The Woman Who Borrowed Memories Jul 28 2019 An NYRB Classics Original Tove Jansson was a master of brevity, unfolding worlds at a touch. Her art flourished in small settings, as can be seen in her bestselling novel *The Summer Book* and in her internationally celebrated cartoon strips and books about the Moomins. It is only natural, then, that throughout her life she turned again and again to the short story. *The Woman Who Borrowed Memories* is the first extensive selection of Jansson's stories to appear in English. Many of the stories collected here are pure Jansson, touching on island solitude and the dangerous pull of the artistic impulse: in "The Squirrel" the equanimity of the only inhabitant of a remote island is thrown by a visitor, in "The Summer Child" an unlovable boy is marooned along with his lively host family, in "The Cartoonist" an artist takes over a comic strip that has run for decades, and in "The Doll's House" a man's hobby threatens to overwhelm his life. Others explore unexpected territory: "Shopping" has a post-apocalyptic setting, "The Locomotive" centers on a railway-obsessed loner with murderous fantasies, and "The Woman Who Borrowed Memories" presents a case of disturbing transference. Unsentimental, yet always humane, Jansson's stories complement and enlarge our understanding of a singular figure in world literature.

Moominvalley in November Aug 09 2020 Now that autumn is turning into winter, a group of unlikely friends—including the Fillyjonk, the Hemulen, and Toft—are waiting in Moominvalley to see the Moomins, for winter doesn't seem right without them. But the Moomins are not at home. So all the visitors settle down to await their return, and oddly enough find themselves warming up to their new life together. For Moominvalley is Moominvalley still, even without the Moomins in it.

Moomin Book 3 Aug 28 2019 Moomin has been swiftly making its way into the hearts of North Americans ever since Drawn & Quarterly began collecting the strip in 2006. It debuted in the *London Evening News* in 1954 and has become the fastest-selling D+Q series to date. Fifty years ago, Jansson's observations of everyday life — whimsical but with biting undertones — easily caught the attention of an international audience and still resonate today. This third volume returns to Moominvalley, where its beloved inhabitants get tangled up in five new stories. Moomin falls in love with a damsel in distress, an unseasonably warm spell turns the valley into a tropical rainforest, and a flying saucer crashes into Moominmamma's garden. Moominpappa decides to live out his dream of occupying a lighthouse and writing a great seaside novel, only to discover that he hates the sea so close up and has no interest in writing about it, and a variety of curious clubs spring up in the valley. Moomin and Moominmamma do their level best to avoid the whole mess but, of course, get drawn into the middle.

Travelling Light Apr 28 2022 This newly translated collection of stories brilliantly evokes the shifting scenes and restlessness of summer. A professor arrives in a beautiful Spanish village only to find that her host has left and she must cope with fractious neighbours alone; a holiday on a Finnish island is thrown into disarray when a disconcerting young boy arrives; an artist returns to an old flat to discover that her life has been eerily usurped. Philosophical and profound, but with the deceptive lightness that is her hallmark, *Travelling Light* is guaranteed to surprise and transport.

Art in Nature Jun 18 2021 An elderly caretaker at a large outdoor exhibition, called *Art in Nature*, finds that a couple have lingered on to bicker about the value of a picture; he has a surprising suggestion that will resolve both their row and his own ambivalence about the art market. A draughtsman's obsession with drawing locomotives provides a dark twist to a love story. A cartoonist takes over the work of a colleague who has suffered a nervous breakdown only to discover that his own sanity is in danger. In these witty, sharp, often disquieting stories, Tove Jansson reveals the fault-lines in our relationship with art, both as artists and as consumers. Obsession, ambition, and the discouragement of critics are all brought into focus in these wise and cautionary tales.

Moomin Book 1 Sep 09 2020 The enchanting comic strip that introduced adult readers to the wonderful world of Moomin Tove Jansson is revered around the world as one of the foremost children's authors of the twentieth century for her illustrated chapter books regarding the magical worlds of her creation, the Moomins. The Moomins saw life in many forms but debuted to its biggest audience ever on the pages of world's largest newspaper the *London Evening News*, in 1954. Moomin Book One is the first volume of Drawn & Quarterly publishing plan to reprint the entire strip drawn by Jansson before she handed over the reins to her brother Lars in 1960. This is the first time the strip will be published in any form in North America and will deservedly place Jansson among the international cartooning greats of the last century. The Moomins are a tight-knit family — hippo-shaped creatures with easygoing and adventurous outlooks. Jansson's art is pared down and precise, yet able to compose beautiful portraits of ambling creatures in fields of flowers or rock-strewn beaches that recall Jansson's Nordic roots. The comic strip reached out to adults with its gentle and droll sense of humor. Whimsical but with biting undertones, Jansson's observations of everyday life, including guests who overstay their welcome, modern art, movie stars, and high society, easily caught the attention of an international audience and still resonate today.

Letters from Tove Aug 21 2021 A virtual memoir in letters by the beloved creator of the Moomins Tove Jansson's works, even her famed Moomin books, fairly teem with letters of one kind or another, from messages bobbing in bottles to whole epistolary novels. Fortunately for her countless readers, her life was no different, unfolding as it did in the letters to family, friends, and lovers that make up this volume, a veritable autobiography over the course of six decades—and the only one Jansson ever wrote. And just as letters carry a weight of significance in Jansson's writing, those she wrote throughout her life reflect the gravity of her circumstances, the depth of her thoughts and feelings, and the critical moments of humor, sadness, and grace that mark an artist's days. These letters, penned with characteristic insight and wit, provide an almost seamless commentary on Jansson's life within Helsinki's bohemian circles and on her island home. Shifting between hope and despair, yearning and happiness, they describe her immersion in art studies and her ascension to fame with the Moomins. They speak frankly of friendship and love, loneliness and solidarity, and also of politics, art, literature, and society. They sum up a particular place and time reflected through a mind finely attuned to her culture, her world, and her own nature—all clearly put into biographical and historical context by the volume's editors, both longtime friends of Tove Jansson—and, in the end, draw a complex, intimate self-portrait of one of the world's most beloved authors.

