[Spider's Revenge](#) Dec 05 2020 The fifth book in the “outstanding” (Romantic Times) Elemental Assassin fantasy series featuring Gin Blaco, who by day is a waitress at a Tennessee BBQ joint, and by night is a tough female assassin. Old habits die hard for assassins. And I plan on murdering someone before the night is through. Killing used to be my regular gig, after all. Gin Blanco, aka the Spider, assassin-for-hire. And I was very, very good at it. Now, I’m ready to make the one hit that truly matters: Mab Monroe, the dangerous Fire elemental who murdered my family when I was thirteen. Oh, I don’t think the mission will be easy, but turns out it’s a bit more problematic than expected. The bitch knows I’m coming for her. So now I’m up against the army of lethal bounty hunters Mab hired to track me down. She also put a price on my baby sister’s head. Keeping Bria safe is my first priority. Taking Mab out is a close second. Good thing I’ve got my powerful Ice and Stone magic—and my irresistible lover, Owen Grayson—to watch my back. This battle has been years in the making, and there’s a good chance I won’t survive. But if I’m going down, then Mab’s coming with me . . . no matter what I have to do to make that happen.

Everyone at Mythos Academy knows me as Gwen Frost, the Gypsy girl who uses her psychometry magic to find lost objects—and who just may be dating Logan Quinn, the hottest guy in school. But I'm also the girl the Reapers of Chaos want dead. The Reapers are the same bad guys who murdered my mom. It turns out she hid a powerful artifact from them before she died. They think I know where it is, but this is one thing I can't use my magic to find. All I do know is that the Reapers are coming for me—and I'm in for the fight of my life.

I’m a student, a fierce Spartan warrior, and a member of Team Midgard, a group of kids and adults tasked with stopping the evil Reapers of Chaos. There is one Reaper I’m determined to hunt down above all others: Covington, the man who murdered my parents. So when the Midgard gets a tip that Covington is going to try to steal a dangerous artifact, I’m ready to fight. But the situation is far more complicated than it seems, and the Reapers aren’t my only enemies. I’ll have to use all my Spartan strength and skills to survive this. And even then, it might be my blood that gets spilled . . .

[Killer Frost](#) Aug 25 2022 A teenage student of magical combat gets put to the test against an evil god in the New York Times bestselling author’s YA urban fantasy novel. As a warrior-in-training at Mythos Academy, I've battled the Reapers of Chaos before—and survived. But this time I have a Bad, Bad Feeling it's going to be a fight to the death. . .most likely mine. Yeah, I've got my psychometry magic, my talking sword, Vic, and even the most dangerous Spartan on campus—Logan Quinn—at my side. But I'm still no match for Loki, the evil Norse god of chaos. I may be Nike's Champion, but at heart, I'm still just Gwen Frost, that weird Gypsy girl everyone at school loves to gossip about. Then someone I love is put in more danger than ever before, and something inside me snaps. This time, Loki and his Reapers are going down for good . . . or I am.

[Midnight Frost](#) Oct 27 2022 Warrior-in-training Gwen Frost is out to find an antidote to save her friend’s life in the New York Times bestselling author’s YA urban fantasy novel. Just when it seems life at Mythos Academy can't get any more dangerous, the Reapers of Chaos manage to prove me wrong. It was just a typical night at the Library of Antiquities—until a Reaper tried to poison me. The good news is I'm still alive and kicking. The bad news is the Reaper poisoned someone else instead. As Nike's Champion, everyone expects me to lead the charge against the Reapers, even though I'm still hurting over what happened with Spartan warrior Logan Quinn. I've got to get my hands on the antidote fast--otherwise, an innocent person will die. But the only known cure is hidden in some creepy ruins. And the Reapers are sure to be waiting for me there.

On the bright side, I finally got a date with Logan Quinn, the hottest—and deadliest—Spartan at Mythos.

