The Presidency and the Law Oct 27 2019 Political scandals have always demonstrated the capacity of our executive officials for self-inflicted injuries, and the Clinton administration was no exception. Unilateral warmaking, claims of executive privilege and immunity, and last-minute pardons all tested the limits of presidential power, while the excesses of the Special Prosecutor cast doubts on available remedies. For eight years, Republicans and Democrats engaged in guerrilla warfare aimed at destroying the careers and lives of their adversaries while tests of presidential power were resolved by the courts, resulting in a reshaping of the scope and power of the presidency itself. This book examines the many controversial and important battles that led to the shrinking of the presidency under the law during the Clinton administration. Located at the intersection of law and politics, it helps readers understand the dramatic changes that took place in the relationship of presidential power to the law during the Clinton years and shows how one president's actions—and congressional and legal reactions to them—have altered presidential prerogatives in ways that his successors cannot ignore. The Presidency and the Law offers an assessment of changes in constitutional and legal understanding of the American presidency, exploring such topics as war power, executive privilege, pardon power, impeachment, executive immunity, independent counsel, and campaign finance. In examining these collisions between president and the law, its distinguished contributors bring the lessons of Watergate and Iran-Contra into the Clinton era and contribute to a Madisonian view that presidents should not operate outside statutory and constitutional constraints. While the essays offer several criticisms of that administration's exercise of power and its interpretation of constitutional provisions and law, many of the authors have been supportive of Clinton and his policy pursuits, and all seek to examine the potential impact of the Clinton administration without being predictive or legalistic. They offer instead commentary, analysis, and criticism that examine the legality and constitutionality of President Clinton's actions within a broader political and historical context. The presidency is constitutionally weaker and politically more vulnerable than the office Bill Clinton assumed in 1993, and it remains to be seen what impact these changes will have on the presidency in the 21st century. This book points the way to assessing that impact, and is essential reading for anyone concerned with the future of our democracy.

The Secret Life of Bill Clinton Mar 25 2022 A British journalist well known to American conservatives offers a meticulously documented expose+a7 of corruption in the Clinton administration, revealing its criminal attempts to suppress evidence of other crimes and scandals from the president's Arkansas years. IP.

The President's Daughter Mar 13 2021 'James Patterson and Bill Clinton are the dream team' Lee Child 'Propulsive, exhilarating, and unnervingly believable' Karin Slaughter 'Superb thriller, expertly told... More please' Piers Morgan 'Even better than their first ' Daily Mail 'I loved this book' Ross King _____ The highly acclaimed #1 Sunday Times bestseller ALL PRESIDENTS HAVE NIGHTMARES. THIS ONE IS ABOUT TO COME TRUE. Matthew Keating, a one-time Navy SEAL and a former US President, has always defended his family as fiercely as he has his country. Now these defences are under attack. And it's personal. Keating's teenage daughter, Melanie, has been abducted, turning every parent's deepest fear into a matter of national security. As the world watches, Keating embarks on a one-man special-ops mission that tests his strengths: as a leader, a warrior, and a father. Because Keating knows that in order to save Melanie's life he will have to put his own on the line . . .

Man of the World Jun 23 2019 "A veteran political journalist chronicles the post-presidential achievements and adventures of Bill Clinton, drawing on interviews with dozens of the former President's colleagues, friends, supporters and family members to examine his philanthropic work, the charges of corruption levied against him, and the ways he continues to inspire and infuriate the world, "--NoveList.

The Clinton Tapes Jan 29 2020 The Pulitzer Prize-winning historian and author of *Parting the Waters* recounts the intimate talks he shared with the forty-second president during the latter's two terms in office, in an account that shares the writer's perspectives on lesser-known aspects of Clinton's private torments, family life at the White House, and presidential challenges.

Sellout Mar 01 2020 A key figure in the Clinton Impeachment proceedings uncovers the lies, corruption, and dirty deals underpinning the trial, arguing that both parties conspired to rig the outcome.

BILL CLINTON Jul 25 2019

Bill Clinton May 03 2020 Describes Bill Clinton's rise to the presidency, the ups and downs he experienced during his two terms in office, and his return to the practice of law in New York City.

William Jefferson Clinton - a people's president Aug 06 2020

Bill Clinton as They Know Him Nov 28 2019 An oral biography of the President, drawn from more than one hundred interviews with Bill Clinton's friends, supporters, and critics, presents many sides of a complex man.

