*Straight White Men & Untitled Feminist Show: Two Plays (NHB Modern Plays)* Aug 25 2019 Two compassionately subversive plays about identity, by Young Jean Lee, a Korean American playwright whose work is groundbreaking, humorous and often thrillingly transgressive. In *Straight White Men*, it's Christmas Eve, and Ed has gathered his three adult sons to celebrate with matching pyjamas, trash-talking, and Chinese takeaway. But when a question they can't answer interrupts their seasonal cheer, they are forced to confront their own identities. Raucous, surprising and fearless, *Straight White Men* takes an outside look at the traditional father/son narrative, shedding new light on a story we think we know all too well. It had its UK premiere at Southwark Playhouse, London, in 2021, following US productions including a Broadway run that made Lee the first Asian-American woman to have a play produced on Broadway. In *Untitled Feminist Show*, six charismatic stars of the theatre, dance, cabaret and burlesque worlds come together in an exhilaratingly irreverent, nearly wordless celebration of a fluid and limitless sense of identity. *Untitled Feminist Show* isn't a show about feminism - it is a feminist show. It premiered at the Walker Art Center, Minneapolis, in 2012 before transferring to the Baryshnikov Arts Center in New York City. 'Young Jean Lee is, hands down, the most adventurous downtown playwright of her generation' *New York Times*

*Huis Clos and Other Plays* Oct 08 2020 Sartre's major preoccupation, the struggle for freedom in a world whose orders and systems make any choices hard, is the key theme that links the three plays in this anthology.

philosophers of the twentieth century. **The Conductor and Other Tales** Nov 08 2020 Jean Ferry's only published book of fiction, translated into English for the first time First published in French in 1950 in a limited edition of 100 copies, then republished in 1953 (and enthusiastically praised by André Breton), The Conductor and Other Tales is Jean Ferry's only published book of fiction. It is a collection of short prose narratives that offer a blend of pataphysical humor and surreal nightmare: secret societies so secret that one cannot know if one is a member or not, music-hall acts that walk a tightrope from humor to horror, childhood memories of a man never born, and correspondence from countries that are more states of mind than geographical locales. Lying somewhere between Kafka's parables and the prose poems of Henri Michaux, Ferry's tales read like pages from the journal of a stranger in a familiar land. Though extracts have appeared regularly in Surrealist anthologies over the decades, The Conductor has

never been fully translated into English until now. This edition includes four stories not included in the original French edition and is illustrated throughout with collages by Claude Ballaré. Jean Ferry (1906-1974) made his living as a screenwriter for such filmmakers as Luis Buñuel and Louis Malle, cowriting such classics as Henri-Georges Clouzot's *Le Quai des orfèvres* and script-doctoring Marcel Carné's *Les Enfants du paradis*. He was the first serious scholar and exegete of the work of Raymond Roussel (on whom he published three books) and a member of the Collège de 'Pataphysique.

**Still Time** Nov 28 2019 "A moving, beautiful story about what persists and what doesn't, about what can be repaired and what can't." —Karen Joy Fowler, author of *We Are All Completely Beside Ourselves* Until John Wilson met the warm, wise woman who became his fourth wife, the object of his most intense devotion had always been the work of William Shakespeare. From his feat of memorizing *Romeo and Juliet* and half a dozen other plays as a student to his evangelical zeal as a professor, John's faith in the Bard has shaped his life. But now his mental powers have been diminished by dementia, and his wife has reluctantly moved him to a residential care facility. Even there, as he struggles to understand what's going on around him, John's knowledge of the plays helps him make sense of his fractured world. Yet, when his only child, Miranda—with whom he has

Did he wrong the child who wronged him? The story of an imperfect father and a wounded daughter's efforts to achieve some authentic connection even now, *Still Time* is a rare novel that celebrates redemption and ends on a resounding note of hope, reminding us that there is always time to live fully and love deeply, so long as we are alive.

*The Complete Plays of Jean Racine* Nov 20 2021 This is the third volume of a projected translation into English of all twelve of Jean Racine's plays—only the third time such a project has been undertaken. For this new translation, Geoffrey Alan Argent has rendered these plays in the verse form that Racine might well have used had he been English: namely, the "heroic" couplet. Argent has exploited the couplet's compressed power and flexibility to produce a work of English literature, a verse drama as gripping in English as Racine's is in French. Complementing the

translation are the illuminating Discussion, intended as much to provoke discussion as to provide it, and the extensive Notes and Commentary, which offer their own fresh and thought-provoking insights. In Iphigenia, his ninth play, Racine returns to Greek myth for the first time since Andromache. To Euripides's version of the tale he adds a love interest between Iphigenia and Achilles. And dissatisfied with the earlier resolutions of the Iphigenia myth (her actual death or her eleventh-hour rescue by a dea ex machina), Racine creates a wholly original character, Eriphyle, who, in addition to providing an intriguing new denouement, serves the dual dramatic purpose of triangulating the love interest and galvanizing the wholesome & "family values" of this play by a jolt of supercharged passion.

