Gabrielle and Selena Jun 04 2020 Convinced that the other leads a more interesting life, two girls exchange homes only to find their parents have some surprises in store.

1001 Days That Shaped the World Jul 26 2019 Fully updated for 2021, this is a comprehensive guide to those extraordinary moments that defined human history, written by respected figures from the fields of science, history, and journalism.

The Art of Writing May 04 2020 Rediscover the lost art of excellent writing—a valuable skill through the ages, and even more so in the twenty-first century. Since the invention of writing, the written word has fueled humanity's astonishing progress. Thus, the ability to write effectively and beautifully has long been revered and rewarded. And yet in the digital age, people have begun to believe that this talent is somehow obsolete: that writing is something unworthy of study beyond the basic mechanics of vocabulary and syntax and grammar, that mediocre prose is acceptable in a world crying out for clear and precise communication. Peter Yang believes otherwise. The Art of Writing is Yang's highly practical treatise on the four key principles of dazzling, effective writing—economy, transparency, variety, and harmony. Far from your garden-variety style guide, this book offers principles that apply to everyone, whether you're writing an inauguration speech, a novel, or a letter home to Mom. Great writing is a skill, and this book gives you the tools to make your words shimmer on the page (or the screen). Packed with real-world insights and advice, The Art of Writing is your ultimate guide to transforming your writing and unleashing your inner artist.

The Meaning is in the Shadows Jan 12 2021 In 1974, as a newly ordained priest, Fr Peter McVerry SJ chose to live and work in the Inner City with a small group of other Jesuits. He began working with young people who had dropped out of school, were involved in crime, living in dysfunctional families and on a straight road to prison. To a young priest from a middle class background, the experience was a complete culture shock. It challenged his attitudes, revealed to himself his prejudices, opened his eyes to what is happening in our very divided society and called into question his understanding of God. A ministry intended to last a few years became a life-long commitment. This book contains his reflections on these experiences. He reflects critically on the structures and systems in our society which push people to the margins and ensure that they remain there. Issues affecting prisoners, school drop-outs, drug users and homeless people are discussed in a way that challenges and provokes. He also questions the structures which affect the lives of those on the margins and makes specific suggestions for change.

The Godfather Book Sep 07 2020 The Godfather and its sequels redefined the gangster movie, transcending the genre to become a complex study of power, violence, and ethnic solidarity. Winner of nine Academy Awards, the trilogy is revived continually on television and remains a staple of the video marketplace. Now, for the first time, film critic Peter Cowie has brought to life the whole story behind the creation of the three Godfather movies. Cowie gained exclusive access to Francis Ford Coppola's archives to research the book, and interviewed Coppola himself, novelist Mario Puzo, and scores of other key personalities. He tells a riveting story of violent personality clashes, financial and technical crises, and a roller-coaster ride from apparent disaster to eventual triumph. Cowie also offers a masterful account of the themes and historical inspiration that underpin the trilogy, demonstrating how Coppola drew on certain central themes to give the movies their timeless and universal appeal.

The Peter May Collection Nov 02 2022 #1 BESTSELLING AUTHOR OF THE BLACKHOUSE 'A TERRIFIC WRITER' MARK BILLINGHAM 'PETER MAY: OVER 4.5 MILLION COPIES SOLD WORLDWIDE' A collection of Peter May's bestselling standalone titles, this omnibus edition includes Entry Island, Coffin Road and I'll Keep You Safe. ----- ENTRY ISLAND A detective is haunted by the feeling he knows his murder suspect - despite the fact they have never met. IF YOU FLEE FATE... When Detective Sime Mackenzie is sent from Montreal to investigate a murder on the remote Entry Island, 850 miles from the Canadian mainland, he leaves behind him a life of sleeplessness and regret. FATE WILL FIND YOU... But what had initially seemed an open-and-shut case takes on a disturbing dimension when he meets the prime suspect, the victim's wife, and is convinced that he knows her - even though they have never met. And when his insomnia becomes punctuated by dreams of a distant Scottish past in another century, this murder in the Gulf of St. Lawrence leads him down a path he could never have foreseen, forcing him to face a conflict between his professional duty and his personal destiny. ----- COFFIN ROAD A man stands bewildered on a deserted beach on the Hebridean Isle of Harris. He cannot remember who he is. The only clue to his identity is a folded map of a path named the Coffin Road. He does not know where this search will take him. A detective from Lewis sits aboard a boat, filled with doubt. DS George Gunn knows that a bludgeoned corpse has been discovered on a remote rock twenty miles offshore. He does not know if he has what it takes to uncover how and why. A teenage girl lies in her Edinburgh bedroom, desperate to discover the truth about her scientist father's suicide. Two years on, Karen Fleming still cannot accept that he would willingly abandon her. She does not yet know his secret. Coffin Road follows three perilous journeys towards one shocking truth - and the realisation that ignorance can kill us. ----- I'LL KEEP YOU SAFE A stunning standalone thriller from Peter May, alternating between the glamorous fashion world of Paris and the rugged beauty of the Isle of Harris. WHATEVER HAPPENS Niamh and Ruairidh MacFarlane co-own the Hebridean company Ranish Tweed. On a business trip to Paris to promote their luxury brand, Niamh learns of Ruairidh's affair, and then looks on as he and his lover are killed by a car bomb. She returns home to Lewis, bereft. I'LL ALWAYS BE THERE FOR YOU Niamh begins to look back on her life with Ruairidh, desperate to identify anyone who may have held a grudge against him. The French police, meanwhile, have ruled out terrorism, and ruled in murder - and sent Detective Sylvie Braque to shadow their prime suspect: Niamh. I'LL KEEP YOU SAFE, NO MATTER WHAT As one woman works back through her memories, and the other moves forward with her investigation, the two draw ever closer to a deadly enemy with their own, murderous, designs.

