traveled around the world experiencing beautiful, exotic settings and amazing people. His one big observation is that so many people keep the lid on their growth and opportunities to thrive. This is a self-imposed limitation ... nobody tells us to do this! Daniel blows the lid off and gives you a retreat experience in a book. What's inside Breaking Normal: ReWild Your Inner Child and Set the Truth Free?\*You'll get to feel what it means to be raw and vulnerable, excited and glowing with a sacred knowledge about your future. \*You'll learn to communicate with others in a way that cuts through the limitations we used to let entangle us. \*You'll have tools and insight for building your own tribe, be it your family or community or the world at large.

Soft Skills for the Workplace Dec 26 2019 Soft Skills for the Workplace is a nontraditional approach to learning basic employability skills needed in today's workplace. Well-developed soft skills help an individual find a job, perform well in the workplace, and gain personal success in life and career. By studying this text, you will learn the soft skills that employers recommend, and require, of employees. Learning how to interact professionally with customers, coworkers, and employers is one sure way to prepare for your future. In today's workplace, it is necessary to have job-specific skills to perform on the job as well as know-how to interact with coworkers and customers. You may be the most qualified person in your field in terms of hard skills, but if you lack soft skills, you may have a challenge finding and retaining employment. No matter your career choice, Soft Skills for the Workplace will help you help you jump-start your future. In today's competitive work environment, well-developed employability skills can help you stand out in the crowd Soft skills are the new hard skills for the 21st century.

**Holding Back The Tears** Nov 17 2021 This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, **Access Free The Hard Truth About Soft Skills** **Woodies Lessons She Learned Sooner Peggy** **Klaus Free Download Pdf** **People Wish Theyd** **oldredlist.iucnredlist.org** **on November 29, 2022** **Free Download Pdf**

his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she

truth? Soft skills get little respect but will make or break your career. Master your soft skills and really get ahead at work! Fortune 500 coach Peggy Klaus encounters individuals every day who excel at their jobs but aren't getting where they want to go. It's rarely a shortfall in technical expertise that limits their careers, but rather a shortcoming in their social, communication, and self-management behaviors. In *The Hard Truth About Soft Skills* Klaus delivers practical tools and techniques for mastering soft skills across the career spectrum. She shows how to: manage your workload handle the critics develop and promote your personal brand navigate office politics lead the troops and much more! Klaus reveals why soft skills are often ignored, while bringing their importance to life in her trademark style—straightforward, humorous, and motivating. Perfect for readers at all professional stages—from those who are just starting out to seasoned executives—this book is essential reading for anyone who wants to take his or her career to the next level.

**Emotional Intelligence for Managing Results in a Diverse World** May 23 2022 Original publication and copyright date: 2008.

[The Quit Alternative](#) Jul 01 2020 Here are the top 5 reasons this professional development book is a MUST READ:1) You can create the job you love without quitting your job and giving up your steady paycheck, 401(k), and insurance. This book shows you how. You won't find this information in traditional career guides. It is 100% possible for you, even if you've been considering how to quit your job or how to snag a job you love.2) You'll be entertained (and secretly educated). You'll laugh, cry, and maybe even feel compelled to leave a copy on your boss' desk. Stick with me, and you'll discover helpful principles that will make you the talk of the water cooler. This isn't another ho-hum professional development book, and it's not a "how to find a job" guide full of blank forms. You'll learn a new and inspiring

I learned the day my shrink fired me, how I negotiated for a toilet seat on the corporate jet, and how I got called out by my masseuse.3) You'll become empowered, whether you're the mail clerk or CEO or you fall somewhere in between. This book has been endorsed by 5 senior executive leaders of Fortune 1000 companies and 3 mail clerks.4) You'll discover a return on your investment to earn a car. Invest a few dollars and a little bit of time to read this book, and you'll pick up career development tips that can save you enough to earn a car (page 9).5) You'll have a "Personal Career Counselor in Your Pocket." It's useful and practical with vivid case studies for how to negotiate with the boss to help pay for your MBA or support a relocation to the city of your dreams. You'll also learn how to deal with an unreasonable boss and even say "No" without getting fired.

God's Feminist Movement Mar 09 2021 Experience True

Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image

*Hotlanta* Sep 03 2020 The hum of the machines wasn't what Martice wanted to hear right now but it was a sign that he was getting something done around here. He had walked into the Print & Document Service Department of Max Office Superstore to find mounds of work waiting for him, you'd think by now he was used to it, but like all the other things you'd think he would be use to by now he wasn't. Six months ago he had meet the guy he was sure was the one, while it was a rocky start in the end or at least up till now things where still good. Yea Dre still had his bad habits, but Martice know he was faithful even with all the flirting... Read this compelling short story to find out where things lead with Martice in "Hotlanta."

