Did you know... * Nipple rings were popular in the late Victorian Era (see page 27) * The plain, bland graham cracker was originally invented to smother the sex drive (see page 94) * Cleopatra owned one of the world's first vibrators--a small container of buzzing bees (see page 206) PLUS The History of Sex * Sex in Literature, Film, and Art * Famous Sexual Athletes (and flops) *Perversions and Taboos * And Much More!

Office and SharePoint 2007 User's Guide Jul 11 2021 This book is a no-nonsense guide for Office users who have a SharePoint environment deployed. Written by the person responsible for large SharePoint deployment – his role is helping desktop users integrate and use SP features seamlessly – our author takes users through working with their familiar Office applications and leveraging SharePoint on the backend. This is different than using SharePoint; it's about putting Office to work and integrating it with SharePoint in such a way that even more benefits and synergies are realized. It's about using Office and

SharePoint as a platform, and there is no other book on the market combining the two products.

Doctor Who: Dalek Combat Training Manual Nov 03 2020 Know your enemy. The Daleks are the most evil creatures ever created - genetically engineered mutants encased in a machine that is optimised to kill. They hate all other life forms and will stop at nothing to destroy those who stand in their way - their single-minded imperative? To become the dominant species in the universe. The Dalek Combat Training Manual collates intelligence gathered by Time Lords over centuries of raging wars through time and space, and is invaluable to anyone engaging the Daleks in battle. It furnishes the user with an in-depth guide to their construction, their strategies and how they are to be ultimately defeated. Discover full schematics of Dalek spacecraft, insights into the Dalek factions, a history of the Time War, detailed analysis of their creator Davros, and much more. This manual is the definitive guide to one of the most feared races in the Whoniverse.

The Cat Owner's Veterinary Handbook Jul 31 2020 The Cat Owner's Veterinary Handbook covers all aspects of the cat in sickness and in health. It does not replace the vet but presents helpful advice on home treatments, where this is applicable, and informs the owner when to seek professional advice. Packed full of information, it will be invaluable to the millions of caring owners who regard their cat as "one of the family." It is written in plain, everyday language by an experienced veterinary surgeon who has been involved in the medical and

surgical problems of the cat for over 35 years. Topics include the healthy cat in its wild and domesticated state; choosing a suitable kitten, caring for it, and avoiding behavioral problems; common infectious diseases and parasites, including those that can arise when a cat is taken overseas; all parts of the cat are examined from the digestive system to the endocrine system; first aid, accidents, ailments, and the special ailments of feline old age.

Publishers' Circular and Booksellers' Record of British and Foreign Literature Apr 08 2021 **The Startup Owner's Manual** Jan 05 2021 More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to

follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you:

- Avoid the 9 deadly sins that destroy startups' chances for success
- Use the Customer Development method to bring your business idea to life
- Incorporate the Business Model Canvas as the organizing principle for startup hypotheses
- Identify your customers and determine how to "get, keep and grow" customers profitably
- Compute how you'll drive your startup to repeatable, scalable profits.

The Startup Owner's Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.
