Lady Osbaldestone's Christmas Intrigue Nov 02 2020 #1 New York Times bestselling author Stephanie Laurens immerses you in the simple joys of a long-ago country-village Christmas, featuring a grandmother, her grandchildren, her unwed son, a determined not-so-young lady, foreign diplomats, undercover guards, and agents of Napoleon! At Hartington Manor in the village of Little Moseley, Therese, Lady Osbaldestone, and her household are once again enjoying the company of her intrepid grandchildren, Jamie, George, and Lottie, when they are unexpectedly joined by her ladyship's youngest and still-unwed son, also the children's favorite uncle, Christopher. As the Foreign Office's master intelligence officer, Christopher has been ordered into hiding until the department can appropriately deal with the French agent spotted following him in London. Christopher chose to seek refuge in Little Moseley because it's such a tiny village that anyone without a reason to be there stands out. Neither he nor his office-appointed bodyguard expect to encounter any dramas. Then Christopher spots a lady from London he believes has been hunting him with matrimonial intent. He can't understand how she tracked him to the village, but determined to avoid her, he enlists the children's help. The children discover their information-gathering skills are in high demand, and while engaging with the villagers as they usually do and taking part in the village's traditional events, they do their best to learn what Miss Marion Sewell is up to. But upon reflection, Christopher realizes it's unlikely the Marion he was so attracted to years before has changed all that much, and he starts to wonder if what she wants to tell him is actually something he might want to hear. Unfortunately, he has set wheels in motion that are not easy to redirect. Although Marion tries to approach him several times, he and she fail to make contact. Then just when it seems they will finally connect, a dangerous stranger lures Marion away. Fearing the worst, Christopher gives chase—trailed by his bodyguard, the children, and a small troop of helpful younger gentlemen. What they discover at nearby Parteger Hall is not at all what anyone expected, and as the action unfolds, the assembled company band together to protect a secret vital to the resolution of the war against Napoleon. Fourth in series. A novel of 81,000 words. A Christmas tale of intrigue, personal evolution, and love.

The Chateau Jul 30 2020 I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me. So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the best wine I'd ever had. My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life. But when she comes to Paris for a visit...she brings trouble with her. She gets herself into a bad situation, and of course, I come to her rescue...like I always do. Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness. Except for my guard. He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier. He tells me not to run because I'll never make it...but he brings me little hidden tools...as if he's giving me the means. Like he wants me to be free.

Mapp and Lucia Jan 24 2020 A brilliant and subtle comedy on the social rivalries of a small village between the wars. Lucia is probably the greatest creation of E. F. Benson, a social climbing socialite from the small village of Riseholme. A beautifully written and sharply observed comedy, exploring the social life of Edwardian high society.