Tove Jansson Life, Art, Words Aug 01 2022 The Finnish-Swedish writer and artist Tove Jansson achieved worldwide fame as the creator of the Moomin stories, written between 1945 and 1970 and still in print in more than twenty languages. However, the Moomins were only a part of her prodigious output. Already admired in Nordic art circles as a painter, cartoonist and illustrator, she would go on to write a series of classic novels and short stories. She remains Scandinavia's best loved author. Tove Jansson's work reflected the tenets of her life: her love of family (and special bond with her mother), of nature, and her insistence on freedom to pursue her art. Love and work was the motto she chose for herself and her approach to both was joyful and uncompromising. If her relationships with men foundered on her ambivalence towards marriage, those with women came as a revelation, especially the love and companionship she found with her long-time partner, the artist Tuulikki Pietilä, with whom she lived on the solitary island of Klovharu. In this meticulously researched, authorised biography, Boel Westin draws together the many threads of Jansson's life: from the studies interrupted to help her family; the dark shades of war and her emergence as an artist with a studio of her own; to the years of Moomin-mania, and later novel writing. Based on

numerous conversations with Tove, and unprecedented access to her journals, letters and personal archives, *Tove Jansson: Life, Art, Words* offers a rare and privileged insight into the world of a writer whom Philip Pullman described, simply, as 'a genius'.

The Summer Book Dec 25 2021 In *The Summer Book* Tove Jansson distills the essence of the summer—its sunlight and storms—into twenty-two crystalline vignettes. This brief novel tells the story of Sophia, a six-year-old girl awakening to existence, and Sophia's grandmother, nearing the end of hers, as they spend the summer on a tiny unspoiled island in the Gulf of Finland. The grandmother is unsentimental and wise, if a little cranky; Sophia is impetuous and volatile, but she tends to her grandmother with the care of a new parent. Together they amble over coastline and forest in easy companionship, build boats from bark, create a miniature Venice, write a fanciful study of local bugs. They discuss things that matter to young and old alike: life, death, the nature of God and of love. "On an island," thinks the grandmother, "everything is complete." In *The Summer Book*, Jansson creates her own complete world, full of the varied joys and sorrows of life. Tove Jansson, whose Moomintroll comic strip and books brought her international acclaim, lived for much of her life on an island like the one described in *The Summer Book*, and the work can be enjoyed as her closely observed journal of the sounds, sights, and feel of a summer spent in intimate contact with the natural world. *The Summer Book* is translated from the Swedish by Thomas Teal.

The Faces Jul 20 2021 'One of Denmark's most celebrated writers' New Statesman From the acclaimed author of the *Copenhagen Trilogy*, a searing, haunting novel of a woman on the edge, portrayed with all the vividness of lived experience. Copenhagen, 1968. Lise, a children's book writer and married mother of three, is increasingly haunted by disembodied faces and voices. She is convinced that her husband, already extravagantly unfaithful, will leave her. Most of all, she is scared that she will never write again. Yet as she descends into a world of pills and hospitals, she begins to wonder, is insanity really something to be feared, or does it bring a kind of freedom? Ditlevsen explores the surprising contours of Lise's experience: from her point of view, madness can be funny, soft and secure, and far more enlightening than the "reality" it struggles to evade. *The New York Times* Translated by Tiina Nunnally

The True Deceiver Jan 02 2020 *Deception—the lies we tell ourselves and the lies we tell others—is the subject of this, Tove Jansson's most unnerving and unpredictable novel. Here Jansson takes a darker look at the subjects that animate the best of her work, from her sensitive tale of island life, The Summer Book, to her famous Moomin stories: solitude and community, art and life, love and hate. Snow has been falling on the village all winter long. It covers windows and piles up in front of doors. The sun rises late and sets early, and even during the day there is little to do but trade tales. This year everybody's talking about Katri Kling and Anna Aemelin. Katri is a yellow-eyed outcast who lives with her simpleminded brother and a dog she refuses to name. She has no use for the white lies that smooth social intercourse, and she can see straight to the core of any problem. Anna, an elderly children's book illustrator, appears to be Katri's opposite: a respected member of the village, if an aloof one. Anna lives in a large empty house, venturing out in the spring to paint exquisitely detailed forest scenes. But Anna has something Katri wants, and to get it Katri will take control of Anna's life and livelihood. By the time spring arrives, the two women are caught in a conflict of ideals that threatens to strip them of their most cherished illusions.*

Notes from an Island Jun 06 2020 In the bitter winds of autumn 1963, Tove Jansson, helped by Brunström, a maverick fisherman, raced to build a cabin on a treeless skerry in the Gulf of Finland. The island was Klovharun, and for thirty summers Tove and her beloved partner, the graphic artist, Tuulikki Pietilä, retreated there to live, paint and write, energised by the shifting seascapes and the island's austere rocky charms. *Notes from an Island*, written in 1996, is both a chronicle of this period and a paean to the mature love that Tove and 'Tuuti' shared for their island and for each other. Tove's spare prose, and Tuulikki's subtle washes and aquatints combine to form a work of meditative and plangent beauty.