The Choice Apr 01 2020 The Choice is Bob Woodward's classic story of the quest for power, focusing on the 1996 presidential campaign as a case study of money, public opinion polling, attack advertising, handlers, consultants, and decision making in the midst of electoral uncertainty. President Bill Clinton is examined in full in the contest with Senate Majority Leader Bob Dole, the Republican presidential nominee. The intimacy and detail of Woodward's account of the candidates and their wives show the epic human struggle in this race for the White House.

The Survivor Oct 20 2021 NEW YORK TIMES BESTSELLER The definitive account of one of the most accomplished, controversial, and polarizing figures in American history Bill Clinton is the most arresting leader of his generation. He transformed American politics, and his eight years as president spawned arguments that continue to resonate. For all that has been written about this singular personality—including Clinton's own massive autobiography—there has been no comprehensive, nonpartisan overview of the Clinton presidency. Few writers are as qualified and equipped to tackle this vast subject as the award-winning veteran Washington Post correspondent John F. Harris, who covered Clinton for six of his eight years in office—as long as any reporter for a major newspaper. In *The Survivor*, Harris frames the historical debate about President William Jefferson Clinton, by revealing the inner workings of the Clinton White House and providing the first objective analysis of Clinton's leadership and its consequences. Harris shows Clinton entering the Oval Office in 1993 primed to make history. But with the Cold War recently concluded and the country coming off a nearly uninterrupted generation of Republican presidents, the new president's entry into this maelstrom of events was tumultuous. His troubles were exacerbated by the habits, personal contacts, and the management style, he had developed in his years as governor of Arkansas. Clinton's enthusiasm and temper were legendary, and he and Hillary Rodham Clinton—whose ambitions and ordeals also fill these pages—arrived filled with mistrust about many of the characters who greeted them in the “permanent Washington” that often holds the reins in the nation's capital. Showing surprising doggedness and a deep-set desire to govern from the middle, Clinton repeatedly rose to the challenges; eventually winning over (or running over) political adversaries on both sides of the aisle—sometimes facing as much skepticism from fellow Democrats as from his Republican foes. But as Harris shows in his accounts of political debacles such as the attempted overhaul of health care, Clinton's frustrations in the war against terrorism, and the numerous personal controversies that time and again threatened to consume his presidency, Bill Clinton could never manage to outrun his tendency to favor conciliation over clarity, or his own destructive appetites. *The Survivor* is the best kind of history, a book filled with major revelations—the tense dynamic of the Clinton inner circle and Clinton's professional symbiosis with Al Gore to the imprint of Clinton's immense personality on domestic and foreign affairs—as well as the minor details that leaven all great political narratives. This long-awaited synthesis of the dominant themes, events, and personalities of the Clinton years will stand as the authoritative and lasting work on the Clinton Presidency.

Year of the Rat Nov 20 2021 Investigates campaign funds

Bill Clinton Sep 18 2021 Set in the "New Gilded Age" the book goes beyond personality and politics to examine the critical issues of the day such as healthcare and welfare reform, business and financial deregulation, economic and fiscal practice, and foreign affairs in a post-Cold War world.

Bill Clinton Dec 30 2019 The president of larger-than-life ambitions and appetites whose term defined America at the close of the twentieth century Bill Clinton: a president of contradictions. He was a Rhodes Scholar and a Yale Law School graduate, but he was also a fatherless child from rural Arkansas. He was one of the most talented politicians of his age, but he inspired enmity of such intensity that his opponents would stop at nothing to destroy him. He was the first Democrat since Franklin Roosevelt to win two successive presidential elections, but he was also the first president since Andrew Johnson to be impeached. In this incisive biography of America's forty-second president, Michael Tomasky examines Clinton's eight years in office, a time often described as one of peace and prosperity, but in reality a time of social and political upheaval, as the culture wars grew ever more intense amid the rise of the Internet (and with it, online journalism and blogging); military actions in Somalia, Iraq, Bosnia, and Kosovo; standoffs at Waco and Ruby Ridge; domestic terrorism in Oklahoma City; and the rise of al-Qaeda. It was a time when Republicans took control of Congress and a land deal gone bad turned into a constitutional crisis, as lurid details of a sitting president's sexual activities became the focus of public debate. Tomasky's clear-eyed assessment of Clinton's presidency offers a new perspective on what happened, what it all meant, and what aspects continue to define American politics to this day. In many ways, we are still living in the Age of Clinton.

