**Raja Ravi Varma** May 29 2022 A controversial novel based on the life of India's most celebrated painter, Raja Ravi Varma He was accused of making the gods look like humans and insulting them by portraying them in the nude. He countered that he saw divinity in both gods and humans, and that nudity was the purest form he knew. This is the story of a little boy who grew up making charcoal sketches on freshly whitewashed temple walls and went on to be titled in the court of Thiruvananthapuram as 'Raja' for his artistic prowess. His painting of a Nair woman who worked in his wife's palace brought him wrath and recognition alike. His deep involvement with Sugandha, the Maharastrian lady, who became Menaka, Damayanti and Urvashi in his most acclaimed works caught the fancy of many critics and admirers.

**Spirituality in Modern Literature** Apr 15 2021 Fictional literature, when enkindled with spiritual ideas, creates an appeal that transcends time and place. This has been the case with many literary works produced in India and other parts of the world, and this is so even in our modern times characterized by consumerist culture that hardly sees below the surface of things. A compilation from 'Prabuddha Bharata', this book presents to the readers, through a series of articles, a systematic record of some of those writers who added the spiritual dimension to their fictional works in India and the Americas. **Karna** Oct 02 2022 'Who am I?' It was a question that had troubled him all his life. His whole life had seemed entangled in the answer. His dignity, his destination, his ambitions -- they all seemed linked to that entanglement. The irony was that the truth, instead of liberating him, had made him rudderless. In the Mahabharata, Karna is known to be the only warrior who could match Arjuna. Born of a god and a mother who abandons him at birth, Karna is mistreated from birth. Rejected by Drona, taunted by Draupadi, insulted by his blood brothers, misunderstood by many and manipulated even by the gods, Karna is the classic tragic hero. In his novel Radheya, Ranjit Desai, the author of Marathi classics like Shriman Yogi and Swami, gives voice to the angst and loneliness of Karna. Translated into English for the first time, the novel brings to surface the many sides to Karna's character: his compassionate nature, his hurt and hubris, the love for his wife, his allegiance to Duryodhana, and his complicated relationship with Krishna.

**Shivaji** Nov 03 2022 'The epic text of Ranjit Desai's *Shriman Yogi* finds new voice in Vikrant Pande's nuanced translation, an immersive narrative of the foundations of the Maratha empire and the saga of its charismatic founder.' - Namita Gokhale. Young Shivaji reaches Pune, a dying fort city, with his mother Jijabai and lights the first lamp within its ruins. While his father Shahaji Bhosle is away on deputation by the Adil Shah sultanate after having failed in a revolt against it, Shivaji learns how an empire is built from the ground up. Thus begins the life of the Great Maratha. What awaits Shivaji is nothing short of the vast scroll of history, and it takes him from Surat to Thanjavur and all the way to Aurangzeb's durbar in Agra. He dreams of freeing his land from the clutches of Mughal rule, and though he suffers many defeats and personal losses along the way he never gives up his vision of Hindavi Swaraj. Amidst political intrigue and a chain of skirmishes, Shivaji becomes a leader, a warrior and a tactician par excellence, driven by immense pride and love for his motherland.

**Lord of the Royal Umbrella : Shivaji - II** Jun 05 2020 LAND OF THE MARATHAS, 1661 – 1674 Epic Story of Shivaji Maharaj, India's Greatest Warrior-King, And Birth of the Maratha Empire Shivaji Bhosale's struggle against imperial powers continues as massive Mughal armies repeatedly descend upon his tiny fiefdom. Emperor Aurangzeb recognizes the dangerous threat of the Mountain Rat and resolves to finish him off, once and for all. He sends Shaista Khan, his maternal uncle, with a large army, but Shivaji, in a daring night raid, attacks the much decorated Mughal General, cutting off his fingers. Turning his attention once again to Sultan Adilshah, Shivaji systematically expands his holdings in the Konkan. Along the coast, the British, Portuguese and Abyssinian also find him a serious obstacle to their coastal interests. Infuriated, the Mughal Emperor sends Jai Singh and Diler Khan to the Deccan with another large army. Jai Singh proves to be the toughest challenge Shivaji has faced. After winning almost every battle for two decades, Shivaji is finally subdued by Jai Singh and faces the humiliation of receiving Aurangzeb's firman to surrender a large part of his fiefdom and serve in the Mughal army. In a final insult, Shivaji is compelled to visit Agra and bow before Aurangzeb at court. By royal order, he and his son are detained in Agra, under heavy guard. The ingenious Maratha, however, foiling all attempts to assassinate them, escapes, leaving the Emperor seething in impotent fury. Safely home again, Shivaji embarks on the re-conquest of his lost forts and territories. Finally, in 1674, in defiance of imperial rule, he crowns himself King of the Marathas. After more than three and a half centuries of enslavement, the Marathi people have their own King. Shivaji Raje Bhosale thus becomes Chhatrapati, Lord of the Royal Umbrella...

