BICED 2020 Aug 26 2019 The Faculty of Education and Teaching Institut Agama Islam Negeri (IAIN) Bukittinggi, West Sumatera Indonesia, organized the 2nd International Conference on Education (BICED 2020) on 14-15 September 2020 in Bukittinggi, West Sumatera, Indonesia. The number of participants who joined the zoom room was recorded at 736 participants. 224 participants attended the conference via the zoom application and 539 participants via YouTube Channel. Participants came from 5 countries, namely Indonesia, Malaysia, Kuala Lumpur, Brunei Darussalam, Thailand and Australia. BICED 2020 is implemented with the support of a stable internet network system and a zoom application. In the implementation there were several technical obstacles encountered by the participants, namely the difficulty of joining the zoom application due to the unstable internet signal. The holding of a virtual conference felt less meaningful, due to the lack of interaction between speakers and participants. The BICED 2020 committee 29 papers were presented and discussed. The papers were authored by researchers from Australia, Brunei Darussalam, Thailand, Malaysia, United Kingdom, and Indonesia. All papers have been scrutinized by a panel of reviewers who provide critical comments and corrections, and thereafter contributed to the improvement of the quality of the papers.

Truly Guided Reading Aug 31 2022 Guided Reading is the classroom Reading Recovery with supplements. In the classroom every child is involved in focussed reading instruction, small groups necessitate exceptional organization, all this without the year-long training that Reading Recovery participants have. Over the years teachers have been directed

towards Guided Reading without knowledge of how to organize the class while working with small groups and further, without the knowledge of what is involved in overt reading instruction. This book will change that and give teachers the resources to organize and put in place worthwhile and relevant activities for children to independently engage in. In this book, significant suggestions are forwarded to make Guided Reading easier to implement and more effective. This book challenges held views about Guided Reading - misconceptions and misapplications of Guided Reading will be highlighted and in place will be effective pedagogy to help children move towards being truly confident, thinking readers. The teaching practices emphasized are: * Managing differentiated reading instruction for early, developing, early fluent readers, including a chapter relating to older readers. * Class management while working with small groups - independent tasks. * Questioning and prompting so children acquire and use self-help reading and comprehension strategies. * Encouraging student talk where they explore and exchange ideas. * Assessment (and recording) that informs instruction.
