Straightforward Advanced Level Workbook with Key and CD Jun 29 2022 Straightforward has been revamped in a second edition, with much of the content updated and made more relevant to our ever-changing world. New topics, articles and exercises appear within a fresh new design. All the old teachers' favourites are still there - meaning it will still be a joy to teach with. Each unit is structured to provide one lesson per double-page spread (A/B/C/D), lasting around 90 minutes. All lessons are interlinked to promote better and more memorable learning, with the flexibility to pick out key sections to focus on certain language points. All language is clearly signposted and scaffolded so there is great clarity of progression of learning - students can really feel they are getting somewhere. There are extra communication pages and unit reviews, plus new videos, online material and photocopyables to extend and add to a lesson. The CEFR plays a prominent part in the second edition with clear signposting, self-assessment opportunities and the invaluable portfolio. The Teacher's Book and supporting website have tips, photocopyables and information.

**Grammar By Diagram - Second Edition** Mar 27 2022 Grammar by Diagram, second edition is a book designed for anyone who wishes to improve grammatical understanding and skill. Using traditional sentence diagramming as a visual tool, the book explains how to expand simple sentences into compound, complex, and compound-complex sentences, and how to employ verbals (infinitives, gerunds, and participles) and other structures for additional variety. The text addresses the most frequent usage errors by explaining how to distinguish between adjectives and adverbs; how to avoid problems of pronoun case, agreement, and consistency; how to ensure that verbs will agree with their subjects and will be appropriate in terms of tense, aspect, voice, and mood; and how to phrase sentences to avoid errors in parallelism or placement of modifiers. Six appendices incorporate further exercises, a summary of key basics from the text, and supplemental material not included in the body of the text but useful for quick reference. This new edition includes additional exercises and has been revised and updated throughout.