**Routledge Handbook of Indian Cinemas** Mar 15 2021 India is the largest film producing country in the world and its output has a global reach. After years of marginalisation by academics in the Western world, Indian cinemas have moved from the periphery to the centre of the world cinema in a comparatively short space of time. Bringing together contributions from leading scholars in the

field, this Handbook looks at the complex reasons for this remarkable journey. Combining a historical and thematic approach, the Handbook discusses how Indian cinemas need to be understood in their historical unfolding as well as their complex relationships to social, economic, cultural, political, ideological, aesthetic, technical and institutional discourses. The thematic section provides an up-to-date critical narrative on diverse topics such as audience, censorship, film distribution, film industry, diaspora, sexuality, film music and nationalism. The Handbook provides a comprehensive and cutting edge survey of Indian cinemas, discussing Popular, Parallel/New Wave and Regional cinemas as well as the spectacular rise of Bollywood. It is an invaluable resource for students and academics of South Asian Studies, Film Studies and Cultural Studies.

The Mediatization of the Artist Sep 08 2020 This book offers trans-historical and trans-national perspectives on the image of "the artist" as a public figure in the popular discourse and imagination. Since the rise of notions of artistic autonomy and the simultaneous demise of old systems of patronage from the late eighteenth century onwards, artists have increasingly found themselves confronted with the necessity of developing a public persona. In the same period, new audiences for art discovered their fascination for the life and work of the artist. The rise of new media such as the illustrated press, photography and film meant that the needs of both parties could easily be satisfied in both words and images. Thanks to these "new" media, the artist was transformed from a simple producer of works of art into a public figure. The aim of this volume is to reflect on this transformative process, and to study the specific role of the media themselves. Which visual media were deployed, to what effect, and with what kind of audiences in mind? How did the artist, critic, photographer and filmmaker interact in the creation of these representations of the artist's image?

Knit India Through Literature Volume 3 - The West Sep 20 2021 It was my intention to publish this third volume of the 'Knit India through Literature' project, compiling works from Konkani, Marathi, Gujarati and Sindhi languages which are spoken in Western India, in the year 2002. There are three primary reasons why this did not happen. The first reason was that I was actively involved in serialising my novels on Madras Doordarshan and Sun TV, which were received very well by the public and even won the Best Serial awards. With a view to adding to the glory of the Tamil language, I went about the task of compiling the best short stories of sixty senior Tamil writers, the unique feature of which was that the short stories were selected as their best by the respective writers themselves, and publishing them in two volumes. This is the second reason. There is yet another reason, which I shall come to later. Although both the earlier mentioned tasks were accomplished in a most satisfactory manner, I was really unhappy because my attention was diverted and that resulted in the progress of the 'Knit India through Literature' project being delayed. Anyway, the last two years events have proved to me that my decision not to write fiction, which would certainly divert and occupy my time, for the past ten years, ever since I started work on the 'Knit India through Literature' project, is indeed right. However, at this juncture when this

volume compiling the Western languages is ready for release, it heartens me that I have already finished my interviews with the Punjabi writers and begun preliminary work on the Kashmiri language as well. This gives me hope that my volume on the North Indian languages will be released as per schedule. As I sit down to write the preface for this volume, my thoughts go back to the pain of a loss - the sad and sudden demise of Sri. G.K. Moopnar - that I suffered two years ago. It was the Late G.K. Moopnar who was a great source of encouragement to me and proclaimed at the launch of the 'Knit India through Literature' project, that my victory was his own. His support was not merely verbal and in fact he supported the publishing of the first volume of 'Knit India through Literature' financially and also bought three hundred copies of the volume and distributed them to school libraries at free of cost. I wish to acknowledge his contribution at this stage and also pray that his blessings will help me bring out the fourth volume successfully too. I have already elaborated in the prefaces to the earlier volumes, the difficulties encountered in going and meeting the different language writers in their own homes, interviewing them and then transcribing the tapes. Differences in pronunciation and other problems caused a few factual errors to creep in when the volume on the eastern languages was published and this was pointed out by the concerned writers. In order to avoid this. I made it a point to send the compiled interviews to the concerned writers requesting them to check for factual errors. Most of the writers were gracious enough to respond to the request immediately and sent back the corrected interviews at the earliest. This is the most important third reason for the delay in this volume being published. Of the writers whom I met in Western India, the affection and care displayed by the Konkani and the Gujarati writers is truly unique. Having realised that it was quite expensive to have to travel to each state atleast thrice or four times, the Konkani writers invited me to attend a literary meet organised at Goa and address the gathering. Senior Oriya writer 'Manoj Das' information filled foreword lends to the quality of this volume. I would like to express my heartfelt thanks to him and all others who have supported me and extended their co-operation in the publication of this volume. - Sivasankari CHENNAI August 2003

