*A Vehicle for Change* Jul 02 2020 An Open Access edition of this book will be available on the Liverpool University Press website and the OAPEN library. Since its invention, the automobile has been systematically 'consumed', to become part of the fabric of twentieth- and twenty-first-century society, its impact and perception making the car an accurate gauge of changing cultural norms and values. As it grew in popularity, the automobile conditioned the very texture of modern life, and the particularly car-centred society of contemporary France is an especially apt locus for examination. The ubiquity of the automobile across all social strata provides us with a defined lens through which to examine the evolution of French society in the modern and post-modern eras. Taking the Second World War as a pivotal moment in recent French history, this book demonstrates how the automobile was both consumed and fetishized in distinct ways before and after this conflict. The ways in which society evolved from the pre- to the post-war period allow us to view French culture through the prism of the automobile as it embodied technological and social progress in twentieth-century France. The present volume seeks to explore and interrogate the processes of representation and mediation inherent in the evolving patterns of automobile consumption, and their subsequent impacts on local and national identity, framed by a detailed case study centred on France from the late-nineteenth century to the oil crisis of the early 1970s.

*The Rough Guide to Europe on a Budget* Aug 23 2019 The new full-colour Rough Guide to Europe on a Budget is the ultimate guide to exploring the continent without breaking the bank. Detailed colour maps, stunning photographs and in-depth coverage of how to get around go hand-in-hand with suggested itineraries and authoritative accounts of every attraction. This book is packed full of useful tips, clear and comprehensive travel information, recommendations for budget hostels, cafés,

restaurants, clubs and bars in every city, plus information on great local festivals and outdoor adventures. Plan your European trip with the help of itineraries for each region and highlights for each country, from island-hopping in Greece to exploring Istanbul's edgy Beyoglu area, and from clubbing in Berlin to soaking up the sun on a Mediterranean beach. This guide covers the best things to see, do and experience in 39 countries, including Ukraine, Morocco, Turkey, Scandinavia, and all major western and eastern European countries. For those who fancy busting the budget once in a while, "Treat Yourself" boxes cover slightly more expensive hotels, restaurants and other attractions, such as spas and cocktail bars. Make the most of your European adventure with *The Rough Guide to Europe on a Budget*. Now available in ePub format.

[Making Successful Decisions In Counselling And Psychotherapy: A Practical Guide](#) Jun 13 2021

Drawing on both the existing literature and a range of practical exercises, *Making Successful Decisions in Counselling and Psychotherapy* provides invaluable guidance on how to tackle the task of decision-making in 'real world' counselling and psychotherapeutic settings in order to develop a systematic, effective and creative approach.

[The Rough Guide to Yorkshire](#) May 12 2021 *The Rough Guide to Yorkshire* was the first comprehensive guidebook to England's largest county. Detailed coverage of the ruggedly beautiful Dales and Moors, the magnificent North Sea coast and historic York rubs shoulders with penetrating insights into the multi-cultural cities of Leeds and Sheffield, the resurgent port of Hull, and the many industrial conurbations, market towns and rural villages in between. Take your pick of great stately homes to visit, of cathedrals and churches and monastic ruins, of steam railways and seaside resorts, of world-class historical and industrial museums, of hotels and places where you can consume good Yorkshire food and ale. Full-colour sections cover Yorkshire's varied landscape and world-famous writers and artists. Whether you're on holiday, on business, visiting family and friends or just passing through - even if you've lived in Yorkshire all your life - *The Rough Guide to Yorkshire* will ensure that you don't miss a thing. Make the most of your time on Earth™ with *The Rough Guide to Yorkshire*.

**Lake Pavin** Dec 27 2019 This book represents the first multidisciplinary scientific work on a deep volcanic maar lake in comparison with other similar temperate lakes. The syntheses of the main characteristics of Lake Pavin are, for the first time, set in a firmer footing comparative approach, encompassing regional, national, European and international aquatic science contexts. It is a unique lake because of its permanently anoxic monimolimnion, and furthermore, because of its small surface area, its substantially low human influence, and by the fact that it does not have a river inflow. The book reflects the scientific research done on the general limnology, history, origin, volcanology and geological environment as well as on the geochemistry and biogeochemical cycles. Other chapters focus on the biology and microbial ecology whereas the sedimentology and paleolimnology are also given attention. This volume will be of special interest to researchers and advanced students, primarily in the fields of limnology, biogeochemistry, and aquatic ecology.

