Swedish literature. The Road to Damascus is a dramatic trilogy that broke new ground in stagecraft and characterization, touching on complex themes of spirituality and selfhood in the process.

Nearness to Heart Jan 13 2021 Exploring the path to move inwards. It throws a light of Curiosity on hearing the Phrase - MOVING INWARDS. A tool to enhance the personality is by moving inward to a level so as to upkeep the clarity of what we are and how we should be to step up the ladder of Wisdom.

The Nearness of You Apr 27 2022

I Am with You Always Apr 15 2021 When we are alone, isolated, afraid, and grieving the loss of a loved one, Jesus tells us plainly, "Behold, I am with you always!" It is His presence and constant companionship that brings us comfort, consolation, and hope through all the seasons of our lives. I Am with You Always invites the ordinary Catholic to once again "behold Jesus." In doing so, we will realize with joy and gratitude the wonderful connection between the ordinary teachings and practices of our Catholic faith and the strength we derive from them to weather the storms of life. The authors gently invite their readers to respond to Christ's perennial call to "come and see" and to verify for yourself that: God truly is Love and His mercy endures forever; Christ draws near in order to remain with us; we truly encounter Christ in the sacraments and in the liturgy; we live, even now, in the communion of His saints; Our Lady of Compassion constantly intercedes for us; and God hears our prayers and responds to our heartache and pain. This book was written as an act of friendship, as one heart speaking to another about the reality of God's love for us. It is an act of companionship, a drawing near to a beloved friend in their time of need. It is a gift that reminds a broken heart that there is always hope in Jesus Christ. For He alone is the victory over death that we seek for ourselves and for our loved ones.

The Nearness of You Oct 02 2022 In this profound and lyrical novel, acclaimed author Amanda Eyre Ward explores the deeper meanings of motherhood—from the first blissful hello to the heart-wrenching prospect of saying goodbye. Brilliant heart surgeon Suzette Kendall is stunned when Hyland, her husband of fifteen years, admits his yearning for a child. From the beginning they'd decided that having children was not an option, as Suzette feared passing along the genes that landed her mother in a mental institution. But Hyland proposes a different idea: a baby via surrogate. Suzette agrees, and what follows is a whirlwind of candidate selection, hospital visits, and Suzette's doubts over whether she's made the right decision. A young woman named Dorothy Muscarello is chosen as the one who will help make this family complete. For Dorrie, surrogacy (and the money that comes with it) are her opportunity to leave behind a troubled past and create a future for herself—one full of possibility. But this situation also forces all three of them—Dorrie, Suzette, and Hyland—to face a devastating uncertainty that will reverberate in the years to come. Beautifully shifting between perspectives, *The Nearness of You* deftly explores the connections we form, the families we create, and the love we hold most dear. Advance praise for *The Nearness of You* "[For] readers who like stories about competent people facing tough choices, like those from Jodi Picoult or Julie Lawson Timmer."—Booklist "The Nearness of You includes everything I love about Amanda Eyre Ward's books: edgy eloquence, ingenious plotting, and relationships that are never, not for a single paragraph, simple or predictable. Through Suzette, Dorrie, and Jayne, Ward reveals parenthood as an enterprise that is as wrenching as it is beautiful. You will love these characters and this book."—Marisa de los Santos, New York Times bestselling author of *The Precious One* "Deftly paced and enthralling, Amanda Eyre Ward's *The Nearness of You* takes on the complexity of what it means to be a mother, and provides insights both heartening and harrowing."—Mira Jacob, author of *The Sleepwalker's Guide to Dancing* "The Nearness of You is not just an arresting meditation on motherhood but also an exploration of how we can seize the lives we've been given and transform them into the lives we want to live. Like all of Ward's novels, this book's intrigue and charm demand that it be indulged in a single sitting."—Vendela Vida, author of *The Diver's Clothes Lie Empty*

Hugs from God Mar 15 2021 Death follows each one of us around; it's just a part of the life God gave us. When death takes someone we love, our hearts burn with the grief of loss. Sometimes in the depths of our mourning, we find ourselves asking God to send us a sign that our loved one is safe and happy in their new home. Then God, in his wisdom, sends a gift of such wonder and mystery, something unique and known only to us. A sign that assures us that all is well, that our loved one is okay, and that it is time for us to carry on with our lives here on earth. These signs are God's handiwork, treasures right out of heaven itself, bestowed upon us in mercy and grace. We are comforted and sustained by one small moment that gives us the strength to get back into the business of living. We have been granted a tiny glimpse into the realm of heaven itself. Hugs from God lets us walk with other people who have suffered heartbreaking journeys through the shadow of death. We relive their personal tragedies, and find hope and God's light through their experiences. We will feel their pain, and then come to understand the effect their sign had on their healing comfort is as close as the whisper of the trees in a summer's breeze.