[The Sound of Laughter](#) Apr 26 2022 Peter Kay's unerring gift for observing the absurdities and eccentricities of family life has earned himself a widespread, everyman appeal. These vivid observations coupled with a kind of nostalgia that never fails to grab his audience's shared understanding, have earned him comparisons with Alan Bennett and Ronnie Barker. In his award winning TV series' he creates worlds populated by degenerate, bitter, useless, endearing and always recognisable characters which have attracted a huge and loyal following. In many ways he's an old fashioned kind of comedian and the scope and enormity of his fanbase reflects this. He doesn't tell jokes about politics or sex, but rather rejoices in the far funnier areas of life: elderly relatives and answering machines, dads dancing badly at weddings, garlic bread and cheesecake, your mum's HRT... His autobiography is full of this kind of humour and nostalgia, beginning with Kay's first ever driving lesson, taking him back through his Bolton childhood, the numerous jobs he held after school and leading up until the time he passed his driving test and found fame.

I'll Keep You Safe May 28 2022 Friends since childhood, and lovers and business partners as adults, Niamh and Ruairidh are owners of a small Hebridean company, Ranish Tweed, that weaves its own very special version of Harris Tweed. Although it's a small company, their fabrics have become internationally sought-after as a niche brand in the world of fashion and haute

couture. But the threads of their relationship are beginning to fray. As they prepare for an important showing at the Première Vision fabric fair, held in Paris every year, Niamh accuses Ruairidh of having an affair with Irina, a Russian fashion designer they work with--a fight that ends with Ruairidh storming off and getting into Irina's car. Moments later, Niamh watches in horror as the car containing her life partner explodes in a ball of flame.

Margaret Atwood Feb 22 2022 Novelist, poet, cultural critic, Margaret Atwood is one of the most fascinating, versatile, and productive authors of our time, a superb writer in any genre she chooses to tackle. This book was prepared on the occasion of Atwood's sixtieth birthday in November 1999. Its first aim is therefore to take stock of Atwood's multifarious works and international impact at the height of her creative powers. Secondly, the book serves as a wide-ranging introduction to the writer and her works. Fifteen informative articles written specifically for this volume by Atwood specialists from Canada, the USA, the UK, Germany, and France treat her life and status, her works (up-to-date survey articles on Atwood's novels, short fiction, poetry, and literary and cultural criticism), and important approaches to her works (from the standpoints of gender politics, mythology, ecology, popular culture, constructivism, and Canadian nationalism). A final section on creativity, transmission, and reception includes an interview with Atwood on creativity, statements by some of Atwood's important transmitters, including publishers, editors, literary agents, and translators, and some 15 statements by Atwood's fellow writers, in which they explore her importance for them. A number of photographs of Atwood, several cartoons drawn by her, an up-to-date bibliography of works by and about Atwood, and an index round out the volume. Reingard M. Nischik is Professor of American literature at the University of Konstanz, Germany.

Futsal Jun 28 2022 Many of the top professional soccer players played futsal in their youth--Pelli, Luis Figo, Lionel Messi, Cristiano Ronaldo, Xavi, and Fabregas--and have stated that playing the game made them the great players they are today. Futsal is an exciting, fast moving game of technique, skill, tactics, and physical endeavor. Players undertake the ultimate challenge by testing their skills under the most intense pressure, due to the lack of time and space, stressing the importance of quick reaction times and reflex training. Often used in the off season for soccer players, futsal is due to be placed at the heart of all development programs, improving technique and increasing fun in youth training. Coaches face huge tactical challenges as the game changes minute by minute. It is for these reasons that Futsal has taken a huge grip upon the soccer landscape and the development of players from grassroots upwards. This book is ideal in assisting players and coaches in honing their futsal skills and techniques. If you want to be the new Messi, Ronaldo, or Fabregas, can you afford not to read this book?
