Rivers of London Jul 22 2019 'Ben Aaronovitch's masterfully crafted world of magic, ghosts and gruesome crimes gives the late, great Terry Pratchett a run for his money' The Sun 'Great, great fun' Simon Mayo, Radio 2 My name is Peter Grant and until January I was just probationary constable in that mighty army for justice known to all right-thinking people as the Metropolitan Police Service (and as the Filth to everybody else). My only concerns in life were how to avoid a transfer to the Case Progression Unit - we do paperwork so real coppers don't have to - and finding a way to climb into the panties of the outrageously perky WPC Leslie May. Then one night, in pursuance of a murder inquiry, I tried to take a witness statement from someone who was dead but disturbingly voluble, and that brought me to the attention of Inspector Nightingale, the last wizard in England. Now I'm a Detective Constable and a trainee wizard, the first apprentice in fifty years, and my world has become somewhat more complicated: nests of vampires in Purley, negotiating a truce between the warring god and goddess of the Thames, and digging up graves in Covent Garden ... and there's something festering at the heart of the city I love, a malicious vengeful spirit that takes ordinary Londoners and twists them into grotesque mannequins to act out its drama of violence and despair. The spirit of riot and rebellion has awakened in the city, and it's falling to me to bring order out of chaos - or die trying.

Legends of Women's Soccer Oct 17 2021 From the pioneers whose hard work and determination led to the first Women's World Cup to the international superstars of today, *Legends of Women's Soccer* tells the stories of the women who have thrilled and inspired fans both on and off the soccer field.

The Secret Lore of London May 12 2021 With a foreword by Iain Sinclair. London is an ancient city, whose foundation dates back literally thousands of years into the legendary prehistory of these islands. Not surprisingly it has accumulated a large number of stories, both historic and mythical, during this period, many of which, though faithfully recorded at the time, have lain almost forgotten in dusty libraries throughout the city. *The Secret Lore of London* is a guide to the legends, including a discussion of their importance as part of the oral tradition of Britain, combining Prehistoric, Celtic, Arthurian, Roman, Saxon and Norman levels - each of which has contributed to the many-layered life of the city. The first part contains a unique selection of essays (some printed here for the first time) by experts in their fields, each of whom possesses a unique interest in the legends of these islands, and who have written widely on associated themes. The second part of the book will consist of a Gazetteer of the sites mentioned which are still in existence, together with various other sites of associated interest, compiled by the Editor, the contributors, and members of the London Earth Mysteries Group. This part will be fully updated and extended to include many more sites. The result is a wide ranging and wholly fascinating book, with wide sales application possible. A series of appendixes will include William Stukley's extraordinary document *The Brill*, which relates to the ancient prehistoric sites around the area of present day St. Pancras, and excerpts from some of the best known 19th and early 20th century works on *Legendary London* by Lewis Spence and Harold Bayley. Contributors to the book are: Nigel Pennick John Matthews Caroline Wise Caitlin Matthews Carol Clancy R.J. Stewart Bernard Nesfield-Cookson Gareth Knight Robert Stephenson Geraldine Beskin Chesca Potter William Stukeley Lewis Spence Harold Bayley Alan V. Insole Ross Nichols

London Legends. By Paul Pindar May 24 2022

The Ingoldsby Legends, Volume 1 Oct 25 2019 With eighty-eight distinct editions and some 450,000 licensed copies in print, *The Ingoldsby Legends* of Richard Harris Barham (writing as Thomas Ingoldsby) was among the most beloved and most quoted works of nineteenth-century English literature. Long out of print, it is now available in a fully annotated two-volume edition, complete with over a hundred illustrations by John Tenniel, George Cruikshank, George Du Maurier, John Leech, Arthur Rackham and others. "For inexhaustible fun that never gets flat and scarcely ever simply uproarious, for a facility and felicity in rhyme and rhythm which is almost miraculous, and for a blending of the grotesque and the terrible . no one competent to judge and enjoy will ever go to Barham in vain." - George Saintsbury, *A History of Nineteenth Century Literature* "In the growth of English short fiction Barham's work looms larger yet. Many a good story and tale are scattered through the corpus of English fiction prior to the 1830s, but it is not, I think, an exaggeration to claim Barham as the first consistent English writer of the true short story." - Wendall V. Harris, *British Short Fiction in the Nineteenth Century* "Richard Barham was a genuine poet, who exerts a peculiar spell. A man of some property in Kent, a minor canon of