**The Rough Guide to England** Jan 08 2021 *The new Rough Guide to England* is the definitive insider's guide to a country rich in history, heritage and culture. Now in full colour throughout, this fully updated guide has clear maps, detailed itineraries and regional highlights. Now available in PDF format. There's practical information and advice on visiting England's beautiful countryside and coastline, as well as the many diverse cities, towns and picture-postcard villages. Don't miss a thing with up-to-date reviews of the best places to stay, from boutique hotels to budget hostels, the most authentic pubs and new-on-the-scene restaurants, and the most exciting activities and experiences.

Whether you're camping on a remote Cornish peninsula, hiking in the Peak District, being pampered in a spa town or browsing markets in London's East End, explore every corner of this superb country with easy-to-use maps and detailed sights information. Make the most of your time on Earth™ with The Rough Guide to England.

**La Gomera** Sep 16 2021 La Gomera can be considered the wildest of the Canary Islands. From the central highlands of the almost 1500-metre high island, countless, steep-walled gorges wind down to the sea, slicing the otherwise gently sloping island coast like a cake. La Gomera is made for nature-loving walkers, and offers an incredible variety in its countryside: Idyllic valleys with terraced fields and palm groves stand in contrast to precipitous cliffs and spectacular gorges; the magical laurel forests of Garajonay National Park are countered by pine forests and banana plantations. Thus, the hiker can expect a pleasant stroll like no other, between blazing lava beaches, lush, misty primeval forests, ridges shrouded in clouds - and the ever-present, deep-blue Atlantic. This Rother Walking Guide presents the hiker with a wide variety of entertaining tour recommendations encompassing all regions of La Gomera. These walks range from comfortable paths through palm-studded valleys, to tranquil mountain strolls, to panoramic summit climbs - hiking trails through the dreamy, misty primeval forest are mentioned, as well as the partly paved caminos, which once represented the main connecting roads between villages. Many of the 70 tour recommendations are ideal for less experienced hikers. Yet experienced mountain hikers who are not afraid of power hikes and can handle a shot of adventure and risk will also find a rich selection of routes. This excellently researched guide is enhanced by outstanding colour photos and map excerpts based on the Freytag&Berndt hiking map of Gomera (scale 1:35,000), and is highly recommended to all mountain fans of the island. Walkers also interested in the neighbouring islands should check out the Rother Walking Guides on La Palma, Tenerife and Gran Canaria.

**Land of Women** Oct 05 2020 "This book disperses the shadows in an obscure but important landscape. Lisa Bitel addresses both the history of women in early Ireland and the history of myth, legend, and superstition which surrounded them. It is a powerful and exact book and an invaluable addition to our expanding sense of Ireland through the eyes of Irish women."--Eavan Boland, author of *In a Time of Violence: Poems* "It is refreshing to read in a book by a woman on medieval women that not all clerics hated women and that not all men were oversexed villains consciously bent on exploiting women. Bitel] challenges not only the medieval Irish male construct of female behavior, but she is also courageous enough to question constructs of medieval women invented by modern Irish medieval historians."--Times Higher Education Supplement

*The Behavior Guide to African Mammals* Aug 03 2020 "A work of tremendous scope. . . . Amateur naturalists and tourists to the parks of Africa and finally professionals will find this a stimulating, well-documented summary."--John F. Eisenberg, Florida Museum of Natural History "We have seen in the field how very helpful and informative *The Behavior Guide* is. Our knowledgeable safari guides turned often to their prized and already well-thumbed copies, and we continue to refer to ours now that we are back home."--Douglas F. Williamson, Jr., National Council, World Wildlife Fund, U.S. "A fascinating, perceptive, and enjoyable travel companion heightens the pleasure of being afield. *The Behavior Guide to African Mammals* is that ideal companion. Lucid, accurate, and marvelously illustrated, the book is a basic reference for anyone interested in natural history."--George B. Schaller, author of *The Serengeti Lion* and *The Deer and the Tiger* "A remarkable review of what is known about the larger African mammals."--A.R.E. Sinclair, The Ecology Group, University of British Columbia