**The Tree That Ate Everything** Jun 19 2019 Jake and Austin are twins. Jake has Down syndrome while Austin is typical. On their birthday, they play with their toys but a whimsical tree wants to play too. It also happens to be her birthday.

**The Stolen Girl (The Veil and the Crown, Book 1)** Aug 02 2020 The Incredible True Story of Two Girls in the Seventeen-Hundreds Who Become the Powers Behind the Thrones of the World's Greatest Empires The fulfillment of an outrageous prediction seals the fates of two cousins in this true story that begins on a Caribbean sugar plantation and careens wildly towards the thrones of two empires. Innocent Aimée refuses to believe she might ever have to face the intrigue and evil that lurks beneath the exotic beauty and opulence of the Ottoman Empire. Rose mistakenly believes that her marriage to an aristocratic French lieutenant will insure her place in Parisian society. Both will be proven wrong. This first book in Zia Wesley's The Veil and the Crown series tells the beginning of the extraordinary true story of Aimée Dubucq de Rivery and her cousin, Rose Taschner de La Pagerie...both destined to be queens.

**To Ride, Shoot Straight, And Speak The Truth** Aug 14 2021  
Combat mind-set, proper sighting, tactical residential architecture, nuclear war - these are some of the many subjects explored by Jeff Cooper in this illustrated anthology. The author discusses various arms, fighting skills and the importance of knowing how to defend oneself, and one's honor, in our rapidly changing world.

A Complicated Legacy May 31 2020 If movies and books like Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

**Dangerous Intentions** Mar 29 2020 Dangerous Intentions: Mouth Full of Lies is about my experience in a relationship with a Jamaican man named Mark (The Love of My Life) or so I thought. [Access Free The Hard Truth About Soft Skills](#)  
[Work with Edson's Good People Wish They'd Learned Sooner Peggy](#)  
[Klaus Free Download Pdf](#) [Access Free oldredlist.iucnredlist.org on November 29, 2022](#)  
[Free Download Pdf](#)

spent together, and chemistry, a web of lies was created. Once lies begin to surface things take a dramatic turn which changes the whole perception of what things appeared to be. I was taken on the ride of my life, the man I thought I knew suddenly became someone I didn't know at all. It was as if a mask was peeling off of his face and the person behind the mask emerged, which was a stranger to me. Our whole relationship seemed to disappear in the blink of an eye. My story will take you through all of the hurt and betrayal I endured. The man that vowed to love me and always be there for me lied and abandoned me. It almost seemed I was playing a character in a movie thinking this can't really be happening. He could no longer run from the truth, it was time to face it. The double life he was living blew up in an unexpected way. Ultimately he sold me a dream, but in the end delivered a nightmare. As my life was turned upside down I slowly moved on trying to put the pieces back together. In the process I crossed paths with another Jamaican man named Devon, who seemed to be the opposite of Mark. Devon and I would talk all the time about our past relationships which he used as a way to get close to me. I became hesitant pretty quickly as I noticed a dark side emerge that kept revealing itself no matter how much he tried to conceal it. Devon became emotionally and mentally abusive, it was the first time in my life I had ever experienced that type of abuse. He became a complete monster, as I tried to leave him many times I realized unlike the relationship with Mark, getting away from Devon would be more of a challenge. He was a manager at a cruise line where I worked and he made sure to keep reminding me by his actions that things would never be over until he wanted it to be over. I was taken through more twists, turns and confusion. In the end, I had to make a wise decision and forget what I hoped things could be based off of false pretenses and instead do what was best for me.

Readers will learn why there is such a backlash against soda. These sugary drinks are a favorite among people of all ages, but drinking too much is unhealthy. The solution may seem to be to drink diet soda or sugar-free options, but even these have problems. Readers will be armed with the knowledge of what soft drinks do to the body, and the impact of what they are really drinking.

**I, Athlete** Nov 05 2020 Are you an athlete? Yes - you are! You may not know it yet, or have ever experienced the intoxicating rush of pure movement, but your inner athlete is lying dormant inside you just waiting to be unleashed! Even if you've played sports or undertaken athletic endeavors, have you really opened yourself to the physical and mental power that simmers just under the surface of your consciousness? You are capable of so much more than you think you are - and the best part is you already know that's true! This book was written for you if you have a burning desire to: - Get healthier - Look better - Feel stronger and more accomplished - Do something physical that you've never done before (from walking a 5K to qualifying for an Ironman!) *I, Athlete* is an inspirational and practical guidebook for how to find and harness your inner athlete. If you want to do more and be more with your body; if you feel like your limits are still out there waiting to be found; if you hear the chanting echoes of your primal ancestors urging you forward - you are in the right place. It is going to be an exhilarating, often uncomfortable, sometimes terrifying, life-altering journey - and I promise you the rewards are substantial and sweet. Will you join me?

