The Last Continent Sep 20 2021 A beautiful hardback edition of the classic Discworld novel 'Anything you do in the past changes the future. The tiniest little actions have huge consequences. You might tread on an ant now and it might entirely prevent someone from being born in the future.' There's nothing like the issue of evolution to get under the skin of academics. Even if their field of expertise is magic rather than biology. With the best and most interfering minds of Unseen University somehow left in charge at a critical evolutionary turning point, the Discworld's last continent needs a saviour... Who is this hero striding across the red desert? Sheep shearer, beer drinker, bush ranger, and someone who'll even eat a Meat Pie Floater when he's sober. In fact, it's Rincewind, a wizard so inept he can't even spell wizard. He's the only hero left. Still...no worries, eh?

Nation Jul 31 2022 After a devastating tsunami destroys all that they have ever known, Mau, an island boy, and Daphne, an aristocratic English girl, together with a small band of refugees, set about rebuilding their community and all the things that are important in their lives.

Guards! Guards! Oct 10 2020 First book of the original and best CITY WATCH series, now reinterpreted in BBC's *The Watch* 'This is one of Pratchett's best books. Hilarious and highly recommended' *The Times* The Discworld is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . _____ 'It was the usual Ankh-Morpork mob in times of crisis; half of them were here to complain, a quarter of them were here to watch the other half, and the remainder were here to rob, importune or sell hotdogs to the rest.' Insurrection is in the air in the city of Ankh-Morpork. The Haves and Have-Nots are about to fall out all over again. Captain Sam Vimes of the city's ramshackle Night Watch is used to this. It's enough to drive a man to drink. Well, to drink more. But this time, something is different - the Have-Nots have found the key to a dormant, lethal weapon that even they don't fully understand, and they're about to unleash a campaign of terror on the city. Time for Captain Vimes to sober up.

A 300 year old wizard is after his girlfriend, he's about to be exposed as a fraud, but the Assassins Guild might get him first. In fact lot of people want him dead Oh. Where's My Cow? Apr 15 2021 Sam Vimes tries a variation on the usual bedtime story he shares with his son.

Maskerade Jul 19 2021 The Opera House, Ankh-Morpork: a huge rambling building, where innocent young sopranos are lured to their destiny by a strangely familiar evil mastermind in a hideously deformed evening dress. But Granny Weatherwax is in the audience, and she doesn't hold with that sort of thing. So there's going to be trouble (but nevertheless a good evening's entertainment with murders you can really hum.)

The Discworld Almanak Jun 05 2020 This volume provides a 2005 almanac Terry Pratchett fans.

The Carpet People Nov 30 2019 In the beginning, there was nothing but endless flatness. Then came the Carpet... That's the old story everyone knows and loves. But now the Carpet is home to many different tribes and peoples and there's a new story in the making. The story of Fray, sweeping a trail of destruction across the Carpet. The story of power-hungry mounds - and of two Munrung brothers, who set out on an amazing adventure. It's a story that will come to a terrible end - if someone doesn't do something about it. If everyone doesn't do something about it... Co-written by Terry Pratchett, aged seventeen, and master storyteller, Terry Pratchett, aged forty-three.

Reaper Man Jun 25 2019 'Inside every living person is a dead person waiting to get out.' Death has been fired by the Auditors of Reality for the heinous crime of developing . . . a personality. Sent to live like everyone else, Death takes a new name and begins working as a farmhand. He's got the scythe already, after all. And for humanity, Death is just . . . gone. Which leads to the kind of chaos you always get when an important public service is withdrawn. If Death doesn't come for you, then what are you supposed to do in the meantime? You can't have the undead wandering about like lost souls - there's no telling what might happen. Particularly when they discover that life really is only for the living . . . 'One taste, and you'll scour bookstores for more' *Daily Mail* *Reaper Man* is the second book in the Death series, but you can read the Discworld novels in any order.

Darwin's Watch Jan 25 2022 When Charles Darwin writes the wrong book and reverses the progress of science, Unseen University's wizards must once again save Roundworld (Earth, that is) from an apocalyptic end. Ever since a wizardly experiment inadvertently brought about the creation of Roundworld, the wizard scholars of Unseen University have done their best to put things on the right course. In *Darwin's Watch* they may face their greatest challenge yet: A man called Darwin has written a bestselling book called *The Theology of the Species*, and his theory of scientific design has been witlessly embraced by Victorian society. As a result, scientific progress has slowed to a crawl, and the wizards must find a way to change history back to the way it should have been. **DARWIN'S WATCH EXPLORES THE REVERBERATIONS** of major scientific advances on our planet and our culture, the dangers of obscurantism, and the theory of evolution as you have never seen it before. This brilliant addition to Pratchett's beloved Discworld series illustrates with great wit and wisdom how the laws of our universe truly are stranger than fiction.