Technologies of Being in Martin Heidegger Oct 22 2021 Technologies of Being in Martin Heidegger attempts to deepen the dialogue between philosophy of education and philosophy of technology, while engaging with the thought of Heidegger, Jacques Derrida and Bernard Stiegler. Through a critical reading of Heidegger's central notion of nearness, this book argues that thinking is intricately conditioned by technologically produced images, which are themselves interacting with imagination's schematizing power. The book further discusses how certain metaphorical synthesising processes, which are currently industrialized taking the form of social networking sites and search engines, discretise human behaviour and reorganise it in ways that often marginalise human interpretation and redefine nearness. Finally, it suggests how we might reconceptualise technology and education as processes of human individuation. Technologies of Being in Martin Heidegger will be of great interest to scholars in the fields of philosophy of education, philosophy of technology, literary studies, cognitive linguistics and cognitive neuroscience.

The Nearness of God Jul 27 2019 Sandra Wade has known Jesus as her Savior since she was a young girl, but in 2014, following a year of treatments for cancer, she found herself in a place of glorious solitude with Jesus. She had overcome disease by God's healing hand and the vessels He used to heal her. She had laid cancer at the cross and allowed Jesus to carry her on her journey. Guided by the Holy Spirit, she found love, forgiveness, and every form of healing imaginable. She was hearing God and receiving God's Word in her heart, learning how to put His Word and His love into action. In her older age, God once again called her into service, and she said yes. In Hebrews 13:16, we are told, "And do not neglect doing good and sharing, for with such sacrifices God is pleased." She began to write and e-mail the messages He was both giving and teaching her--starting small at first when a friend requested she send devotionals to her daughter and then growing as the Lord brought her others to share with. This book is a collection of those devotionals in an effort to pass His truth forward. The Nearness of God is our good, and God upholds us in His righteous right hand--a place He longs for us all to be. But as for me, the nearness of God is my good; I have made the Lord GOD my refuge, That I may tell of all Your works. --Ps. 73:28

The Essential Agus Sep 28 2019 A sampling of the writing of the American rabbi and scholar Agus (1911-86), who was born and raised in an orthodox environment but was highly influenced by American liberalism, and critiqued both traditions while seeking to integrate them. The 25 selections demonstrate his work in modern and medieval Jewish philosophy, Jewish-Christian dialogue, American Judaism, the concept of God, Jewish law as standards, and other areas. The Real Book - Volume II (Songbook) Mar 03 2020 (Fake Book). The Real Books are the best-selling jazz books of all time. Since the 1970s, musicians have trusted these volumes to get them through every gig, night after night. The problem is that the books were illegally produced and distributed without any copyrights or royalties paid to the master composers who created these musical canons. Hal Leonard is very proud to present the first legitimate and legal editions of these books ever produced. You won't even notice the difference...the covers look the same, the engravings look the same, the songlist is nearly identical, and the price remains fair even on a musician's salary! But every conscientious musician will appreciate that these books are now produced legally and ethically, benefitting the songwriters that we owe for some of the greatest music ever written! 400 songs, including: Air Mail Special * Birdland * Bye Bye Blackbird * Caravan * Doxy * Fly Me to the Moon (In Other Words) * Georgia * Girl Talk * In Walked Bud * I Remember You * I Thought About You * The Jody Grind * Just the Way You Are * Killer Joe * Little Sunflower * Mercy, Mercy, Mercy * Moanin' * The Nearness of You * Now's the Time * Old Devil Moon * Phase Dance * St. Thomas * Speak Low * Stardust * Tangerine * Tenor Madness * Watch What Happens * Whisper Not * Willow Weep for Me * Yardbird Suite * and more.