Embracing Survival Nov 24 2019 *Embracing Survival*, a memoir by Dydine Umunyana, tells the story of the Rwandan Genocide against the Tutsis at the hands of the Hutu perpetrators in Rwanda (1994) through the eyes of the four-year-old-child that she was when the horrific massacre occurred. Separated from her family, she barely survived the conflict. While the physical killing finally stopped, the mental and emotional 'killing' continued, affecting her and her family. She writes that "I have learned that we cannot do for others what we cannot do for ourselves. By nourishing the light within ourselves, we find strength we never knew was there....I came to realize that one's own life experiences are not theirs to keep but ours to teach."

*Killer Colas* Apr 22 2022 Along with the growth of the sale of sodas, energy beverages and sports drinks has been the explosion of adult and childhood obesity, diabetes, hypertension, heart disease, cancer and stroke. The authors examine the industry's hold over the media and they look at the addictive and harmful ingredients added to the formulas. Scientific evidence is presented linking our growing consumption of soft drinks with our declining health.

Multiculturalism in the Workplace Jul 13 2021 "With the ever increasing global economic interaction that often involves the workplace, it is imperative that we deepen our understanding of the dynamics of communication among different cultures. Through clear and precise examples, Dr. Theresa Paris' book succinctly exemplifies the basic broad differences of cultures and the importance of understanding cultural interaction in the workplace, based on work developed by Dr. Geert Hofstede, a pioneer and international leading scientist in the field of International Communication. These basic principles are applicable to most cultures. This book is a must for managers and students, and offers general information to all who wish to expand their knowledge of people to people interaction." Hector Robertin

[She Reads Truth](#) Jul 25 2022 Born out of the experiences of hundreds of thousands of women who Raechel and Amanda have walked alongside as they walk with the Lord, *She Reads Truth* is the message that will help you understand the place of God's Word in your life.

[The Hard Facts about Soft Skills](#) May 11 2021 Despite its name, soft skills are increasingly becoming the hard skills of today's professional world. It is not enough to be highly trained in technical skills without understanding and developing the softer, interpersonal, and relationship-building skills that are critical for professional growth. While technical, "harder" skills may present opportunities for you, it is your soft skills that will maintain those opportunities and provide avenues for new opportunities to present themselves. Your ability to identify and master these soft skills, ranging from critical thinking, dressing for success, networking and personal branding, are critical for achieving professional success. While these soft skills are often undervalued and/or not presented sufficiently to young professionals and pre-professionals, you will learn in this book that...Soft skills are anything but soft!

deep inside the Coca-Cola Company and its international franchisees to reveal how they became the number one brand in the world, and just how far they'll go to stay there. Ever since its "I'd like to teach the world to sing" commercials from the 1970s, Coca-Cola has billed itself as the world's beverage, uniting all colors and cultures in a mutual love of its caramel-sweet sugar water. The formula has worked incredibly well-making it one of the most profitable companies on the planet and "Coca-Cola" the world's second- most recognized word after "hello." However, as the company expands its reach into both domestic and foreign markets, an increasing number of the world's citizens are finding the taste of Coke more bitter than sweet. Journalist Michael Blanding's *The Coke Machine* probes shocking accusations about the company's global impact, including: ? Coca-Cola's history of winning at any cost, even if it meant that its franchisees were making deals with the Nazis and Guatemalan paramilitary squads ? How Coke has harmed children's health and contributed to an obesity epidemic through exclusive soda contracts in schools ? The horrific environmental impact of Coke bottling plants in India and Mexico, where water supplies have been decimated while toxic pollution has escalated ? That Coke bottlers stand accused of conspiring with paramilitaries to threaten, kidnap, and murder union leaders in their bottling plants in Colombia A disturbing portrait drawn from an award-winning journalist's daring, in-depth research, *The Coke Machine* is the first comprehensive probe of the company and its secret formula for greed. COKE is a registered trademark of The Coca-Cola Company. This book is not authorized by or endorsed by The Coca-Cola Company.

