Christ the Lord The Road to Cana Sep 03 2022 '[W]hen I found Rice's work I absolutely loved how she took that genre and (...) made [it] feel so contemporary and relevant' Sarah Pinborough, bestselling author of Behind Her Eyes '[Rice wrote] in the great tradition of the gothic' Ramsey Campbell, bestselling author of The Hungry Moon Herod Antipas rules Galilee, Pontius Pilate is the new Roman governor of Judea, and the Roman Empire rules the world. These are turbulent times for Israel, a troubled land of turmoil and insurrection. Now in his thirtieth year, Jesus and his tight-knit family endure a long, dusty winter of disruption and chaos. Whispers of his virgin birth still persist, and while he struggles with the demands of his family and the weight of his great destiny, those around him wait for some sign of the path he will take. But this quiet man of Nazareth is instead called upon to found a ministry which will utterly transform an unsuspecting world . . .

Shutting God Out Feb 25 2022 Becoming a new Christian can be a daunting task for any new believer and common misconceptions of that are thinking that everything is going to change in an instant. All your problems will suddenly disappear and your character changes instantly. Wrong? God's work in you has only just begun and in this book you will see how even as experienced Christians we allow life to get in the way of our relationship with our heavenly father. Many times over we lose hope during really trying times but instead of relying on God we try to fix our problems by ourselves and in the process make them much worse than they really are. Prosperous living is a choice you can make. If your life is in chaos and a big mess of bills and debt; it probably feels like God does not want you to prosper. Do not be discouraged: God wants you to be blessed and live in abundance. Once we grasp the fact that God wants us to prosper, we can begin to turn things around. I believe there are blessings that we have not even seen yet. He has unlimited supply to whatever there is! No one really knows what blessings he has in store for us. Blessings from heaven and blessings from below. Many times, the smallness of our faith limits God's provision in our lives. By not living according to the Biblical principles of prosperity, we are in effect hindering God from bringing abundance in our lives.

God: Out of Control, Out of the Box, Out of Time Feb 13 2021 God Out of Control shouts the fact that God's Presence is not constrained by time, manmade walls around Him, or self-limiting and God-constraining mindsets. Statistics abound about the large numbers of people leaving organized religion and the general disenchantment with all things spiritual as presented by Western religions. Secularists, politicians, political correctness police, public education, government, and law enforcement have all stepped up unwarranted persecution of religion in general and Christianity in particular. These anti-Christ systems are encouraged to continue by the obvious lack of push-back by the religious machines in the United States. Genuine believers, the grassroots movement of quiet anarchy, are quickly dismissed as fringe groups with no real power or organization. Little do the masters of deception understand the inner workings of the Holy Spirit that are reminiscent of the times of the apostles and the early church founders. These early believers knew and understood that He who was in them was greater than who was in the world (1 John 4:4). They could not be bullied, silenced, or ignored. They escaped from legalistic traditions and the mind-numbing status

BREATHE GOD IN, BREATHE GOD OUT Oct 24 2021 Take a journey, if you will, a look into the life of a young man who woke up one morning with a state of discontent he could not avoid. Once upon a time, he felt secure in a world of career longevity, abundant income, being loved by family and friends surrounding him; then unexpectedly, something invaded his territory. He realized that he was not happy and truly did not know himself. Behind the façade that all was well, there existed only a shell of a man. On the surface, he appeared at peace and to have everything he wanted; however, inside he reached an absence of fulfillment. That particular morning, he awakened to the self-examining question: "How did I get here?" Others have become familiar with the same question, especially after accelerating before the traffic light turns green. Is this a point at which you've arrived in your life? Take a journey then, if you will, into this life of a man who would not settle for emptiness. He did not like where he was, and in that moment of being still, he finally sensed an incomparable tap on his shoulder. He discovered that the source of life was trying to get his attention. As you open and accept this invitation into an account of one's life transformation, it is my hope that you too will discover something positively life changing. Let what has been written and left for you serve as a road map—from first page to last page—of finding answers to this life's big questions. Who am I? Why am I here? What now? I offer you these poetic entries of one man's journey in hope that they encourage many to stand up and live. Breathe God in, breathe God out.

Unlike other books seeking to strip Jesus' story to reveal only the human being, Romano Guardini's The Lord gives the complete story of Jesus Christ--as man, Holy Ghost, and Creator. Pope Benedict XVI lauds Guardini's work as providing a full understanding of the Son of God, away from the prejudice that rationality engenders. Put long-held myths aside and discover the entire truth about God's only begotten Son.

God out of the Shadows Dec 14 2020 How can the universal church know it needs a change, a renewal of truth, if the people don't even know we have a serious problem? What if evil influence got into the foundation of our Christian doctrine back in the Dark Ages, hiding the true character of God, turning multitudes against the God of Jesus Christ, and stealing our faith and miracles? Wouldn't you want to know it? These pages address the fables in our Christian doctrine and include the truth about God the Father, Son, and Holy Spirit--the one true God. I feel like a lawyer for God, and the evidence is pure Scripture. Knowing who God is and His design of divine partnership with His children will assist you in believing in the power of your own prayers that will produce your miracles. Without the church coming back to what Jesus taught about God, it could continue to render itself helpless against evil principalities and their hold on mankind. Isn't it time God was out of the shadows? America and this world are desperate to see the miracles of God!
