**Unshapely Things** Jul 29 2019 In the alleys of the decrepit Boston neighborhood known as the Weird, fairy prostitutes are turning up dead. The crime scenes show signs of residual magic, but the Guild, which polices the fey, has more "important" crimes to investigate and dumps the case on human law enforcement. Boston police call in Connor Grey, a druid and former hotshot Guild investigator-whose magical abilities were crippled after a run-in with a radical environmentalist elf. As Connor battles red tape and his own shortcomings, he realizes that the murders are not random, but part of an ancient magical ritual. And if Connor can't figure out the killer's M.O., the culmination of the spell might just bring about a worldwide cataclysm.

**Night Runner** Mar 29 2022 For Zack Thomson, living in the Nicholls Ward isn't so bad. After his parents died, he developed strange and severe allergies, and the mental institution was the only place where he could be properly looked after. As strange as it was, it was home. He could watch as much television as he wanted; his best friend Charlie visited him often enough; and Nurse Ophelia -- the prettiest no-nonsense nurse ever -- sometimes took him bowling. Of course, that didn't mean he had it easy. His allergies restricted his diet to strawberry smoothies, and being the only kid at the hospital could get lonely. But it never once crossed Zack's mind to leave...until the night someone crashed through the front doors and told him to run. Now he's on a race for answers -- about his past, his parents, and his strange sickness -- even as every step takes him closer to the darkest of truths.

As a student nurse during the war, her transition into womanhood is rapid, painful and disastrous. And as an unmarried mother she flees from the nagging tension of her home and the hospital gossip to Fairfields, a place of poetry, music and of people with interesting lives and ideas. Quickly she learns it is otherwise. Yet, for Vera, there is always the moon - her companion, comforter, and the unbreakable link with her father... Full of alarming perceptions, black irony and tenderness, My Father's Moon is the first book in Jolley's semi-autobiographical trilogy that also includes Cabin Fever and The George's Wife. **Muslim Superheroes** Mar 17 2021 The roster of Muslim superheroes in the comic book medium has grown over the years, as has the complexity of their depictions. Muslim Superheroes tracks the initial absence, reluctant inclusion, tokenistic employment, and then nuanced scripting of Islamic protagonists in the American superhero comic book market and beyond. This scholarly anthology investigates the ways in which Muslim superhero characters fulfill, counter, or complicate Western stereotypes and navigate popular audience expectations globally, under the looming threat of Islamophobia. The contributors consider assumptions buried in the very notion of a character who is both a superhero and a Muslim with an interdisciplinary and international focus characteristic of both Islamic studies and comics studies scholarship. Muslim Superheroes investigates both intranational American racial formation and international American geopolitics, juxtaposed with social developments outside U.S. borders. Providing unprecedented depth to the study of Muslim superheroes, this collection analyzes, through a series of close readings and comparative studies, how Muslim and non-Muslim comics creators and critics have produced, reproduced, and represented different conceptions of Islam and Muslimness embodied in the genre characters.

**The Road to Sparta** Jan 27 2022 The Road to Sparta is the story of the 153-mile run from Athens to Sparta that inspired the marathon and saved democracy, as told—and experienced—by ultramarathoner and New York Times bestselling author Dean Karnazes. In 490 BCE, Pheidippides ran for 36 hours straight from Athens to Sparta to seek help in defending Athens from a Persian invasion in the Battle of Marathon. In doing so, he saved the development of Western civilization and inspired the birth of the marathon as we know it. Even now, some 2,500 years later, that run stands enduringly as one of greatest physical accomplishments in the history of mankind. Karnazes personally honors Pheidippides and his own Greek heritage by recreating this ancient journey in modern times. Karnazes even abstains from contemporary endurance nutrition like sports drinks and energy gels and only eats what was available in 490 BCE, such as figs, olives, and cured meats. Through vivid details and internal dialogs, The Road to Sparta offers a rare glimpse into the mindset and motivation of an extreme athlete during his most difficult and personal challenge to date. This story is sure to captivate and inspire—whether you run great distances or not at all.

