With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. **Shaq Talks Back** Jul 17 2021 It's rare to discover a candid sports autobiography-- even rare when the author is one of the most recognizable athletes in the world. But in *Shaq Talks Back*, Shaquille O'Neal for the first time talks frankly about his childhood, his life, his rivalries, and his career, culminating in a dramatic, behind-the-scenes account of the Los Angeles Lakers' drive to the NBA Championship. At seven feet one inch tall and 330 pounds, Shaq has always faced outsized expectations, even as a child when he towered over other kids. *Shaq Talks Back* is the story of how potential became reality-- how someone expected to be a champion finally learned to become one. Beginning with his memory of crying on the court after the Lakers defeated the Indiana Pacers, Shaq takes us back to his younger days in Newark and Jersey City, New Jersey, then to Georgia and finally to Germany, where he began to harness some of his height and strength. From there, he recounts the remarkable progress of his basketball career, changing from a big but inexperienced teenager to a dominant college and professional player. Shaq talks about: \* Playing at Louisiana State University for the unpredictable coach Dale Brown \* Signing the biggest rookie contract ever with the Orlando Magic-- and going to the NBA Finals for the first time \* What happened next: dissention, disappointment, and his decision to leave for Los Angeles \* The dysfunctional Lakers who were never able to win the big games \* Dealing with egos as he finds the right chemistry with Kobe Bryant, Phil Jackson, and new additions to the team \* Rivalries with Alonzo Mourning, Patrick Ewing, Hakeem Olajuwon, David Robinson, and others \* The trouble with free throws... \* "Bling-bling" and women: the larger-than-life world of NBA players off the court \* Inside the Lakers' comeback from the brink against Portland and the drive to the NBA championship Funny, insightful, opinionated, and unexpectedly moving, *Shaq Talks Back* is the true voice of the NBA's best player.

It soon became apparent that to properly instruct the trainees,

even with the advanced equipment, a standardized up-to-date instruction manual was needed. The first manual was later revised to serve both as a classroom textbook and as an onboard reference handbook.
