Angels of the Pacific Jan 29 2020 "Absolutely riveting. A stay-up-all night read about two very different women who discover just how strong they can be—and just how much they'll dare—during the brutal Japanese occupation of the Philippines in World War II. This story of endurance and sisterhood will have you turning pages late into the night." —Lauren Willig, New York Times bestselling author If you loved *Beantown Girls* by Jane Healey and Hazel Gaynor's *When We Were Young & Brave*, then you won't want to miss critically acclaimed author Elise Hooper's powerful new novel of the *Angels of Bataan*, nurses held as prisoners during the occupation of the Philippines in World War II. The Philippines, 1941: Tess Abbott, an American Army nurse, has fled the hardships of the Great Depression at home for the glamour and adventure of Manila, one of the most desirable postings in the world. But everything changes when the Japanese Imperial Army invades with lightning speed and devastating results. Tess and her band of nurses serve on the front lines until they are captured as prisoners of war and held behind the high stone walls of Manila's Santo Tomas Internment Camp. When the Japanese occupation of her beloved homeland commences, Flor Dalisay, a Filipina university student, will be drawn into the underground network of resistance, discovering within herself reserves of courage, resilience, and leadership she never knew she possessed. As the war continues, Tess and Flor face danger, deprivation, and terror, leading them into a web of danger as they unexpectedly work together to save lives and win their freedom.

A Quest of Heroes (Book #1 in the Sorcerer's Ring) Jan 11 2021 "A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!" --Allegra Skye, Bestselling author of *SAVED* From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. *A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING)* revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive. Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, *A QUEST OF HEROES* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, *A MARCH OF KINGS*, is now available, too. He bought me to save me, and to atone for past sins.Handsome and mysterious, he swoops in to offer me a new life, but this is no knight in shining armor. He's cold, hardened by his past. But there's an inferno underneath the ice, I can feel the heat each time he looks at me--each time he gives in to the desire between us.No matter how much I push to unleash the fire in his eyes, he shoves back harder each time. Genesis Jul 05 2020 “An epic work of literary creation . . . There could be no greater vindication of the wonders of the lands and people of Latin America than *Memory of Fire*.” —The Washington Post Eduardo Galeano’s monumental three-volume retelling of the history of the New World begins with *Genesis*, a vast chain of legends sweeping from the birth of creation to the era of savage colonialism. Through lyrical prose and deep understanding, Galeano (author of the celebrated *Open Veins of Latin America*) recounts creation myths, pre-Columbian societies, and the brutality of conquest, from the Andes to the Great Plains. Galeano’s project to restore to history “breath, liberty, and the word” unfolds as a unique, powerful work of literature. This daring masterpiece sets the past free, weaving a new kind of history from mythology, silenced voices, and the clash of worlds. *Genesis* is the first book of the *Memory of Fire* trilogy, which continues with *Faces and Masks* and *Century of the Wind*.
