Mechanic Dec 22 2021 Ant Anstead's Building a
Special brings the Haynes story full circle,
coming 61 years after the original Building a 750
Special was written by John Haynes, Haynes
Publishing's founder, when he was still a
schoolboy. This book is a TV tie-in, following the
12-part TV series Ant Anstead Master Mechanic,
aired on Motor Trend, part of the Discover
Network in the US and UK, following Ant
Anstead's build of his own-design 'special' car,
taking inspiration from the Alfa 158 - the first
World Championship-winning F1 car, which
raced from the 1930s until the 1950s. The 12-
part TV series followed Ant's build of the car,
from the first design ideas, through the
construction, culminating in the debut of the car
during the 2019 US Grand Prix weekend in
Austin, Texas. The book follows Ant's personal
build of the car, from the selection of the donor
MG TD for the chassis, and Alfa Romeo Spider
for the engine and gearbox, through modifying
the chassis, building the suspension, steering,
