**Mother Of All Tales** Nov 25 2019 "This book is a tribute to mostly unsung heroines of our lives; our mothers. The book is a precious and playful banter between a 70-year-old traditional Punjabi mother and her 45-year-old part-Punjabi, part-cosmopolitan, part-traditional, part-rebel daughter, trying to get along with each other while sliding down the chute of daily life. Based in a Punjabi household, the book has a universal appeal as the author has translated every Punjabi dialogue or expression written in 'Gurmukhi' script, into English. The book has a very large-hearted witty approach to life's molehills and mountains alike."