*Report on the Aeginetan Sculptures* Aug 15 2021 Tells the story of Bavaria's acquisition of ancient Greek sculptures that rivaled those acquired by England from the Parthenon. The controversial removal of the Parthenon sculptures from Greece to England in the first decade of the nineteenth century by Thomas Bruce, seventh Earl of Elgin, sparked an international competition for classical antiquities. This volume tells a lesser-known chapter of that story, concerning sculptures from the Temple of Aphaia on the Greek island of Aegina. Discovered in 1811 as the Parthenon project was nearing its completion, these ancient sculptures were acquired at auction by Johann Martin Wagner (1777-1858) on behalf of Crown Prince Ludwig of Bavaria. The sculptures turned out to be significant in a number of ways, offering important evidence for a transitional period of Greek art between the archaic and classical eras, for the existence of an independent Aeginetan school that was the equal of Athenian art at the time, and for Greek sculptures having been elaborately painted and adorned. Originally published in 1817 and presented here for the first time in English, this book reproduces the report commissioned by the crown prince that was written by Wagner and edited by F. W. J. Schelling and contained richly detailed descriptions of the sculptures. In addition, Louis A. Ruprecht Jr. provides a comprehensive historical introduction featuring a constellation of intellectual figures, an afterword, notes, appendices, and more than forty images to tell the fascinating story of the sculptures and their legacy from excavation to the present day. Louis A. Ruprecht Jr. holds the William M. Suttles Chair in Religious Studies and serves as Director of the Center for Hellenic Studies at Georgia State University. He is the author of many books, including *Symposia: Plato, the Erotic, and Moral Value* and *Afterwords: Hellenism, Modernism, and the Myth of Decadence*, both also published by SUNY Press; *Classics at the Dawn of the Museum Era: The Life and Times of Antoine Chrysostome Quatremère de Quincy (1755-1849)*; and *Winckelmann and the Vatican's First Profane Museum*.

[Jews and the Mediterranean](#) Jun 20 2019 What does an understanding of Jewish history contribute to the study of the Mediterranean, and what can Mediterranean studies contribute to our knowledge of

Jewish history? Jews and the Mediterranean considers the historical potency and uniqueness of what happens when Sephardi, Mizrahi, and Ashkenazi Jews meet in the Mediterranean region. By focusing on the specificity of the Jewish experience, the essays gathered in this volume emphasize human agency and culture over the length of Mediterranean history. This collection draws attention to what made Jewish people distinctive and warns against facile notions of Mediterranean connectivity, diversity, fluidity, and hybridity, presenting a new assessment of the Jewish experience in the Mediterranean.

**Cochrane Handbook for Systematic Reviews of Interventions** Nov 06 2020 Healthcare providers, consumers, researchers and policy makers are inundated with unmanageable amounts of information, including evidence from healthcare research. It has become impossible for all to have the time and resources to find, appraise and interpret this evidence and incorporate it into healthcare decisions. Cochrane Reviews respond to this challenge by identifying, appraising and synthesizing research-based evidence and presenting it in a standardized format, published in The Cochrane Library ([www.thecochranelibrary.com](http://www.thecochranelibrary.com)). The Cochrane Handbook for Systematic Reviews of Interventions contains methodological guidance for the preparation and maintenance of Cochrane intervention reviews. Written in a clear and accessible format, it is the essential manual for all those preparing, maintaining and reading Cochrane reviews. Many of the principles and methods described here are appropriate for systematic reviews applied to other types of research and to systematic reviews of interventions undertaken by others. It is hoped therefore that this book will be invaluable to all those who want to understand the role of systematic reviews, critically appraise published reviews or perform reviews themselves.