Knowing, Not-Knowing and Sort-of-Knowing Jun 17 2021 A contemporary, wide-ranging exploration of one of the most provocative topics currently under psychoanalytic investigation: the relationship of dissociation to varieties of knowing and unknowing. The twenty-eight essays collected here invite readers to reflect upon the ways the mind is structured around and through knowing, not-knowing, and sort-of-knowing or uncertainty. The authors explore the ramifications of being up against the limits of what they can know as through their clinical practice, and theoretical considerations, they simultaneously attempt to open up psychic and physical experience. How, they ask, do we tolerate ambiguity and blind spots as we try to know? And how do we make all of this useful to our patients and ourselves? The authors approach these and similar epistemological questions through an impressively wide variety of clinical dilemmas (e.g., the impact of new technologies upon the analytic dyad) and theoretical specialties (e.g., neurobiology).

Women of Holy Week Sep 08 2020 In the style of her bestselling Phoebe, Paula Gooder uses her extensive biblical expertise to retell the events of the Crucifixion, Resurrection and Ascension through the eyes of nine female characters she imagines accompanying Jesus during these momentous days. Accompanied by nine colour illustrations, each story brings to life the tension, drama and shock of the events of Holy Week, banishing any over-familiarity and helping readers enter into the Passion narrative in a deeper, more meaningful way. Originally given as a series of addresses at Southward Cathedral during Holy Week 2021, these nine stories are for all who long to encounter Jesus afresh through the Easter Story.

The Nearness of You Sep 01 2022 The last thing Sara Flannigan needs is a man in her life. When she returns to her hometown, she vows to create a happy life for her son and to rebuild her life after a painful divorce. Yet when she meets her son's new doctor, she can't deny the spark of attraction that heats between them. The problem? He's Harrison Thornton, the oldest son of the illustrious Thornton family. His family would never accept a woman like Sara, a woman who grew up on the wrong side of the tracks. She tries to ignore the whispers of her past, but she soon realizes secrets can never stay hidden for long. Especially from the man claiming her wounded heart. Growing up in the rich and powerful Thornton family, Harrison has lived a charmed life. A renowned physician, the last thing he expects is to desire the mother of one of his patients. Sara is beautiful and intelligent, and she's completely devoted to her son, something that only deepens his attraction to her. He doesn't want a single night of passion, though: he wants forever. Yet there are forces at work and people determined to tear them apart. Even Sara turns from him, certain she's unworthy. Harrison refuses to let Sara slip away, and soon, he's fighting the greatest battle of all. The battle to win the heart of the woman he loves.

Nearness: Art and Education After Covid-19 Feb 23 2022 Art, pedagogy and the destruction of experience under lockdown: how culture defines the difference between surviving the pandemic and thriving beyond it The Covid-19 crisis has taught us how invaluable human presence is, not least in terms of the arts and pedagogy; ultimately, neither art nor education can do without physical proximity. Like works of art, people lose what one might call their auras, when kept at digital arm's length; few would deny that the pandemic has negatively affected our ability to read bodily cues and non-linguistic signals, and art likewise is lifeless when it cannot engage with the proprioception of bodies. In *Nearness*, philosopher Marlies De Munck and sociologist Pascal Gielen diagnose this new reality with which we are all contending, arguing that it is culture that defines the difference between surviving and living, that offers a model for thriving rather than merely persisting.

The Nearness of God: Rediscovering God's Love and Longing Apr 03 2020 Written in a clear and down-to-earth fashion that weaves together daily life and faith, *The Nearness of God* draws extensively on scripture and on key elements of the Catholic faith in order to lead the reader on a journey of rediscovery. The journey follows the story of God's love and longing for his people, God's gift of his life to creation, God's gift of himself in covenant and in Christ.

Beyond the Nearness of Distance Oct 29 2019 A part of Rick says keep going and the other part agrees. So, what's stopping him from going beyond the distance to his happiness that is ever so near? Revisited by the angel of death on numerous occasions as well as being blessed with the gift of life equally. Rick travels through the many elements of the earth... escaping danger, coping with internal pain and a conscious that won't let his thoughts come to a simple conclusion.