**Shahenshah** Sep 28 2019 Aurangzeb must rebel against his father, and compete with his brothers, especially Darashikoh who is Emperor Shah Jahan's favoured son, to become the shahenshah of India and sit on the Peacock Throne. In politics, after all, trust and betrayal are two edges of the same sword. Meanwhile, in his zenankhana, the begums, constantly worrying about inheritance and bloodlines, grow jittery at the arrival of Hira, a mere concubine, who seems to have all of Aurangzeb's heart. *Shahenshah: The Life of Aurangzeb* unravels the inner life of the formidable emperor, and the twists of fate and duty that come with a crown. An all-time favourite of Marathi literature, this is the most popular of N.S. Inamdar's sixteen hugely successful historical novels. This effortless translation tells an intricate, affecting story of a deeply misunderstood Mughal.

**MAHATMA JYOTIRAO PHULE-** *english* May 05 2020 "..... It is a very difficult task to write a biographical novel. In order to ensure the right balance of facts with creative liberty, the author needs to have the skills of a good biographer, as well as, a novelist. A biographer is a researcher and collector of memories; whereas, a novelist is mainly a dreamer who can spin stories out of nothingness. But, the author of a biographical novel needs to be an amalgamation of both, creativity and fact-finding, both. S/he needs to diligently record all the facts related to the protagonist's life. Even though s/he may take creative liberty while writing the novel, it cannot be forgotten that finally it is a 'biography', which must do justice to the happenings in the protagonist's life. Dates, timelines, family members, enemies, relations, important incidents etc., need to be mentioned properly, without taking them into the ambit of creative liberty. Only after doing so much preparation does a novelist become set to write a good biographical novel. What prompts a biographer to turn a person's life account into a novel, instead of taking the easy route and narrating his/her story in a straight way? It is the excitement of interspersing an author's gift of imagination and ingenuity with the actualities of the protagonist's life. However, it is a tightrope walk to be able to exercise one's creative abilities, while staying true to the researcher within. Only the perfect alchemy of both these factors can result in an excellent biographical novel." – M.W. Dhond  
An inspirational biographical novel about the life, times, personality, and revolutionary thoughts of the great man, Jyotirao Phule: 'MAHATMA'

**Masters of Warfare** Nov 10 2020 In *Masters of Warfare*, Eric G. L. Pinzelli presents a selection of fifty commanders whose military achievements, skill or historical impact he believes to be underrated by modern opinion. He specifically does not include the household names (the "Gods of War" as he calls them) such as Alexander, Julius Caesar, Wellington, Napoléon, Rommel or Patton that have been covered in countless biographies. Those chosen come from every period of recorded military history from the sixth century BC to the Vietnam War. The selection rectifies the European/US bias of many such surveys with Asian entries such as Bai Qi (Chinese), Attila (Hunnic), Subotai (Mongol), Ieyasu Tokugawa (Japanese) and Võ Nguyên Giáp (Vietnamese). Naval commanders are also represented by the likes of Khayr al-Din Barbarossa, Francis Drake and Michiel de Ruyter. These 50 "Masters of War" are presented in a chronological order easy to follow, with a concise overview of their life and career. Altogether they present a fascinating survey of the developments and continuities in the art of command, but most importantly their contribution to the evolution of weaponry, tactic and strategy through the ages.

**Pavankhind** Mar 03 2020 MAHARASHTRA, THE STATE IN WESTERN INDIA, HAD BEEN UNDER THE RULE OF THE MUSLIMS SINCE THE THIRTEENTH CENTURY. **Art and Aesthetics of Modern Mythopoeia V2** Dec 24 2021 Human culture has always weaved myths around its pattern of existence for multiple purposes. The interplay of religion and social practices have found their own space within the sphere of mythology. It is possible to read mythical texts to probe into the greater picture of human civilization. The contribution of myths towards the shaping of human beliefs, behavioural patterns are evident and assessing them often reveals a plethora of cultural histories unexplored and therefore unacknowledged before. The contribution of mythopoeia towards the construct of human socio-cultural identity has been largely accepted. Modern academia has thus taken a strong interest in revisionist literature to understand the hitherto unknown nuances of human civilization. In the edited anthology, *Art and Aesthetics of Modern Mythopoeia: Literatures, Myths and Revisionism (Vol-II)*, like the first volume, an attempt has been made to anthologize the works of a large number of authors who have talked about pertinent issues in the context of myth-making, the latent politics of mythopoeia and has taken into account several under-explored texts that are rich in mythical content. This volume offers a wide range of critical studies involving classical as well as modern myths around the globe.
