Christian Peoples of the Spirit May 21 2022 Among all groups in Christendom, the Pentecostal/Charismatic movement is second in size only to the Roman Catholic Church, with growth that shows no signs of abatement. Its adherents declare the Pentecostal Movement, which began at Azusa Street in 1906, to be unprecedented in Christian history since the first century of the Church in its embrace of manifestations of the Holy Spirit such as divine healing, miracles, and speaking in tongues. Yet although it may be unprecedented in size and rate of growth, Stanley M. Burgess argues that is hardly unprecedented in concept. In *Christian Peoples of the Spirit*, Burgess collects documentary evidence for two thousand years of individuals and groups who have evidenced Pentecostal/charismatic-like spiritual giftings, worship, and experience. The documents in this collection, bolstered by concise editorial introductions, offer the original writings of a wide variety of "peoples of the spirit," from Tertullian and Antony of the Desert to the Shakers and Sunder Singh, as well as of their enemies or detractors. Though virtually all of the parties in this volume considered themselves Spirit-gifted, or given special qualities by God, they are in many ways as different from one another as the cultures from which they have emerged. In providing such an impressive array of voices, Burgess convincingly demonstrates that there have indeed been Spirit-filled worship and charismatic saints in all periods of church history.

Imago Relationship Therapy Sep 01 2020 Imago Relationship Therapy It's been more than three decades since Harville Hendrix and Helen LaKelly Hunt—the best-selling authors of *Getting the Love You Want* and *Keeping the Love You Find*—created Imago Relationship Therapy. Their concept of the "conscious marriage" introduced a new paradigm for understanding the dynamics of couples. Since that time more than two thousand clinicians in twenty-eight countries have adopted and implemented this highly effective form of couples therapy. This groundbreaking book offers an overview of the highly successful Imago Relationship Therapy (IRT) and the relationship of IRT with preceding schools of thought such as psychoanalytic theory, family systems theories, affect theory, and self-psychology. At the heart of IRT is a three-step process involving mirroring (reflecting) the partner's feelings, validating the partner's point of view, and expressing empathy toward the partner's feelings. Imago Relationship Therapy traces IRT's history and explosive growth and outlines the differences and similarities between Imago theory and other models of couples therapy. The book also presents some of the ideas of prominent Imago thinkers, such as the central role of connectivity and the problem of envy in committed relationships. "A uniquely important book for the practitioner, which provides clinical wisdom and a rare look into the heart and soul of Imago Relationship Therapy." —Pat Love, Ed.D., author, *The Truth About Love*

Thomas Ashbrook begins with his personal story of frustration and confusion while serving as a pastor of the church. Written for anyone who wants to develop a deeper, more meaningful relationship with God, *Mansions of the Heart* offers a step-by-step guide through a spiritual-formation road map based on Teresa of Avila's seven mansions. This spiritual classic reveals various phases of spiritual formation, for which Ashbrook offers a personal guide to spiritual transformation. *Mansions* debunks commonly held myths that lead to spiritual dead ends and describes a clear pathway to a deepening love relationship with God.