Summary: Back to Work Sep 26 2019

Year of the Rat Feb 09 2021 Exposes the corruption of President Clinton and Vice-President Al Gore, who covered up germ warfare activities, failed to halt Russian military sales to China, and overlooked Chinese criminal activity in return for campaign funds.

Bill Clinton Sep 06 2020 Covers Bill Clinton's personal and political life, beginning with his childhood in Arkansas, and concluding with his term as President.

Bill Clinton Jul 05 2020

Bill Clinton Dec 22 2021 Describes Bill Clinton's rise to the presidency, the ups and downs he experienced during his two terms in office, and his activities after his time in the White House.

Letters from Bill Jun 15 2021

My Life Sep 30 2022 #1 New York Times Bestseller President Bill Clinton's *My Life* is the strikingly candid portrait of the 42nd U.S. president, a global leader who decided early in life to devote his intellectual and political gifts, and his extraordinary capacity for hard work, to serving the public. It shows us the progress of a remarkable American, who, through his own enormous energies and efforts, made the unlikely journey from Hope, Arkansas, to the White House—a journey fueled by an impassioned interest in the political process which manifested itself at every stage of his life: in college, working as an intern for Senator William Fulbright; at Oxford, becoming part of the Vietnam War protest movement; at Yale Law School, campaigning on the grassroots level for Democratic candidates; back in Arkansas, running for Congress, attorney general, and governor. We see his career shaped by his resolute determination to improve the life of his fellow citizens, an unflinching commitment to civil rights, and an exceptional understanding of the practicalities of political life. We come to understand the emotional pressures of his youth—born after his father's death; caught in the dysfunctional relationship between his feisty, nurturing mother and his abusive stepfather, whom he never ceased to love and whose name he took; drawn to the brilliant, compelling Hillary Rodham, whom he was determined to marry; passionately devoted, from her infancy, to their daughter, Chelsea, and to the entire experience of fatherhood; slowly and painfully beginning to comprehend how his early denial of pain led him at times into damaging patterns of behavior. President Clinton's book is also the fullest, most concretely detailed, most nuanced account of a presidency ever written—encompassing not only the high points and crises but the way the presidency actually works: the day-to-day bombardment of problems, personalities, conflicts, setbacks, achievements. It is a testament to the positive impact on America and on the world of his work and his ideals. It is the gripping account of a president under concerted and unrelenting assault orchestrated by his enemies on the Far Right, and how he survived and prevailed. It is a treasury of moments caught alive, among them: • The ten-year-old boy watching the national political conventions on his family's new (and first) television set. • The young candidate looking for votes in the Arkansas hills and the local seer who tells him, “Anybody who would campaign at a beer joint in Joiner at midnight on Saturday night deserves to carry one box. . . . You'll win here. But it'll be the only damn place you win in this county.” (He was right on both counts.) • The roller-coaster ride of the 1992 campaign. • The extraordinarily frank exchanges with Newt Gingrich and Bob Dole. • The delicate manipulation needed to convince Rabin and Arafat to shake hands for the camera while keeping Arafat from kissing Rabin. • The cost, both public and private, of the scandal that threatened the presidency. Here is the life of a great national and international figure, revealed with all his talents and contradictions, told openly, directly, in his own completely recognizable voice. A unique book by a unique American.

The Bill Clinton Story Jan 11 2021 Reveals how Bill Clinton "beat the odds" and defeated George Bush, and became the third youngest President to enter the White House

First In His Class Apr 25 2022 Who exactly is Bill Clinton, and why was he, of all the brilliant and ambitious men in his generation, the first in his class to reach the White House? Drawing on hundreds of letters, documents, and interviews, David Maraniss explores the evolution of the personality of our forty-second president from his youth in Arkansas to his 1991 announcement that he would run for the nation's highest office. In this richly textured and balanced biography, Maraniss reveals a complex man full of great flaws and great talents. *First in His Class* is the definitive book on Bill Clinton.