*An Arrow's Flight* Aug 29 2019 *An Arrow's Flight* is a joyous and eccentric tour-de-force by the author of *American Studies* and *Man About Town*. The siege of Troy has dragged on for ten years, with no end in sight, when an oracle supplies the Greeks with the recipe for victory. All they need is Pyrrhus, son of the fallen Achilles. But Pyrrhus has been putting his godlike form to profitable use as a go-go dancer in the big city. Why should he leave the party, give up his hard-bought freedom, just because some voice in a jar says he must strap on a suit of hand-me-down armor? Still, he has always known destiny had plans for him, some more glittering future than life as a used-up hustler on a park bench somewhere. So he sails for Troy, hoping to transform himself into the bronzed immortal history requires. Instead, on an unscheduled detour, he stumbles through his first lessons on how to be a man. Magically blending ancient headlines and modern myth, Merlis creates a fabulous new world where legendary heroes declare their endowments in the personal ads and any panhandler just might be a divinity in disguise. Comical, moving, startling in its audacity and range, *An Arrow's Flight* is a profound meditation on gay identity, straight power, and human liberation. -- Lambda Literary Award, Gay Men's Fiction, 1998 A boldly conceived narrative of uncommon artistry...Merlis's insight into human nature and his ability to find and articulate grace in the ordinary process of human exchange is remarkable. Among the many books written about AIDS and the gay experience, Merlis's novel is a stunning standout. - Publishers Weekly (starred review) Equal parts *Iliad* and *City of Night*...Merlis transforms the gimmick into a miraculously wacky, droll, and sometimes tragic story. - Village Voice Top-of-the-line gay fiction, compulsively readable and very, very sexy. - The Advocate Dazzles with its originality, its willingness to take astonishing risks, its triumphant conjuration of a world at once sternly archaic and bracingly contemporary...This is a beautiful, haunting work by one of America's finest novelists. - Paul Russell *Alone on the Wall* May 07 2020 'Riveting . . . Honnold is neither crazy nor reckless. *Alone on the Wall* reveals him to be an utterly unique and extremely appealing young man' - Jon Krakauer, bestselling author of *Into the Wild*. This updated edition contains the account of Alex's El Capitan climb, which is the subject of the Oscar and BAFTA winning documentary, *Free Solo*. Alex Honnold is one of the world's best 'free solo' climbers, he scales impossible rock faces without ropes, pitons or any support of any kind. Exhilarating, brilliant and dangerous, there is a purity to Alex's climbs that is easy to comprehend, but also impossible to fathom; in the last forty years, only a handful of climbers have pushed themselves as far, 'free soloing' to the absolute limit of human capabilities. Half of them are dead. From Yosemite's famous Half Dome to the frighteningly difficult El Sendero Luminoso in Mexico, *Alone on the Wall* explores Alex's seven most extraordinary climbing achievements so far. These are tales to make your palms sweat and your feet curl with vertigo. Together, they get to the heart of how – and why – Alex does what he does. Exciting, uplifting and truly awe-inspiring, *Alone on the Wall* is a book about the essential truth of being free to pursue your passions and the ability to maintain a singular focus, even in the face of mortal danger.

The Plenimarans, at war with Skalans, have decided to defeat their ancient enemy by raising up the Dead God, Seriamaius. The early attempts at this reincarnation--masterminded by the sinister Duke Mardus and his sorcerous minion Vargul Ashnazai--once left Seregil in a sorcerous coma. Now, an ancient prophecy points to his continuing role in the quest to stop Mardus in his dread purpose. Seregil's friend and Mentor, the wizard Nysander, has long been the guardian of a deadly secret. In a secret, silver-lined room hidden well beneath the Oreska, he has served for most of his 300 years as the keeper of a nondescript clay cup. But this cup, combined with a crystal crown and some wooden disks, forms the Helm of Seriamaius, and any mortal donning the reconstructed Helm will become the incarnation of the god on earth. Nysander holds the cup and Mardus the wooden disks--one of which was responsible for Seregil's coma--but the crown must still be located. Threatened under pain of death by Nysander to keep his quest a secret even from his loyal companion, Alec, Seregil is dispatched to find the last missing piece of the Helm so that he and Nysander can destroy it. But this is only the beginning of one of his deadliest journeys ever, for the prophecy also holds that four will come together in a time of darkness, and gradually all that Seregil values is placed at risk as he, Alec, Nysander and Micum are drawn into a deadly web of terror and intrigue.