The Last Hero Nov 03 2022 A short but perfectly formed complete Discworld novel, fully illustrated in lavish colour throughout, **THE LAST HERO** is an essential part of any Discworld collection. It stars the legendary Cohen the Barbarian, a legend in his own lifetime. Cohen can remember when a hero didn't have to worry about fences and lawyers and civilisation, and when people didn't tell you off for killing dragons. But he can't always remember, these days,

where he put his teeth... So now, with his ancient sword and his new walking stick and his old friends - and they're very old friends - Cohen the Barbarian is going on one final quest. He's going to climb the highest mountain in the Discworld and meet his gods. The last hero in the world is going to return what the first hero stole. With a vengeance. That'll mean the end of the world, if no one stops him in time.

Interesting Times Nov 22 2021 'There is a curse. They say: may you live in interesting times . . .' This is the worst thing you can wish on a citizen of Discworld. Especially for the magically challenged Rincewind, who has already had far too much excitement in his life. Unfortunately, the unlucky wizard always seems to end up in the middle of, well, absolutely everything. So when a request for a 'Great Wizzard' arrives from the faraway Counterweight Continent, it's obviously Rincewind who's sent. For one thing, he's the only one who spells wizard that way. Once again Rincewind is thrown headfirst into a dangerous adventure. For the oldest empire on the Disc is in turmoil and Chaos is building. And, for some reason, someone believes Rincewind will have a vital role in the coming war . . . 'Pratchett is a comic genius' Daily Express 'Funny, delightfully inventive, and refuses to lie down in its genre' Observer Interesting Times is the fifth book in the Wizards series, but you can read the Discworld novels in any order.

The World of Poo Jun 17 2021 From Snuff: 'Vimes' prompt arrival got a nod of approval from Sybil, who gingerly handed him a new book to read to Young Sam. Vimes looked at the cover. The title was The World of Poo. When his wife was out of eyeshot he carefully leafed through it. Well, okay, you had to accept that the world had moved on and these days fairy stories were probably not going to be about twinkly little things with wings. As he turned page after page, it dawned on him that whoever had written this book, they certainly knew what would make kids like Young Sam laugh until they were nearly sick. The bit about sailing down the river almost made him smile. But interspersed with the scatology was actually quite interesting stuff about septic tanks and dunnakin divers and gongfermors and how dog muck helped make the very best leather, and other things that you never thought you would need to know, but once heard somehow lodged in your mind.'

Unseen Academicals Mar 27 2022 Football has come to the ancient city of Ankh-Morpork. And now, the wizards of Unseen University must win a football match, without using magic, so they're in the mood for trying everything else. This is not going to be a gentleman's game. The prospect of the Big Match draws in a street urchin with a wonderful talent for kicking a tin can, a maker of jolly good pies, a dim but beautiful young woman, who might just turn out to be the greatest fashion model there has ever been, and the mysterious Mr Nutt (and no one knows anything much about Mr Nutt, not even Mr Nutt). As the match approaches, four lives are entangled and changed for ever. Because the thing about football - the important thing about football - is that it is not just about football. Here we go! Here we go! Here we go!

Mort Mar 03 2020 Death comes to Mort with an offer he can't refuse -- especially since being dead isn't compulsory. The position of Death's apprentice is everything Mort thought he'd ever wanted, until he discovers that this perfect job can be a killer on his love life.

The New Discworld Companion Oct 22 2021 The Discworld is an unpredictable place, what with rivers you can skateboard across (if they weren't so knobbly), rocks that like a stroll about of an evening and points of raw magic that can turn a body inside out soon as look at it. This edition, the first major revision since HOGFATHER was published (1997), covers the eight DISCWORLD novels from JINGO onwards, including THE LAST HERO and MAURICE AND HIS AMAZING EDUCATED RODENTS, as well as the Diaries, the plays and other Discworld Spinoffery.

Snuff Oct 29 2019 "Pratchett . . . has a satirist's instinct for the absurd and a cartoonist's eye for the telling detail." —Daily Telegraph (London) "The purely funniest English writer since Wodehouse." —Washington Post Book World Sam Vimes, watch commander of Ankh-Morpork, is at long last taking a much-needed (and well deserved) vacation. But, of course, this is Discworld®, where nothing goes as planned—and before Vimes can even change his cardboard-soled boots for vacationer's slippers, the gruff watch commander soon finds himself enmeshed in a fresh fiasco fraught with magic, cunning, daring, and (for the reader more than for poor Vimes) endless hilarity. Did he really expect time off? As Vimes himself says in Feet of Clay, "there's some magical creature called 'overtime,' only no one's even seen its footprints." Following the New York Times bestselling Unseen Academicals, Terry Pratchett delivers an enthralling new tale from a place of insuperable adventure: Discworld. Discworld® is a registered trademark.