The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

\_\_\_\_\_ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

*Leading YOU* Jul 21 2019 Many executives overlook the single-most critical aspect of leadership. Have you?The most important driver of overall success is your own self-leadership. Without it, your career may stall. Why? Because how you lead yourself directly impacts your ability to lead others, and that, in turn, can prevent you from reaching your full career potential. Self-leadership. It begins and ends with YOU(tm).In *Leading YOU(tm): The power of self-leadership to build your executive brand and drive career success*, Senior Executive Coach Brenda Bence reveals the 15 most damaging self-leadership behaviors she regularly sees in her practice. She then provides you with dozens of tips and techniques you can immediately apply to correct or improve these behaviors.Packed with real-life executive coaching case studies from around the globe, this book will help you:\*

leadership brand.\* Quit acting like a victim of your calendar, your time, and "the system." \* Utilize powerful mind management techniques to stop limiting behaviors.\* Learn how to successfully manage "up" to bosses and "across" to peers.\* Promote yourself without bragging, to help you gain visibility and the job you want.\* Successfully influence others even if you don't have an official title or authority. Leading YOU(tm) not only cuts to the core of what's needed for effective self-leadership, but it's also the only book to identify and explain the relationship between self-leadership and a winning leadership brand--the Trademarked YOU(tm)®. Together with the award-winning companion book, Would YOU Want to Work for YOU(tm)?, this book will become your go-to resource for advancing in your career through the power of authentic self-leadership."Brenda Bence makes it clear: Great leadership is all about self-leadership and learning how to manage YOU as well as you manage others. A great read!" - Philip Yuen, CEO, Deloitte Southeast Asia "You may excel at managing others, but unless you look inward to manage yourself first, your career is likely to stagnate rather than ignite. Leading YOU(tm) is a must read." - Peter Walker, CEO Asia Pacific, ThyssenKrupp Elevator

*The Eternal Church* Oct 16 2021 Hamon takes readers on a journey throughout the history of the church. Beginning at the origination of the church in the 1st Century, he proceeds to its deterioration during the Middle Ages to the restoration of the church from the time of the Reformation to the present.

"Gimme a Hug" Feb 26 2020 What do three-year-olds, teddy bears, and great leaders have in common? They all know the value of lots of hugs. Sure, kids and teddy bears are natural huggers, but leaders, managers, executives? Obviously, in the workplace, we are talking about metaphorical hugs-the small, everyday acts of recognition that make employees feel

appreciated, validated, and recognized for the efforts and  
 without loss of symmetry take for the success of the business. Great Free  
 People Wish Theyd [oldredlist.iucnredlist.org](http://oldredlist.iucnredlist.org)

managers know that. They know that these small acts of recognition will help them to realize their full potential and the full potential of their people. All of us are driven by a strong need to be appreciated (or "hugged," if you will) rather than rejected and hurt. The power of helping others, of acknowledging others, of making them feel good, of teaching and inspiring them, the power of thanking them, of simply being nice to them-of being able to give them a virtual "hug"-is immense. It's far more rewarding than one can imagine, far more satisfying, and delivers far more tangible and positive results than people realize. Think about it, being scolded, put-down, or even bullied, makes employees shut down, check out, and disengage, with disastrous consequences to the success of the business. Recognition, on the other hand, is a powerful motivator. It's the fuel that drives people to higher levels of achievement, engagement, and fulfillment. Learning easy ways to recognize and appreciate your employees will enhance their dedication, motivation, accountability, and satisfaction on the job and, therefore, will be a potent driver to increase your organization's productivity, minimize mistakes, and improve bottom-line results. "Gimme a Hug" explains how the basic human need for a "hug" manifests itself in the workplace, the various disguises it hides behind, and how to manage and deal with it to make yourself and the people you interact with better and more fulfilled in many ways. Shows how to become a better manager and get better results from your people, simply by learning to express your appreciation for them and for what they do. Includes lots of simple, proven tips and techniques that you can apply immediately to unlock the true potential in your employees. Features stories and examples, sample dialogues, and practical tools and exercises to help you implement the "give a hug, get a hug" philosophy into your management style. Teaches you how to recognize and maximize everyday, on-the-job "coaching moments," and how to provide constructive feedback to your employees. "Gimme a Hug" Access Free

and demonstrates that this "hug" thing is not a "soft and mushy" issue but rather a major element and management technique that will generate far better bottom-line results and create a real culture of success "Gimme a Hug" reveals how small, simple, everyday acts of recognition can make a big difference in your business, and to the people who work there."