St. Paul's Cathedral, an amateur but learned antiquary, he wrote mainly to amuse himself, and his verse has a spontaneity of unexpected rhyming and reckless imagination that makes it different from anybody else's . Barham was gifted with some special genius which makes his meters and rhyming as catching as music, so that they run in your head after reading." - Edmund Wilson, "The Devils and Canon Barham" "Popular phrases, the most prosaic sentences, the cramped technicalities of legal diction, and snatches of various languages are worked in with an apparent absence of all art or effort; not a word seems out of place, not an expression forced, whilst syllables the most intractable find the only partners fitted for them throughout the range of our language. These Legends have often been imitated, but never equalled." - Walter Hamilton, Parodies of the Works of English and American Authors "Barham brought exceptional qualities to the development of his particular art. He was a wit, and his initial success was won by his startling originality. Not only did he adapt the Gallic spirit and conte to the exigencies of the English language: his blending of saints and demons, ghosts and abbots, monkish legend and romance, antiquarian lore and classical knowledge, murder and crime, with his own freakish and whimsical sense of humour, his lightning leaps from grave to gay, his quaint verbal quips, his wealth of topical allusion and most bizarre rhymes - all combined to secure him immediate attention and resultant fame." - Stewart Marsh Ellis, Mainly Victorian

Hegel Myths and Legends Feb 27 2020 For over thirty years, Hegel scholars have known that many of the views of Hegel rife in the Anglo-Saxon world are highly inaccurate. The essays collected in this volume show the myths and legends to be just that. The author has selected a set of essays that treat and effectively debunk the various Hegel myths and legends. Divided into sections addressing the various myths and augmented by Stewart's informative introduction and a bibliography, this collection should be of interest to scholars and nonspecialists alike.

I Never Knew That About London Jan 28 2020 Bestselling author Christopher Winn takes us on a captivating journey around London to discover the unknown tales of our capital's history. Travelling through the villages and districts that make up the world's most dynamic metropolis I Never Knew That About London unearths the hidden gems of legends, firsts, inventions, adventures and birthplaces that shape the city's compelling, and at times, turbulent past. See the Chelsea river views that inspired Turner in his final years and find out where London's first nude statue is. Explore London's finest country house in Charlton and unearth the secrets of the Mother of Parliaments . Spy out the village that gave its name to a car and the Russian word for railway station. Discover which church steeple gave us the design of the traditional wedding cake, where the sandwich was invented and where in Bond Street you can see London's oldest artefact. Visit the house where Handel and Jimi Hendrix both lived. Climb the famous 311 steps of the Monument, go from East to West and back again at Greenwich and fly the world's biggest big wheel. Brimming with facts, stories and snippets providing a spellbinding insight into the history of London, this beautifully illustrated gem of a book is guaranteed to inform and amuse in equal measure.

London Urban Legends Mar 22 2022 How long has a corpse been staring out at

passengers on the tube? Was London Bridge really shipped abroad by an American thinking he'd bought Tower Bridge? Did the Queen really mix with the crowds as a princess on VE Day? And did Hitler actually want to live in Balham? Urban legends are the funny, frightening and fierce folklore people share. Just like the early folk tales that came before them, these tales are formed from reactions to spectacular events in the world, and reflect our current values. From royal rumours to subterranean legends, Scott Wood has researched and written about them with a sense of wonder, humour and a keen eye. He finds the truth, the myth and the lies amongst these tales.

MYTHS AND LEGENDS OF THE NORSE Sep 16 2021 Once there was another Sun and another Moon, a different Sun and a different Moon from the ones we see now. Sol was the name of that Sun, and Mani was the name of that Moon. Nevertheless, always behind Sol and Mani wolves went a wolf behind each. The wolves caught on them at last, and they devoured Sol and Mani. And then the world was in darkness and cold. In those times, the Gods lived, Odin and Thor, Hödur and Baldur, Tyr and Heimdall, Vidar and Vali, and Loki, the doer of a good doer of evil. Moreover, the beautiful Goddesses lived then, Frigga, Freya, Nanna, Iduna, and Sif. Nevertheless, in the days when the Sun and Moon were destroyed, the Gods were destroyed too—all the Gods except Baldur who had died before that time, Vidar and Vali, the sons of Odin, and Modi and Magni, the sons of Thor. At that time, too, there were men and women in the world. However, before the Sun and the Moon were devoured and before the Gods were destroyed, terrible things happened in the world. Snow fell on the four corners of the earth and kept on falling for three seasons. Winds came and blew everything away. Moreover, the people of the world who had lived on despite the snow and the cold and the winds fought each other, brother killing brother until all the people were destroyed.

London Legends. By Paul Pindar Apr 11 2021

London Lore Aug 27 2022 In which part of North London were wild beasts once thought to roam the sewers? Why did 1920s working-class Londoners wear necklaces of blue beads? Who was the original inspiration for the 'pearly king' costume? And did Spring-heeled Jack, scourge of Victorian London, ever really exist? Exploring everything from local superstitions and ghost stories to annual customs, this is an enchanting guide to the ancient legends and deep-rooted beliefs that can be found the length and breadth of the city.

