In Called to Be God's Leader, readers will see how God applies leadership principles in the life of the great biblical leader Joshua. This is the workbook companion to Called to Be God's Leader. What did God have in mind when He saw Joshua as a young slave in Egypt? How did He mold and shape Joshua to prepare him for service? Through Joshua and numerous examples from their own lives, the authors create a picture of God's ways, offering deep insight that readers can apply to their own lives.