Assassins' Guild Diary, 2000 Aug 27 2019 The Ankh-Morpork Assassins' Guild* in its modern form is the result of Lord Vetinari's distinctive civic policy, and is renowned across the Discworld. It offers the best all-round education in the world, because a qualified assassin should be at home in any company, and able to play at least one musical instrument. Anyone inducted by a graduate of the Guild school can go to his rest satisfied that he has been annulled by someone of taste and discretion. You need never be late for an assassination again with this fully functioning diary with all the necessary dates, holidays, notes and a year planner, including Octedays, the exclusive 8th Discworld day. Carpe Jugulum Jan 13 2021 In this and indeed other lives there are givers and takers. It's safe to say that vampires are very much in the latter camp. Lancre's newest residents are a thoroughly modern, sophisticated vampire family. They've got style and fancy waistcoats. They're out of the casket and want a bite of the future. But they haven't met the neighbours yet: between them and Lancre stand Granny Weatherwax and Nanny Ogg. And Magrat, who is trying to combine witchcraft and nappies. All the Discworld's a Stage Jan 01 2020

Small Gods Nov 10 2020 'Just because you can't explain it, doesn't mean it's a miracle.' In the beginning was the Word. And the Word was: 'Hey, you!' This is the Discworld, after all, and religion is a controversial business. Everyone has their own opinion, and indeed their own gods, of every shape and size, and all elbowing for space at the top. In such a competitive environment, shape and size can be pretty crucial to make one's presence felt. So it's certainly not helpful to be reduced to appearing in the form of a tortoise, a manifestation far below god-like status in anyone's book. In such instances, you need an acolyte, and fast: for the Great God Om, Brutha the novice is the Chosen One - or at least the only One available. He wants peace and justice and brotherly love. He also wants the Inquisition to stop torturing him now, please...

Night Watch Jan 31 2020 Sixth book of the original and best CITY WATCH series, now reinterpreted in BBC's *The Watch* 'The best Discworld book in the whole world ever. Until next time.' SFX The Discworld is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . 'Don't put your trust in revolutions. They always come round again. That's why they're called revolutions. People die, and nothing changes.' For a policeman, there can be few things worse than a serial killer loose in your city. Except, perhaps, a serial killer who targets coppers, and a city on the brink of bloody revolution. For Commander Sam Vimes, it all feels horribly familiar. Caught on the roof of a very magical building during a storm, he's found himself back in his own rough, tough past without even the clothes he was standing up in when the lightning struck. Living in the past is hard, especially when your time travel companion is a serial killer who knows where you live. But he must survive, because he has a job to do: track down the murderer and change the outcome of the rebellion. The problem is: if he wins, he's got no wife, no child, no future...

The Magic of Terry Pratchett Feb 11 2021 An in-depth look into the life and writings of the bestselling author of the Discworld novels, *Good Omens*, and *Nation*. *The Magic of Terry Pratchett* is the first full biography of Sir Terry Pratchett ever written. Sir Terry was Britain's bestselling living author*, and before his death in 2015 had sold more than 85 million copies of his books worldwide. Best known for the Discworld series, his work has been translated into thirty-seven languages, and performed as plays on every continent in the world, including Antarctica. Journalist, comedian and Pratchett fan Marc Burrows delves into the back story of one of UK's most enduring and beloved authors, from his childhood in the Chiltern Hills, to his time as a journalist, and the journey that would take him—via more than sixty best-selling books—to an OBE, a knighthood and national treasure status. *The Magic Of Terry Pratchett* is the result of painstaking archival research alongside interviews with friends and contemporaries who knew the real man under the famous black hat, helping to piece together the full story of one of British literature's most remarkable and beloved figures for the very first time. * Now disqualified on both counts. Praise for *The Magic of Terry Pratchett* "In this encompassing biography of the prolific fantasy and science-fiction author, writer and comedian Burrows details both the writing accomplishments and the personal life of Sir Terry Pratchett. . . . Burrows spoke to friends and family, and this biography has moments of sadness, especially when discussing Pratchett's fight with Alzheimer's. But the book is also funny and conversational in tone, and an excellent tribute to a beloved author." —Booklist "Affable and consistently engaging . . . Burrow's buoyant, pun-peppered, and aptly footnote-flecked style . . . helpfully marries his subject matter, propelling us through decade after decade of a heavily writing-centric life while illuminating Pratchett's complexities and contradictions without any drag in the tempo." —Locus Magazine "An impressively comprehensive, engagingly written biography. ****" —SFX

Guards! Guards! Sep 28 2019 This is where the dragons went. They lie... not dead, not asleep, but... dormant. And although the space they occupy isn't like normal space, nevertheless they are packed in tightly. They could put you in mind of a can of sardines, if you thought sardines were huge and scaly. And presumably, somewhere, there's a key... GUARDS! GUARDS! is the 8th Discworld novel - and after this, dragons will never be the same again!

Sourcery Mar 15 2021 The Discworld is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . Unseen University, the most magical establishment on the Discworld, has finally got its wish: the emergence of a wizard more powerful than they've ever seen. You'd think the smartest men on the Disc would have been a little more careful what they wished for. As the drastic consequences of sourcery begin to unfold, one wizard holds the solution in his cowardly, incompetent hands. Rincewind must take the University's most precious artefact, the very embodiment of magic itself, and deliver it halfway across the disc to safety . . .