Kiss of Steel Mar 10 2021 "Action, adventure, steampunk, and blazing hot seduction...Bec McMaster offers it all."—Eve Silver, author of Sins of the Flesh A brilliantly creative debut where vampires, werewolves, and clockwork creatures roam the mist-shrouded streets of London... When Nowhere is Safe Most people avoid the dreaded Whitechapel district. For Honoria Todd, it's the last safe haven. But at what price? Blade is known as the master of the rookeries—no one dares cross him. It's been said he faced down the Echelon's army single-handedly, that ever since being infected by the blood-craving he's been quicker, stronger, and almost immortal. When Honoria shows up at his door, his tenuous control comes close to snapping. She's so...innocent. He doesn't see her backbone of steel—or that she could be the very salvation he's been seeking.

"The" Athenaeum Dec 27 2019

Myths, Symbols and Legends of Solar System Bodies Aug 03 2020 This book is an amateur astronomer's guide to the mythology and symbolism associated with the celestial bodies in the Solar System, and even includes some of the legendary tales of people who had or have a connection with these objects. It explores different cultures (for example, the Greco-Roman and the Norse) and different times and how stories were used to explain the worlds they saw above them. You'd be amazed how much of our world today reflects the myths and stories of these cultures! Most amateur astronomers are familiar with the various Solar System objects, but they will be only peripherally aware of what ancient cultures thought of these other worlds. In fact, the mythology of the planets challenges many twenty-first century concepts and beliefs. There are other books available on astromythology, but this one focuses mostly on our own Solar System, as opposed to the constellations and deep sky objects. Alexander offers a new angle on timeless subjects and is exciting, informative and dramatic, as well as surprisingly relevant to everyday life. Find out for yourself how our modern world is steeped in the bygone worlds of yesteryear.

The Westminster Review Sep 23 2019

Sacred Architecture of London Jan 08 2021 London has a unique series of churches built after the Great Fire of 1666, when most of the City of London was destroyed. Among these iconic churches are St Paul's, St Mary-le-Bow, St Bride's, St Clement Danes, St Martin-in-the-Fields, St Mary-le-Strand, St George Bloomsbury and Christ Church Spitalfields. They remain today as outstanding landmarks that define their local cityscapes. Designed by Sir Christopher Wren and his followers - Hawksmoor, Gibbs, Archer and James - these beautiful churches embody spiritual principles expressed through the conventions of Classical architecture. Underlying their outward, visible forms is sacred geometry, an ancient art that explores the invisible inner structure of the Cosmos and gives expression to it in physical form. In this book, Nigel Pennick explains the sacred geometry, spiritual symbols and emblems that make these churches among the most notable buildings of London.

In Quest of Indian Folktales Dec 07 2020 "[A] rare piece of scholarly detective work." -- Margaret Mills, Ohio State University *In Quest of Indian Folktales* publishes for the first time a collection of northern Indian folktales from the late 19th century. Reputedly the work of William Crooke, a well-known folklorist and British colonial official, the tales were actually collected, selected, and translated by a certain Pandit Ram Gharib Chaube. In 1996, Sadhana Naithani discovered this unpublished collection in the archive of the Folklore Society, London. Since then, she has uncovered the identity of the mysterious Chaube and the details of his collaboration with the famous folklorist. In an extensive four-chapter introduction, Naithani describes Chaube's relationship to Crooke and the essential role he played in Crooke's work, as both a native informant and a trained scholar. By unearthing the fragmented story of Chaube's life, Naithani gives voice to a new identity of an Indian folklore scholar in colonial India. The publication of these tales and the discovery of Chaube's role in their collection reveal the complexity of the colonial intellectual world and problematize our own views of folklore in a postcolonial world.

Dictionary of Nature Myths Oct 05 2020 Comprehensive and cross-referenced, this informative volume is a rich introduction to the world of nature as

experienced by ancient peoples around the globe. 51 halftones.

Bodies Sep 04 2020 An examination of the most gruesome tales in contemporary legend

Twisted Pretty Things Jul 14 2021 Something wicked is moving in the shadows of London... In the underground world of glitzy illegal auctions, fast cars, and stolen magical artifacts, John "Dom" Domenici knows he's out of his depth. But he needs the job at Kempthorne & Co like he needs to breathe. The alternative—going back to the organized crime gangs of London's East End—is unthinkable. So when Alexander Kempthorne, boss of Kempthorne & Co Artifact Retrieval Agency, wants him on a special case to track down an illegal artifact dealer, Dom can't say no. It shouldn't matter that Kempthorne's world is full of deadly secrets. It shouldn't matter that the billionaire is sexy as sin, and it really shouldn't matter how there's an American agent stalking Dom, an American who knows more than he should about Dom's case, including the real reason Alexander Kempthorne hired Dom. The only thing that really matters to Dom is solving the case and finding the artifact dealer. Because there are worse things in London than a conflicted billionaire and a trigger-happy American. Something wicked is stalking London's streets, and if Dom doesn't stop it, its shadows will rise and consume them all. *** Please note the Shadows of London series is set in London and the characters are all British (so is the author). Although the series has been edited in US English for the US market, to include US spelling and grammar, many English slang words and spelling remain as part of the character of the work.

