Deadfall Ridge Jun 29 2022 It's a last-minute deer hunt at Bigfoot Ranch in Eastern Oregon. Wilderness guide Hart Davis reluctantly agrees to a booking: seven rough-looking men who don't look like they need any pointers on killing things. Little does Hart know that an innocent, long-ago favor—a package stashed away and forgotten—has become something worth killing for. Alone, with only the clothes on his back, Hart must survive not only being hunted by ruthless mercenaries and the local authorities, but also the onset of winter in the Strawberry Mountains. He has only one advantage: he knows this wilderness like the back of his hand. Somehow, he has to survive long enough to get the message out—a message that could topple a government.

Yip/Tuck Feb 23 2022 One of Laguna Beach's best-known plastic surgeons may need a new leash on life. Unless he's just taking a very long nap on the bench outside Melinda Langston's Bow Wow Boutique . . . Dr. O'Doggle continued to give us the silent treatment. Fluffy eyed him intently. I studied him too. Tova Randall wasn't my BFF, to say the least, but I didn't wish her boyfriend any bad luck. My neighbor, Darby, relaxed her grip on Fluffy's leash. The big Afghan lunged toward Dr. O and knocked him over. Tova's handsome hunk rolled off the bench and dropped with a thud at our feet. Darby gasped. My stomach knotted. "No, no, no." I shook my head. "Not again." I knelt down and shook his shoulders. "Dr. O'Doggle?" I grabbed his suit lapels and yelled, "Jack?" No response. No, "I'm fine." No, "Stop yelling in my face." No, "Get your hands off me." No, no, no. I checked his throat for a pulse. Nothing. But he was still warm. My fingers brushed against

something knotted around his throat, and I'm not talking about his tie. I pulled back his shirt for a better look. I sucked in a breath, my nose filled with a light female perfume I didn't recognize. A thin dog leash was wound tightly around his neck. Identical to the kind I sold at the shop. This was not an accident. "Is he . . .?" Darby asked softly. I looked up at her. "Dead. No more late night walks for him."

With Reckless Abandon Mar 03 2020 Angel Vierra is a homicide cop who never gives up on a case until the cuffs are on or the perp is dead. He tracked the Bible in Blood serial killer and arrested her after she shot him. He also solved the Winter Kill case that ended in a shootout with the psycho killer. When two elected county sheriffs are murdered, he is sent to the water-winter wonderland of northern Michigan. Vierra quickly discovers that his killer is Manny Modelo, the regional sales manager for the Sina Loa drug cartel. His partner Adrienne Kincaid is a War-on-Terror vet who ably assists in the investigation. However, Modelo has Kincaid in his sights and is set on eliminating her. Jack Thorn, the Toronto Blue Jay's ace left handed pitcher, is the wild card. Thorn has his own reasons to eliminate Modelo and his own special ops talents. Thorn also has some powerful friends on his side, including a svelte and savvy NYPD detective. The question becomes: who will find the killer first? Critical praise for Sam Fluharty's first novel, *Rite of Revenge*: . . . Fluharty, a former Vietnam pilot, puts his flight experience to good use in this novel, and also showcases an authority on police techniques and procedure. The story is briskly paced, and the narrative remains central without disappearing behind extraneous information. An uneven romantic thriller that will appeal to genre fans (Kirkus Reviews of New York). Sam Fluharty flew a gunship in Vietnam and earned the Distinguished Flying Cross for Valor and the Purple Heart. He earned a law degree, and life got boring. Angel Vierra is Harry Bosch, Lucas Davenport and Billy Graves and of course, Sam Fluharty. Try to keep up with him!