The Providence of Neighboring Bodies Jul 25 2019 An absurdist dark comedy on friendship and isolation from up-and-coming American playwright Jean Ann Douglass. It's an exciting day for Dora here in North Providence, Rhode Island. Today is the day Dora is going to make coffee, go outside, and make friends with Ronnie. Ronnie lives in the apartment next door, her balcony just adjacent to Dora's, both overlooking the parking lot and the weird hill across the street. Ronnie isn't keen to meet Dora, she's busy preparing her flat for AirBnb guests. She isn't sure how she wound up living in North Providence for all these years, but here they both are, where nothing exciting has really happened since the great beaver purge of the mid-20th century. That is, until Jane, Ronnie's first Airbnb guest shows up at her door. This dark, surreal comedy about beavers, beer, and balconies, explores female friendship and the place we call home. As fest-mag writes: 'With new arrivals and historical homecomings, it asks who belongs where, who moves in, who moves on?' The Providence of Neighboring Bodies premiered in New York, and had its UK premiere at the 2018 Edinburgh Fringe.

CHRISTMAS STORY -- humorous and nostalgic Americana, reissued in a strikingly designed paperback edition. Before Garrison Keillor and Spalding Gray there was Jean Shepherd: a master monologist and writer who spun the materials of his all-American childhood into immensely resonant--and utterly hilarious--works of comic art. In *God We Trust: All Others Pay Cash* represents one of the peaks of his achievement, a compound of irony, affection, and perfect detail that speaks across generations. In *God We Trust*, Shepherd's wildly witty reunion with his Indiana hometown, disproves the adage "You can never go back." Bending the ear of Flick, his childhood-buddy-turned-bartender, Shepherd recalls passionately his genuine Red Ryder BB gun, confesses adolescent failure in the arms of Junie Jo Prewitt, and relives a story of man against fish that not even Hemingway could rival. From pop art to the World's Fair, Shepherd's subjects speak with a universal irony and are deeply and unabashedly grounded in American Midwestern life, together rendering a wonderfully nostalgic impression of a more innocent era when life was good, fun was clean, and station wagons roamed the earth. A comic genius who bridged the gap between James Thurber and David Sedaris, Shepherd may have accomplished for Holden, Indiana, what Mark Twain did for Hannibal, Missouri.

**No Exit** May 27 2022 Two women and one man are locked up together for eternity in one hideous room in Hell. The windows are bricked up, there are no mirrors, the electric lights can never be turned off, and there is no exit. The irony of this Hell is that its torture is not of the rack and fire, but of the burning humiliation of each soul as it is stripped of its pretenses by the cruel curiosity of the damned. Here the soul is shorn of secrecy, and even the blackest deeds are mercilessly exposed to the fierce light of Hell. It is an eternal torment.

woman, a phone call, a final conversation. In this extraordinary and prophetic monologue a woman fights for the person she loves. Jean Cocteau's iconic play explores our desperate need for human relationships - and the machine that has changed them forever.

*Six Characters in Search of an Author and Other Plays* Oct 27 2019 A volume of plays from the founding architect of twentieth-century drama, including his most popular and controversial work A Penguin Classic Pirandello is brilliantly innovatory in his forms and themes, and in the combined energy, imagination and visual colours of his theatre. This volume of plays, translated from the Italian by Mark Musa, opens with *Six Characters in Search of an Author*, in which six characters invade the stage and demand to be included in the play. The tragedy *Henry IV* dramatizes the lucid madness of a man who may be King. In *So It Is (If You Think So)*, the townspeople exercise a morbid curiosity attempting to discover "the truth" about the Ponza family. Each of these plays can lay claim to being Pirandello's masterpiece, and in exploring the nature of human personality, each one stretches the resources of drama to their limits. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

*The Misanthrope and Other Plays* May 03 2020 Moliere (1622-73) combined all the traditional elements of comedy, wit, slapstick, spectacle and satire, with a deep understanding of character to create richly sophisticated dramas which have always delighted audiences.