Unwrapping Her Perfect Match Apr 23 2022 'Twas a week before Christmas, and at the auction house... At six foot one, Gwen Chambers has felt like a giant her whole life. She's a calm, capable nurse saving lives in a busy London hospital, but healthy men give her heart palpitations. When larger-than-life rugby player "Little" John Sheldon convinces her to bid on him in his team's fundraising auction, she discovers how pleasurable heart palpitations can be. A rugby player was stirring, with desire no one could douse... John has wanted Gwen since he first saw her, but when he's injured in a match just before Christmas he suddenly needs her too. Not only can the sexy nurse help him recover, but she might be able to help him look after his daughter—a shy ten-year-old who speaks only French. But will it be a Happy Christmas for all, and for all a good night? From decorating the Christmas tree to ice skating at the Tower of London, Gwen helps father and daughter open up and bond with each other—and she bonds right along with them. But when John's agent calls with a life-changing offer, Gwen has to decide how far she's willing to go for her perfect match. Will their first Noël also be their last?

The Nail in the Skull and Other Victorian Urban Legends Nov 18 2021 In the last fifty years, folklorists have amassed an extraordinary corpus of contemporary legends including the "Choking Doberman," the "Eaten Ticket," and the "Vanishing Hitchhiker." But what about the urban legends of the past? These legends and tales have rarely been collected, and when they occasionally appear, they do so as ancestors or precursors of the urban legends of today, rather than as stories in their own right. In *The Nail in the Skull and Other Victorian Urban Legends*, Simon Young fills this gap for

British folklore (and for the wider English-speaking world) of the 1800s. Young introduces seventy Victorian urban legends ranging from "Beetle Eyes" to the "Shoplifter's Dilemma" and from "Hands in the Muff" to the "Suicide Club." While a handful of these stories are already known, the vast majority have never been identified, and they have certainly never received scholarly treatment. Young begins the volume with a lengthy introduction assessing nineteenth-century media, emphasizing the importance of the written word to the perpetuation and preservation of these myths. He draws on numerous nineteenth-century books, periodicals, and ephemera, including digitized newspaper archives—particularly the British Newspaper Archive, an exciting new hunting ground for folklorists. *The Nail in the Skull and Other Victorian Urban Legends* will appeal to an academic audience as well as to anyone who is interested in urban legends.

Raheem Sterling (*Football Legends #1*) Aug 15 2021 Be inspired by Football Legend, Raheem Sterling! Discover the inspirational story of this young player's journey from his early life in Jamaica to life as a young immigrant in north-west London, where his incredible football talent put him on the road to superstardom. Packed with footie facts and match stats plus Raheem's career highlights. *Football Legends: Young readers will love finding out all about the lives of their favourite players in this great new biography series.*

Playing It Close Feb 21 2022 "I love Kat Latham's London Legends series—the rugby players are hot, the emotion is hard-hitting and the sex is sizzling!" —Molly O'Keefe, RITA award-winning and bestselling author Book Two of the London Legends Rugby Club With his toughest-ever season starting soon, professional rugby player Liam Callaghan needs time out of the spotlight to rest and grieve his mother's recent death. Vacationing incognito in Venezuela protects his identity. It does nothing to protect his heart when he meets pink-haired dynamo Tess Chambers. Impulse control has never been Tess' strong suit. A professional disaster has made her a tabloid target. She escapes to an eco-lodge on Venezuela's Caribbean coast to let things cool off. Instead, the steamy nights lead to a steamy one-night stand. Though he's lied about his name—and so has she—Tess knows exactly who her lover is. It's impossible not to recognize the sexy London Legends captain when she's a huge fan. Returning to London, Liam's shocked to discover Tess works for his team's new sponsor—a job that requires them to spend lots of time together. They're both playing it close to the chest, but Tess is the one woman who's ever left Liam wanting more. They've already lied to each other once. Can they overcome the secrets of the past so they can score a future? "I laughed out loud on several occasions and found myself reading with a smile plastered on my face." —Give Me Books Please note: This book

was originally published in 2014 but has been re-published with no changes to the story.