Back to Work Jun 27 2022 President Bill Clinton gives us his views on the challenges facing the United States today and why government matters—presenting his ideas on restoring economic growth, job creation, financial responsibility, resolving the mortgage crisis, and pursuing a strategy to get us “back in the future business.” He explains how we got into the current economic crisis, and offers specific recommendations on how we can put people back to work, increase bank lending and corporate investment, double our exports, restore our manufacturing base, and create new businesses. He supports President Obama's emphasis on green technology, saying that changing the way we produce and consume energy is the strategy most likely to spark a fast-growing economy while enhancing our national security. Clinton also stresses that we need a strong private sector and a smart government working together to restore prosperity and progress, demonstrating that whenever we've given in to the temptation to blame government for all our problems, we've lost our ability to produce sustained economic growth and shared prosperity. Clinton writes, “There is simply no evidence that we can succeed in the twenty-first century with an antigovernment strategy,” based on “a philosophy grounded in ‘you're on your own’ rather than ‘we're all in this together.’ ” He believes that conflict between government and the private sector has proved to be good politics but has produced bad policies, giving us a weak economy with not enough jobs, growing income inequality and poverty, and a decline in our competitive position. In the real world, cooperation works much better than conflict, and “Americans need victories in real life.”

Bill Clinton Jul 29 2022 Award-winning biographer Hamilton brings readers an insightful, balanced, and highly readable story of Clinton's first term in office, in which he also describes Clinton's extraordinary effort to be a modern president in a modern world.

The Presidency of Bill Clinton Jan 23 2022 The presidency of Bill Clinton has an intrinsic historical significance: a marker of generational change, as he was the first 'baby boomer' to reach the White House; the first president whose personal life received no less attention than his policies; and the first elected Democrat President to win re-election since Franklin Roosevelt. This book provides wide-ranging coverage of Clinton's career, addressing the salient aspects of Clinton's life in politics: his governorship; the 1992 presidential campaign; the battle for health care reform; his economic policies; the issue of character, including the Monica Lewinsky scandal; his foreign policy - specifically his role in the peace process in Northern Ireland and in authorizing an aerial war in Kosovo; his handling of the issue of gay rights; and his relationship with the Hollywood film industry. Based on the latest research, this volume provides important new perspectives on Clinton's life in politics. It will be essential reading for anyone interested in American History, Politics and International Relations.

An Affair of State Jul 17 2021 In a book written while the events were unfolding, Richard Posner presents a balanced and scholarly understanding of President Clinton's year of crisis which began when his affair with Monica Lewinsky hit the front pages in January 1998. With the freshness and immediacy of journalism, Posner clarifies the issues involved, carefully assesses the conduct of Independent Counsel Kenneth Starr, and examines the pros and cons of impeaching President Clinton as well as the major procedural issues raised by both the impeachment in the House and the trial in the Senate. This book, reflecting the breadth of Posner's experience and expertise, will be the essential foundation for anyone who wants to understand President Clinton's impeachment ordeal.

The Postmodern Presidency May 15 2021 As America's first truly postmodern president, Bill Clinton experienced both great highs and stunning lows in office that will shape the future course of American politics. Clinton will forever be remembered as the first elected president to be impeached, but will his tarnished legacy have lasting effects on America's political system? Including the conflict in Kosovo, the World Trade Organization meeting in Seattle, and new developments in the 2000 presidential campaign, *The Postmodern Presidency* is the most comprehensive and current assessment of Bill Clinton's presidency available in print. The book examines Clinton's role in redefining the institution of the presidency, and his affect on future presidents' economic and foreign policies. The contributors highlight the president's unprecedented courtship of public opinion; how polls affected policy; how the president gained “celebrity” status; how Clinton's “postmodern” style of public presence helped him survive the 1994 elections and impeachment; and how all of this might impact future presidents. This new text also demonstrates how the Clinton presidency changed party politics in the public and in Congress, with long-term implications and costs to both Republicans and his own Democratic party, while analyzing Clinton's effect on the 1990s “culture wars,” the politics and importance of gender, and the politics and policy of race.

Double Trouble Jun 03 2020 A renowned cultural observer offers an insightful exploration of the similarities shared by Elvis Presley and Bill Clinton, offering discussions of the nature of celebrity, personal reinvention, and culture and arguing that Presley and Clinton reflect deep trends in America. Reprint.

