[The Monocle Travel Guide to London \(Updated Version\)](#) Aug 24 2022 A parade through London's outposts of good food, design, retail, and more, this definitive travel guide will make you feel like a local no matter where you are from. Vast and sprawling, a tangle of roads and lanes, a muddle of rising and falling neighborhoods: London can be a big beast to tame, even for the people who get to call it home. But this ever-changing and regenerating capital can also charm you with its beauty, from wind-rustled parks to that winding River Thames. Its mix of people, abundance of culture, and the occasional louche night on the tiles also makes it a city that will surprise you and win you over. The Monocle Travel Guide to London is a celebration of all the things that the Monocle team loves about this mighty metropolis (and they are brave enough to let you see the wrinkles too). It's a guide to the bars, shops, restaurants, music venues, and museums that they think should edge their way on to your itinerary. They will lure you to some fresher neighborhoods and fill your head with lots of "We really have to see..." ideas. And they will leave you with a clear, crisp view of how the capital is changing. London is a global city but the Monocle team will help you see it as a series of friendly local gems. Hold on to your hat. [Great Britain](#) Oct 14 2021

Suffolk (Slow Travel) Oct 02 2020 This new second edition of Suffolk, part of Bradt's distinctive Slow series of regional UK guides, remains the only full-blown standalone guide to this gentle but beguiling county. Written by expert local author Laurence Mitchell, this is the guide of choice for anyone wanting to get under the skin of the region and discover what makes it tick. This new edition offers a very personal view of the county, providing up-to-date information on the best places to visit, stay and eat, covering not just popular sights but focusing also on those places beyond the usual tourist trail. Suffolk's popularity as a destination is not waning, and events such as the Latitude festival in July or the Aldeburgh Music Festival at Britten's Snape Maltings, not to mention the use of the RSPB's Minmere Reserve as a base for BBC's Springwatch, are all helping to keep the county's profile raised. Southwold, Aldeburgh, Orford, Walberswick and Dunwich are all covered, as is the great variety of landscapes, from undulating farmland and sandy heaths to extensive forests such as Rendlesham and Thetford in the Brecks, important nature reserves and the soft, dreamy coastal landscapes of river estuaries, remote marshes, reed-beds, beaches, shingle banks, sand spits and dunes. Also included are Constable Country and the Stour valley, Bury St Edmunds, Framlingham, Bungay, Beccles and Halesworth, plus information on Suffolk's wealth of medieval churches and its Anglo-Saxon heritage, notably the royal ceremonial burial site at Sutton Hood and the reconstructed Anglo-Saxon village at West Stow. Bradt's Suffolk makes a virtue of being selective and pointing the reader to the cream of the area. It is organised into locales to encourage 'stay put' tourism, with the opportunity to explore each locale thoroughly. There are also plenty of options for car-free travel: walking, cycling, river boats and local buses and trains. Written in an entertaining style, and offering a personal narrative, authoritative information and interesting anecdotes, Bradt's Suffolk is the ideal companion with which to discover this charming corner of England.

The Negro Motorist Green Book Nov 15 2021 The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

A Travel Guide to Heaven Apr 27 2020 A recent Newsweek poll reports that 76 percent of Americans believe in heaven. Yet even avid believers have difficulty conjuring up more than vague images of halos, harps, and wispy angels in flowing robes. Anthony DeStefano knew there had to be a more complete, meaningful, and comforting vision of what heaven is like, and A Travel Guide to Heaven is the entertaining and enlightening result. Using the Bible as his guide, the author notes that heaven is not only a spiritual place, but also a physical place, a fabulous "luxury resort" more sumptuous than any on Earth. The residents are real, their bodies transformed into their most perfect selves—physically, emotionally, and spiritually. By making a spiritual subject immensely physical, the book provides a picture of amazing places to visit, things to do, luxuries for pampering—not to mention deep, abiding joy. Combining the clarity and logic of C. S. Lewis with a terrific sense of fun and adventure, DeStefano creates a brilliant, reassuring portrait of heaven, a place that has intrigued and puzzled humankind throughout history. With its clear view of the afterlife, A Travel Guide to Heaven might best be compared to James Van Praagh's Talking to Heaven or Betty J. Eadie's Embraced by the Light in its tremendous message of comfort and reassurance.