Change the Workgame Jan 07 2021 Research shows that diverse workgroups are more productive, creative and innovative than homogeneous groups. In a global marketplace, and with the rapidly changing racial makeup of America, having a high function, diverse workforce is imperative for your organization's success. Change the WorkGame has been designed to show you how establish a diverse workforce throughout all strata of your organization and how to sustain your progress. As a human resources executive, diversity and inclusion consultant, and a member of historically marginalized communities, I have experienced wildly unsuccessful diversity and inclusion strategies; and advised, coached, and led wildly successful diversity and inclusion initiatives. Business leaders and department heads have used the steps outlined in this how-to guide to successfully recruit and retain diverse talent. Chris, a small business owner, says, "the diversity recruitment steps listed in the book, matched with real life scenarios really helps bring to life not only how to go about recruiting and retaining a diverse workforce, but why it is important." I promise that if you follow the 7 steps outlined in Change the WorkGame, you will increase the diversity of your workforce within 6 months following the activation of the last step and you will increase employee satisfaction by enhancing your managers and the inclusivity of your workplace. Don't wait to activate your diversity initiative. Don't wait to make your workforce stronger, nimbler, more creative, and more dynamic. Don't wait to establish an inclusive

work environment where everyone feels respected, appreciated and heard. Be the person to take the lead towards Change the Workgame.

you, then who!? The workforce diversity and inclusion strategies and scenarios you are about to read have been proven to create positive and long lasting results for leaders. These strategies will help ALL employees inside your organization, but will specifically help you recruit and retain underrepresented employees. Each chapter will give you new insights towards enhancing your workforce and your workplace. Let me show you how to be the Change for your company.

**Baby Bumps** Apr 10 2021 From the author of the award-winning blog Snarky Mommy comes a book that will make every woman who has ever been pregnant pee with laughter (not that that's hard). Wearing her highest heels and hottest pregnancy jeans, Amy Sprenger marches into her doctor's office, beverage in hand, ready to finally see whether her baby is a boy or a girl. Sure, sure, this appointment is supposed to be about checking the health of the baby, but everyone who's ever been there knows it's really about looking for what lays, or doesn't lay, between the legs. So when the doctor tells her she has an incompetent cervix, Amy becomes immediately offended on behalf of her reproductive organs. Is that just a politically correct way of saying her cervix sucks? Unfortunately, as she's soon to learn, it's a lot more than that. The only way to keep that baby from falling out on the sidewalk (probably in front of Starbucks) is for her doctor to stitch her cervix closed and for Amy to stay in bed for the next four months. Four months that are carefully detailed in this "memoir." A memoir that, while basically true, has been embellished with Amy's signature brand of humor and hilarity. With more time off than a castoff contestant on "The Bachelor," Amy takes pen to paper and settles in for the ride. But instead of sitting around eating bonbons, she's popping hypertension drugs to stave off preterm labor. And complications? Oh, she's got your complications. She's gut-rehabbing her house. Her mother moves in to care for her. Her husband takes a "mancation" while she's

convinced it's The Big One. Living by the adage that laughter is the best medicine, Amy fumbles her way through a series of sometimes serious and usually embarrassing situations. And just to be clear, using a bedpan qualifies as both serious and embarrassing. "Amy Sprenger's foray into factual fiction is a hilarious (and sometimes poignant) look at high-risk pregnancy from her view at the end of the bed. Sprenger offers a fresh and funny voice that readers will love!" -- New York Times bestselling author Jen Lancaster

*The Hard Truth About Soft Skills* Aug 26 2022 What's the hard truth? Soft skills get little respect but will make or break your career. Master your soft skills and really get ahead at work! Fortune 500 coach Peggy Klaus encounters individuals every day who excel at their jobs but aren't getting where they want to go. courage over comfort, make a difference and lead. When we dare to lead, we don't pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it and work to align authority and accountability. We don't avoid difficult conversations and situations; we lean into the vulnerability that's necessary to do good work. But daring leadership in a culture that's defined by scarcity, fear and uncertainty requires building courage skills, which are uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the same time we're scrambling to figure out what we have to offer that machines can't do better and faster. What can we do better? Empathy, connection and courage to start. Brené Brown spent the past two decades researching the emotions that give meaning to our lives. Over the past seven years, she found that leaders in organisations ranging from small entrepreneurial start-ups and family-owned businesses to non-profits, civic organisations and Fortune 50 companies, are asking the same questions: How do you cultivate braver, more daring leaders? And, how do you embed the value of courage in your culture? Dare to Lead answers these questions and gives us actionable strategies and real examples from her new research-based, courage-building programme. Brené writes, 'One of the most important findings of my career is that courage can be taught, developed and measured. Courage is a collection of four skill sets supported by twenty-eight behaviours. All it requires is a commitment to doing bold work, having tough conversations and showing up with our whole hearts. Easy? No. Choosing courage over comfort is not easy. Worth it? Always. We want to be brave with our lives and work. It's why we're here.'
