Psychologist and resiliency coach Patricia O'Gorman, PhD, has created the definitive detox program that will change everything for women—the feminist in her 70s, the corporate executive in her 60s, the small-business owner in her 50s, the divorcée in her 40s, the young mother in her 30s, and the newly minted college graduate in her 20s. The worst offender is her new neighbor, Oliver Cunningham—the grown son of the very family Naomi’s mother used to work for. Oliver used to torment Naomi when they were children, and as a ridiculously attractive adult, he’s tormenting her in entirely different ways. Now they find themselves engaged in a battle-of-wills that will either consume or destroy them. “Strong characters and relatable situations elevate Layne’s bighearted contemporary...[which] digs into class differences, emotional baggage, and the reality of dealing with aging parents” (Publishers Weekly, starred review). With the sexy combination of charm, heart, and snark, Lauren Layne’s new series is perfect for fans of Christina Lauren and Sally Thorne.