Dereliction of Duty Dec 10 2020 Lt. Col. Robert “Buzz” Patterson exposes the terrifying, behind-the-scenes story of the years when the most irresponsible President in our history had his finger on the nuclear trigger. *Dereliction of Duty* is the inside story of

the damage Bill Clinton did to the U.S. military and how he compromised our national security. From his laughable salutes, to his arrogant, anti-military staffers, the message came through loud and clear: the Clinton Administration had nothing but contempt for America's men and women in uniform. For two years, Patterson was the White House military aide who carried the "nuclear football," which provides the President with remote nuclear strike capabilities. What he witnessed is shocking. Dereliction of Duty is the book every American concerned about our national security has been waiting for—written by a military man who was an eyewitness inside the Clinton White House, and who can no longer in good conscience keep silent.

Giving Nov 01 2022 Examines the types of charitable work done by individuals and nonprofit organizations to demonstrate how anyone can make a difference in society through the life-changing act of giving.

Bill Clinton Oct 08 2020 This biography introduces readers to Bill Clinton including his early political career and key events from Clinton's administration including the North American Free Trade Agreement, the 2000 Camp David Summit, and the Iraq Liberation Act. Information about his childhood, family, personal life, and retirement years is included. A timeline, fast facts, and sidebars provide additional information. Aligned to Common Core Standards and correlated to state standards. Big Buddy Books is an imprint of Abdo Publishing, a division of ABDO.

The Comeback Kid May 27 2022 Discusses his rise in politics and controversies in his past

42 Aug 30 2022 This book uses hundreds of hours of newly opened interviews and other sources to illuminate the life and times of the nation's forty-second president, Bill Clinton. Combining the authoritative perspective of these inside accounts with the analytic powers of some of America's most distinguished presidential scholars, the essays assembled here offer a major advance in our collective understanding of the Clinton White House. Included are path-breaking chapters on the major domestic and foreign policy initiatives of the Clinton years, as well as objective discussions of political success and failure. 42 is the first book to make extensive use of previously closed interviews collected for the Clinton Presidential History Project, conducted by the Presidential Oral History Program of the University of Virginia's Miller Center. These interviews, recorded by teams of scholars working under a veil of strict confidentiality, explored officials' memories of their service with President Clinton and their careers prior to joining the administration. Interviewees also offered political and leadership lessons they had gleaned as eyewitnesses to and shapers of history. Their spoken recollections provide invaluable detail about the inner history of the presidency in an age when personal diaries and discursive letters are seldom written. The authors producing this volume had first access to more than fifty of these cleared interviews, including sessions with White House chiefs of staff Mack McLarty and Leon Panetta, Secretaries of State Warren Christopher and Madeleine Albright, National Security Advisors Anthony Lake and Sandy Berger, and a host of political advisors who guided Clinton into the White House and helped keep him there. This book thus provides a multidimensional portrait of Bill Clinton's administration, drawing largely on the observations of those who knew it best.

Presidential Sex Aug 25 2019 An revealing exploration of the sexual behavior of American presidents offers an up-to-date look at how our top elected officials have conducted themselves historically and how the media has changed in its reporting about that behavior.

Bill Clinton Feb 21 2022 Chronicles the life of Bill Clinton from his childhood in Arkansas to his governorship of that state and his first term as president of the United States, including highlights from the 1996 presidential campaign.

On the Make Apr 13 2021 A newspaper reporter who has covered the president since he first entered politics in 1979 takes a critical look at Clinton's career, charging him with a record of broken promises

Bill Clinton Nov 08 2020 In 1993, William J. Clinton began his eight year stint as forty-second president of the United States. A key figure of change in the Democratic Party, Clinton's political and personal actions ensured his lasting status as an important if controversial leader at a critical moment in recent American history. In *Bill Clinton: Building a Bridge to the New Millennium*, David H. Bennett traces Clinton's life and career from childhood through his two terms in the White House. From childhood to college, state government to the executive branch, Bennett provides a concise and readable biography that places Clinton's achievements, problems, and legacy in historical context. Situating the former president in the trajectory of 20th century liberalism, Bennett draws on Clinton's life to illuminate the political landscape of America in the 1990s and the role of the U.S. in the global context of the post-Cold War world. Combining keen scholarship with accessible prose, this will be an essential resource for students and all those interested in understanding the recent history of the U.S.
