Inferno of Darkness Sep 19 2021 Lexi Winters thought she'd experienced loss and heartache before, but nothing prepares her for the raw pain at being separated from Ashor Clave-the demon she is soulbound with. Nor does she expect the strange darkness that awakens inside her. The Queen of Darkness has not given up on her plan to conquer the underworld, an epically bad idea on so many levels. If the queen succeeds, a rift will be created in the barrier between worlds, allowing demons to walk freely. Her first attempt might have been thwarted by Lexi's escape, but the queen is ancient and patient. She has a bargaining chip-Ashor. Lexi wants only to save her mate, which involves breaking him out of the underworld, but there are so many complications she never sees coming. Lexi never thought she would ever go back to Hell, but for Ashor, she is willing to risk more than just her life. Because when you are dealing with the queens of Hell, your soul is on the line.

Chasing Angel Nov 02 2022 Chase Winters is one of a kind. That doesn't mean he still doesn't get on my nerves more days than not, but his arrogance is starting to be sexy. Together our bond grows stronger, and so do we. Just as we hurdle one obstacle, two or three more pop up. Go figure. It isn't enough that Emma once again hates our guts, now Travis has decided to go all demon-zoid on us. I could hardly blame him though; he had lost the girl of his dreams-again. After everything that we have endured, I am not the same girl anymore. Not since the day I met Chase. The icing on the cake-there is a new player in town, and he is not human. Hell has decided to pay Spring Valley a visit, and Chase and I are their first stop. Our quiet little town was about to shatter. Of course there is also our rare bond to factor into all of this, and the pesky last piece. Or maybe it isn't as pesky as it is combustible. Soul. Heart. Body. Oh dear God?

Faerie Tale Aug 26 2019 "A contemporary novel of masterful horror replete with magic, fantasy, and more than a little stylish sensuality."—The Washington Post Phil Hastings was a lucky man—he had money, a growing reputation as a screenwriter, a happy, loving family with three kids, and he'd just moved into the house of his dreams in rural of magic—and about to be altered irrevocably by a magic more real than any he dared imagine. For with the Magic came the Bad Thing, and the Faerie, and then the Fool . . . and the resurrection of a primordial war with a forgotten People—a war that not only the Hastings but the whole human race could lose. "Absorbing, thought-provoking, and thoroughly magical. Feist's skillfully crafted prose illuminates many of the darker sides of fairy stories. . . . Try it as a bedtime story . . . but only on nights when you can take some time getting to sleep."—The West Coast Review of Books

Loving Angel Dec 11 2020 Loving Angel isn't easy. Actually, it's downright exhausting, but somehow she weaseled her way into my life. She has become my everything—my reason for existing—my reason for breathing. I love the ever-loving crap out of Angel Eyes. There is nothing I wouldn't endure for her—even college. College. Ugh. I hope the frat boys, the jocks, and the nerds are prepared for what is about to embark on their school this fall. Half-demons. Hunters. And um, the Keystone? Yeah, that is going to take getting used to. We aren't exactly your average freshman. And somehow I find myself stuck with a bunch of troublesome females to look after. Angel. Emma. Lexi. Pretty sure I got the raw end of the stick. But that isn't the worst of it. There is someone lurking in the shadows—spying and stalking my girlfriend. He is a dead man. How many people am I going to have to kill for this girl? A better question would be how many people wouldn't I kill for her? As many as it took. Angel is about to experience betrayal of the worst kind. And this time, it's not entirely my fault—shocker.

Luminescence Jun 24 2019 My dreams were anything but normal. My temper sucked. And the new guy at school was anything but average. I was a goner. We are talking, picking my drooling tongue off the floor kind of gone. One reckless decision to skip school and I found myself in the arms of a bad boy with an attitude, disarming smirks, and uber mystery shrouding him. Gavin Mason was mouthwatering hot, and his stormy sapphire eyes were filled with secrets. Gavin might be dark and dreamy, but he wasn't the guy who captivated my nights. Lukas Devine looked like the boy next door, and it was his sunny face that heated up my unusual dreams. The closer I get to Gavin, the crazier they become. Then the unexpected happens. Gavin literally froze an object mid-air saving my ass from what could have been a life-threatening situation. Turned out the guy I am crushing hardcore on, was a witch. Yep. You got it. A full-blooded witch. Magic just wasn't a myth, and Gavin and his family weren't the only witches in town. But will I be able to accept my fate, a fate that might be unavoidable.

Hunting Angel Nov 29 2019 Chase Winters was the bane of my existence. But he was also the lifeline of my heart and soul. Literally. Things were steaming up between us, and between the sheets. When his lips weren't locked with mine, they were spewing verbal crap. Half the time I don't know whether to kiss him or slap him. Our bond was more than just being connected, we were soulbond. The closer we got, the stronger the bond takes hold, and now-a-days it seemed we were inseparable. There was a new addition to our little town, one that has all the Divisa's on guard - a hunter has taken up residency. This hunter was not just another threat, not when their identity hit so close to home. Strife divides my neighbor's household surrounding this supposed enemy. Could they be friend or foe? Chase's number one priority in all this as always, was to keep me safe. Regardless of what Chase thought, I was not the weak and fragile human they all thought I was. And there was nothing I wouldn't do to keep Chase from harm. He might drive me up a freaking wall, but he was my pain in the ass. I wasn't about to sit back and let some hunter fire an arrow through his heart. Not if I could help it. Then there was the one question that was on everyone's mind: Will the hunter kill us or save us...

Losing Emma (Jan 12 2021 "Emma Deen was no stranger to being the new girl. The word 'roots' weren't in her family's vocabulary. So when she found herself a junior at Hall High, the last thing she had expected was to be drawn to the magnetic Travis Winters. Those turquoise eyes and irresistible dimples tugged at her heart. Dancing used to consume her world until Travis. Being half-demon was no picnic in the park. Friends were sparse, his love life was tricky, and he was always in constant danger. Even though Travis tried to keep his distance, Emma made it impossible for him to ignore her anymore. And his life took on a new meaning. Hopeful. Tempting. Love. Travis's dark secret would not only throw them in danger, it would also change their lives. Neither of them knew what being together would lead to"--Page 4 of cover.