But I should have known it was destined to end in disaster. If we'd gotten into a swordfight, or been ambushed by Reapers, I'd have been more prepared. I definitely didn't expect to get arrested mid-sip at the local coffee hangout. I'm accused of purposely helping the Reapers free Loki—and the person leading the charge against me is Linus Quinn, Logan's dad. Now pretty much everyone at school thinks I'm guilty. If I'm going to get out of this mess alive, I'll have to do it myself.

Touch of Frost Oct 03 2020 When Jasmine Ashton is murdered in the Library of Antiquities, Gwen Frost is determined to find out who killed the girl after she realizes she should have been the one that died.

Mythos Academy Bundle: First Frost, Touch of Frost, Kiss of Frost & Dark Frost Sep 02 2020 First Frost I am Gwen Frost, and I have a Gypsy gift. It's called psychometry - that's a fancy way of saying that I see images in my head and get flashes of other people's memories off almost everything I touch, even guys. My gift makes me kind of nosy. Okay, okay, maybe a lot nosy--to the point of obsession sometimes. I want to know everything about everyone around me. But even I don't want to know the secrets my friend Paige is hiding or the terrible loss that will send me to a new school - Mythos Academy, where the teachers aren't preparing us for the SATs, but to battle Reapers of Chaos. Now I have no friends and no idea how my gift fits in with all these warrior whiz kids. The only thing I do know is that my life is never, ever going to be the same. . . Touch of Frost My name is Gwen Frost, and I go to Mythos Academy -- a school of myths, magic and warrior whiz kids, where even the lowliest geek knows how to chop off somebody's head with a sword and Logan Quinn, the hottest Spartan guy in school, also happens to be the deadliest. But lately, things have been weird, even for Mythos. First, mean girl Jasmine Ashton was murdered in the Library of Antiquities. Then, someone stole the Bowl of Tears, a magical artifact that can be used to bring about the second Chaos War. You know, death, destruction and lots of other bad, bad things. Freaky stuff like this goes on all the time at Mythos, but I'm determined to find out who killed Jasmine and why - especially since I should have been the one who died... Kiss of Frost Logan Quinn was trying to kill me. My Spartan classmate relentlessly pursued me, swinging his sword at me over and over again, the shining silver blade inching closer to my throat every time. A smile tugged up his lips, and his ice-blue eyes practically glowed with the thrill of battle. . . I'm Gwen Frost, a second-year warrior-in-training at Mythos Academy, and I have no idea how I'm going to survive the rest of the semester. One day, I'm getting schooled in swordplay by the guy who broke my heart--the drop-dead gorgeous Logan who slays me every time. Then, an invisible archer in the Library of Antiquities decides to use me for target practice. And now, I find out that someone at the academy is really a Reaper bad guy who wants me dead. I'm afraid if I don't learn how to live by the sword--with Logan's help--I just might die by the sword. . . Dark Frost I've seen so many freaky things since I started attending Mythos Academy last fall. I know I'm supposed to be a fearless warrior, but most of the time, I feel like I'm just waiting for the next Bad, Bad Thing to happen. Like someone trying to kill me--again. Everyone at Mythos Academy knows me as Gwen Frost, the Gypsy girl who uses her psychometry magic to find lost objects--and who just may be dating Logan Quinn, the hottest guy in school. But I'm also the girl the Reapers of Chaos want dead in the worst way. The Reapers are the baddest of the bad, the people who murdered my mom. So why do they have it in for me? It turns out my mom hid a powerful artifact called the Helheim Dagger before she died. Now, the Reapers will do anything to get it back. They think I know where the dagger is hidden, but this is one thing I can't use my magic to find. All I do know is that the Reapers are coming for me--and I'm in for the fight of my life.

Most people shy away from blood, but for an assassin like me—Gin Blanco, aka the Spider—it's just part of the job. Still, it would be nice to get a night off, especially when I'm attending the biggest gala event of the summer at Briartop, Ashland's fanciest art museum. But it's just not meant to be. For this exhibition of my late nemesis's priceless possessions is not only the place to be seen, but the place to be robbed and taken hostage at gunpoint as well. Because I brought along a couple of knives in addition to my killer dress. Add these to my Ice and Stone magic, and nothing makes me happier than showing the bad guys why red really is my color.
