Lauder Lake is the perfect place to hide and heal. Recluse rocker Adrian "Digger" Graves survived the implosion of his music career, but his muse has long lain dormant. Until Kat hires him to play at her library—not on the basis of his hard rock credentials but rather, because of the obscure kids' TV jingle he wrote years ago. In a case of mistaken identity, Adrian stumbles into the lives of Kat and her comically lovable daughter. Using tattoos as a timeline, Adrian unfurls his life for Kat. But as the courtship intensifies, it's unclear whose past looms larger: the widow's or the rocker's. Will their demons ever rest, or will they break these soul mates apart?

**Beyond Doer and Done to** May 31 2022 In *Beyond Doer and Done To*, Jessica Benjamin, author of the path-breaking *Bonds of Love*, expands her theory of mutual recognition and its breakdown into the complementarity of "doer and done to." Her innovative theory charts the growth of the Third in early development through the movement between recognition and breakdown, and shows how it parallels the enactments in the psychoanalytic relationship. Benjamin's recognition theory illuminates the radical potential of acknowledgment in healing both individual and social trauma, in creating relational repair in the transformational space of thirdness. Benjamin's unique formulations of intersubjectivity make essential reading for both psychoanalytic therapists and theorists in the humanities and social sciences.

So, when Michael signals that he's too wounded to make a commitment, she turns her triangular situation into a square: she sets him up with her cousin. Years later, living in tiny rented rooms and working in noisy bars across London and Paris, she fights to create her own life. She meets someone who cracks her open and offers her a new way to experience the world. But when he invites her to join him in Barcelona, the promise of pleasure and care makes her uneasy. New York Times on *Saltwater* **Lessons in Love** May 07 2020 Studying abroad just got a whole lot sexier...He's hot. Charming. Funny as hell. Too bad sexy Spaniard Rafa Montoya is off limits. Yeah, I fantasize about what his mouth can do other than speak four languages during our tutoring sessions. But I need to focus on bringing up my crappy grades, not his mouth. And I don't want to fall for yet another guy I can't have in the long run-I'm leaving Madrid to go back home at the end of the semester. The icing on the cake? My best friend Maddie is crushing on Rafa, too. Hard. Keeping my distance shouldn't be difficult, considering the attraction I feel for him is obviously one-sided. Only, it's not. One earth shattering encounter involving a bathroom stall, a kiss to end all kisses, and a semi-public orgasm tells me he's feeling it, too. The connection we share is impossible to resist. He wants me. I want him. But I'm leaving Madrid soon. And I know it will break Maddie's heart if she finds out about us. I need to keep things friendly with Rafa before we all get hurt. I just wish he'd stop being so damn wonderful-and so damn great in bed. I never imagined learning Spanish would be this much fun...or cause this much trouble. The books in the STUDY ABROAD series are STANDALONE stories and can be read in any order!

**Love & Salt** Aug 29 2019 When Amy Andrews and Jessica Mesman Griffith met in a creative writing class in graduate school, they both confessed to writing about God. They bonded one night while reading the Book of Ruth and came to truly understand the unlikely friendship of Ruth and Naomi. In these two Old Testament women, they witnessed a beautiful spiritual friendship and a way of walking with one another toward God. But how could they travel this path together when they would be separated by distance and time and leading busy lives as they established marriages and careers? They decided to write letters to each other—at first, for each day of Lent, but those days extended into years. Their letters became a memoir in real time and reveal deeply personal and profound accounts of conversion, motherhood, and crushing tragedy; through it all, their faith and friendship sustained them. Told through the timeless medium of letters—in prose that is raw and intimate, humorous and poetic—Love & Salt is at its core the emotional struggle of how one spiritual friendship is formed and tested in tragedy, tempered and proven in hope.

**The Bonds of Love** Oct 04 2022 Why do people submit to authority and derive pleasure even others have over them? What is the appeal of domination and submission, and why are they so prevalent in erotic life? Why is it so difficult for men and women to meet as equals? Why, indeed, do they continue to recapitulate the positions of master and slave? In *The Bonds of Love*, noted feminist theorist and psychoanalyst Jessica Benjamin explains why we accept and perpetuate relationships of domination and submission. She reveals that domination is a complex psychological process which ensnares both parties in bonds of complicity, and shows how it underlies our family life, our social institutions, and especially our sexual relations, in spite of our conscious commitment to equality and freedom.

Even though her parents can't stop fighting and her ex-boyfriend can't seem to leave her alone, Kara won't let anything get in the way of her perfect year. It's Friday night, and Kara arrives at a party, upset after hearing her parents having another one of their awful fights, and sees another girl with her hands all over her boyfriend. Furious, Kara leaves to take a drive, and, as she's crossing an intersection, a car comes out of nowhere and slams into the driver's side of Kara's car. When Kara wakes up, she has no memory of the night before. Where is she? Why are her parents crying? And, most importantly -- why can't she feel her legs? As Kara is forced to adjust to her new life as a paralyzed teen, where her friends aren't who they seemed to be and her once-adoring boyfriend is mysteriously absent, she starts to realize that what matters in life isn't what happens to you -- it's the choices you make and the people you love. Co-written by "Push Girls" star Chelsie Hill, whose real life inspired Kara's experience, this uplifting novel takes young readers from tragedy to triumph with an unforgettable and unique heroine.
