The Sniper's Kiss Jan 01 2020

It is 1944, and vast armies drive each other back and forth over blood-drenched Europe. In the midst of it, two radically different women meet, one a Russian speaking American on a failed diplomatic mission and the other a Soviet sniper. The American, fleeing a sordid past worthy of Dostoyevsky, has murder in her heart but has injured no man. The other, a once-saintly believer, has killed a hundred of them for Stalin. Their politics are worlds apart, but a reckless drunken kiss has tied them together, through church and trench, incense and the smoke of battle. If they

A fascinating book." —SARAH WATERS, author of *The Night Watch* and *The Little Stranger* Without awkwardness we would not know grace, stability, or balance. Yet no one before Mary Cappello has turned such a penetrating gaze on this misunderstood condition. Fearlessly exploring the ambiguous borders of identity, she mines her own life journeys—from Russia, to Italy, to the far corners of her heart and the depths of a literary or cinematic text—to decipher the powerful messages that awkwardness can transmit.

Inverness Jul 07 2020 "God's Country," is the best way to describe Inverness, during the '60s. It was a safe place filled with wonder and natural beauty. While reading Inverness; The Barefoot Years, take a break and close your eyes. See if you can remember chasing lightning bugs at dusk or the smell after a spring rain. Can you still hear the whistle of the midnight train or remember running barefoot on the school play ground. I hope this book brings you a flood of great childhood memories. If I had one wish it would be to turn back the hands of time so our children or grandchildren could live as we did, a carefree, innocent childhood.

The First 100 Kisses May 05

2020 "I have a huge favor to ask." Chloe Clark's smoking hot neighbor and best friend, Liam, needed her help. To practice his kissing. Chloe knew it wasn't a joke. Liam was socially awkward, and on the spectrum, which was why he was still single at 33. Women didn't understand Liam the way Chloe did. Yeah, he was odd, but he was her bestie. She had her issues, too. Like always falling for the wrong guys. But that's what made them work as besties. They accepted each other for who they were. No pretending. No games.

Perfectly platonic. So when Liam asked Chloe for help to get him ready for a second chance date with his high school sweetheart she could hardly say no. After all, Liam was woefully inexperienced; like virgin-level pure. It was

someone that sexy to be so untouched. What choice did she have? She couldn't leave her bestie to make a fool of himself with the woman he'd loved since he was a teenager. She'd give him a few pointers, let him practice a few kisses on her, maybe teach him a slow burn kiss, or the right way to cup a woman's breast, then send him on his merry way. He just needed a few kisses under his belt and he'd be fine for his date. The bumped heads and smooched noses Chloe expected. What she hadn't counted on, was liking Liam's kisses. A lot. When the practice sessions become a major turn on for Chloe, how will she keep her pesky libido in check? And worse, how was she supposed to hand him over to another woman after she'd fallen for him so hard?

But one sight she can't unsee is the model--sans clothes--in her unexpected art class. All it takes is one smirk, one tiny hint of a smile from him, and she remembers why she should avoid sexy men. Imagine the double-take when she realizes he's the groomsman opposite her in her cousin's wedding. Jack O'Connor has no shortage of admirers, and while casual attention can be fun, it's quality he fears he'll never find in a woman. He might be prepared to survive a wedding out of town, but he isn't ready to face the blushing beauty from the drawing class he'd starred in after losing a bet. Unsure of what to make of the feisty woman now at his side, he's tempted to learn more about her. The more he learns, the more he hopes that first impressions aren't the only ones that matter...

During a solo outing to her favorite beach, Gemma realizes—to her horror—that the popular kids from school have shown up to throw a party. Before she can sneak away (and possibly puke behind her car) Gemma is pulled into the action and ends up talking to Beau, who asks her to pretend that they're "close." Gemma is too flustered and flattered to refuse, and mostly, she's wondering why Beau is talking to her at all . . . right up until the moment when he falls off the boat, hits his head, and ends up in a coma. After rescuing Beau from the water, Gemma is mistaken for Beau's girlfriend by his friends and family, including his mysterious older brother, Griff, who has returned to town after a year away. Gemma tries to correct the record, but her social anxiety (and a nosy reporter) gets in the way of every turn.
